Three Perspectives: Jewish, Christian, and Muslim Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who

calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world Rethinking Jewish Faith Steven L. Jacobs,2012-02-01 This book addresses the faith of a member of the Second Generation the offspring of the original survivors of the Shoah It is a re examination of those categories of faith central to the Jewish Religious Experience in light of the Shoah God Covenant Prayer Halakhah and Mitzvot Life Cycle Festival Cycle Israel and Zionism and Christianity from the perspective of a child of a survivor **Salute to the Romanian Jews in America and Canada, 1850-2010** Vladimir F. Kane,2008-04-24 This work examines among other topics the personal oath of loyalty that the officers of the German army swore to Adolf Hitler on August 2 1934 It discusses how the majority of officers those who did not become conspirators against him complied with Hitler s orders until May 1945 despite his cruel treatment of

soldiers militarily unsound strategy and tactics and the widespread destruction and crimes he and his forces committed The oath taken by the officers had a strong psychological effect among a proud corps with a long history of obedience and honor They followed Hitler to the end even though they knew they were fighting a losing battle The author also examines why and how only a few officers the conspirators began to break away lose trust in Hitler oppose him and finally stage an assassination attempt This history traces the development within the German army from 1918 of the philosophies of loyalty and disloyalty and obedience and disobedience as challenged by the Hitlerian oath of loyalty **Holocaust: Hitler, Nazism and the "racial state"** David Cesarani, Sarah Kavanaugh, 2004 Defiance Nechama Tec, 2008-12-26 The prevailing image of European Jews during the Holocaust is one of helpless victims but in fact many Jews struggled against the terrors of the Third Reich In *Defiance* Nechama Tec offers a riveting history of one such group a forest community in western Belorussia that would number more than 1 200 Jews by 1944 the largest armed rescue operation of Jews by Jews in World War II Tec reveals that this extraordinary community included both men and women some with weapons but mostly unarmed ranging from infants to the elderly She reconstructs for the first time the amazing details of how these partisans and their families hungry exposed to the harsh winter weather managed not only to survive but to offer protection to all Jewish fugitives who could find their way to them Arguing that this success would have been unthinkable without the vision of one man Tec offers penetrating insight into the group's commander Tuvia Bielski Tec brings to light the untold story of Bielski's struggle as a partisan who lost his parents wife and two brothers to the Nazis yet never wavered in his conviction that it was more important to save one Jew than to kill twenty Germans She shows how under Bielski's guidance the partisans smuggled Jews out of heavily guarded ghettos scouted the roads for fugitives and led retaliatory raids against Belorussian peasants who collaborated with the Nazis Herself a Holocaust survivor Nechama Tec here draws on wide ranging research and never before published interviews with surviving partisans including Tuvia Bielski himself to reconstruct here the poignant and unforgettable story of those who chose to fight **Pigskin** Robert Peterson, 1997-10-30 Traces the roots of professional football from its organization in the 1880s to the formation of the National Football League in 1920 to its surge in popularity with the pivotal Bears Redskins championship game of 1940 through the highly lucrative television deals of the 1990s
