The Holy Quran Another Testament Of Restored Truth:

Quran - The Final Testament - Authorised English Version Dr. Rashad Khalifa Ph.D., 2010-12-16 Proclaiming One unifying religion for all the people The Book is without a doubt a revelation from the Lord of the Universe The Final Testament comes with built in physical evidence that it is God's message to you it is mathematically composed beyond human capability This proves that God is the Truth and that He revives the dead and that He is Omnipotent Our Salvation in the hereafter lies on upholding The Quran The Quran is God's Final Testament to the world Unlike any other book the Quran is taught by God 55:1-2 He teaches us what we need at the time we need it This is why we read the Quran hundreds of times without getting bored We can read a novel for example only once But the Quran can be read an infinite number of times and we derive new and valuable information from it every time Since the Quran is God's message to all the people regardless of their language the Quran is accessible to the believers regardless of their language 41:44 This explains a profound phenomenon the believers who do not know Arabic know the Quran better than the Arabic speaking unbelievers Because of the invisible forces serving the Quran it is readily and enjoyably accessible to the sincere believers and utterly inaccessible to the unbelievers 17:45 18:57 56:79

Quran Muhammad, Muslims believe the Quran was verbally revealed by God to Muhammad through the angel Gabriel Jibril gradually over a period of approximately 23 years beginning on 22 December 609 CE when Muhammad was 40 and concluding in 632 the year of his death Muslims regard the Quran as the most important miracle of Muhammad a proof of his prophethood and the culmination of a series of divine messages that started with the messages revealed to Adam and ended with Muhammad The word Quran is mentioned some 70 times in the text of Quran though different names and words are also said to be references to the Quran According to the traditional narrative several companions of Muhammad served as scribes and were responsible for writing down the revelations Shortly after Muhammad's death the Quran was compiled by his companions who wrote down and memorized parts of it These codices had differences that motivated the Caliph Uthman to establish a standard version now known as Uthman's codex which is generally considered the archetype of the Quran we have today There are however variant readings with mostly

Crockett,2004-06-02 There are many books that attempt to show the similarities between Islamic beliefs and Christian beliefs While this book does accomplish that it takes a step further using the verses of the Quran to show more than just similarity of beliefs It shows that Muslims believe in Jesus and according to their scriptures believe in following Christ It shows that they believe the Christian churches of the time were following apostate beliefs The people of Islam were awaiting

the restoration of all Truths as taught by all prophets including Jesus Christ There are many who do not realize the sheer number of references to Christ that exist in the Quran Nor do many realize the teachings about the council in heaven the creation the occurrences in the Garden of Eden the need for prophets the miraculous conception of Jesus Jesus restoration of the true religion miracles performed by him his resurrection and ascension the apostasy the prophecies of other chosen people and scriptures another restoration and more prophets yet to come as taught in the verses of the Quran This work should be if not intriguing at least enlightening for every reader no matter what their religious background or beliefs Some alternate spellings for Quran are koran and quran

Prophet Muhammad (Peace Be Upon Him) in the Bible Dr. S.M. Mohiuddin Habibi, Syed Ahsan Habibi, 2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally arrived on the stage of the history The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by ALLAH the One True God as a signpost for the honest and noble readers The seekers of truth Be certain of the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments Likewise the Far East Indian scriptures never failed to mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood In the light of the above facts how could a man of wisdom escape from this overwhelming thought Or will he still deny this truth Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord Therefore believe it is better for you But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth ALLAH is ever Knower Wise 4 170
