The History Of Travel Paintings By William Wegman:

The History of Travel William Wegman, Donald Burton Kuspit, 1990 This was Wegman's first solo museum exhibition of this body of work. The fifteen paintings on view presented a concise survey of his art from the last five years. He is best known as a conceptual artist and photographer of his dogs. His earliest paintings are small and anecdotal. He moved on to larger canvases stained and marked with allegorical images which have their root in the pictures found in a 1950s set of children's encyclopedias.
