Evangelical Dictionary of Theology Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics South Asia Bible Commentary Zondervan, 2015-10-06 A one volume commentary written and edited by South Asian Biblical scholars on all the books of the Bible For the purposes of this commentary South Asia was defined as the SAARC countries namely India Sri Lanka Nepal Bangladesh Pakistan Bhutan and the Maldives The contributing scholars from these countries addressing these countries specific concerns have adopted the following key principles Integrity Articles are written within the confines of the Lausanne Covenant and all contributions are in line with and support the confessional direction of the Lausanne Covenant Interpretation The commentary offers readers a contextual and readable guide interpreting the biblical text section by section rather than delving too deeply into critical and exegetical details South Asian All authors are scholars writing from within their own contexts for the people of South Asia The focus of this commentary is three fold exegetical contextual and applied Articles explain the meaning of the text relate that meaning to the context and apply it to wider life and ministry Understanding what the Bible teaches book by book The following features are specifically designed to help you as you study each book of the Bible Introduction to each book sketches the context and main themes of the book and its relevance to South Asia Outline shows the structure of the book and can help to identify preaching topics Subheadings break the book up into manageable portions Bold references highlight verses being discussed and help you find your place quickly Italics identify quoted verses being discussed at that point in the commentary Applications are built into the text in many places Further reading each of the authors suggest other commentaries you could consult *The Holy Spirit in the New Testament* William A. Simmons, 2021-10-26 With an ever increasing number of Christians worldwide self identifying as Pentecostal or charismatic the church needs a Spirit centered interpretation of Scripture informed by a Pentecostal lens In this accessible New Testament introduction each chapter explores the presence of the Spirit in a biblical book then offers devotional applications to help readers respond to the text **The Doctrine of the Holy Spirit** Yacob Godebo, 2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality

and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit s presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha

Prophecy Ernest B. Gentile,1999-06-01 A thorough yet practical study that shows how the biblical gift of prophecy can build up today s churches and individual Christians A Biblical-Theological Introduction to the New Testament Michael J. Kruger,2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New

Testament with clarity and insight **A Dictionary of Christ and the Gospels: Aaron-Knowledge** James Hastings, John Alexander Selbie, John Chisholm Lambert, 1906 **Divine Marriage from Eden to the End of Days** Andre Villeneuve, 2021-10-12 In *Divine Marriage from Eden to the End of Days* Andre Villeneuve explores the mystery of God's love in the Bible and ancient Jewish tradition Scripture portrays the covenant between God and his people as a divine human marriage spanning through all of human history For the ancient Jewish interpreters God married humanity at the dawn of creation in the Garden of Eden but the union was broken by human sin The Lord restored the relationship when he betrothed Israel at Mount Sinai yet the covenant was wounded again with the transgression of the golden calf The nuptial bond was healed anew commemorated and reenacted through liturgical worship in Israel's tabernacle and temple This worship in God's nuptial chamber in turn anticipated the ultimate fulfillment of the divine human marriage in the messianic age at the end of history The first part of the book explores the marriage through Israel's biblical history in light of ancient Jewish exegesis The second part unveils the marriage in the ancient interpretation of the Song of Songs and in wisdom literature The third part reveals how the same symbolism is taken up in the New Testament and applied to the marriage between Christ and the Church **The Holy Spirit and Spiritual Gifts** Stephen J. Binz, 2007-03 The Holy Spirit the Spirit of Jesus dwells among us and showers us with spiritual gifts Here Stephen Binz has chosen key biblical texts to help readers discover how to rekindle the fire of the Holy Spirit and allow God's Spirit to manifest these divine graces and spiritual gifts more richly within them He shows how the same Spirit who inspired the prophets and evangelists and who filled the life of Jesus now blows within and among all God's people **Christian Fruit--Jewish Root** John D. Garr, 2015-04-13 *Christian Fruit Jewish Root* is an in depth scholarly examination of the Hebraic foundations of the major tenets and practices of Christianity This volume confirms the truth that the inherent Jewishness of the Christian faith is simply an undeniable historical and theological fact By evaluating Christian doctrine and polity through the Jewish mindset of Jesus and the apostles this book uncovers a veritable treasure of Hebraic truth For every authentic Christian fruit there is a Jewish root This truth is demonstrated across a wide spectrum of theological truth including Scripture Messiah Salvation Faith Baptism Gospel Grace and Discipleship Christianity owes a profound debt of gratitude to the Jewish people and to biblical and Second Temple Judaism for the foundations of the truths and practices that it holds dear As you read this challenging informative and inspirational book you will be amazed at just how Jewish Christianity the other Jewish religion actually is *An Unshakeable Kingdom* David Gooding, 2013-01-01 Just before his execution Jesus Christ invited his disciples to join him at a borrowed house in Jerusalem to celebrate the Passover As he faced betrayal arrest and crucifixion he taught them about the very heart of the Christian faith namely holiness When the time came to leave the house he continued his teaching As they made their way through darkened streets that were filled with hostility to him he spoke of how he would empower them to be his witnesses in a world that would often hate them too Jesus was the teacher the disciples were his pupils It was the school of Christ David Gooding's exposition reveals the

significance of the lessons Jesus taught inside the upper room chs 13 14 their connection to the lessons taught outside in the streets chs 15 16 and how both parts of this course on holiness relate to the Teacher's prayer to his Father ch 17 With a scholar's care for the text of Scripture he expounds both the devotional richness and the practical nature of the lessons He shows that to understand Christ's teaching on holiness is to know his power to change lives A God of Many Understandings? Todd Miles, 2010 A thoughtful Christian theology of religions that emphasizes the no compromise importance of faith in Jesus Christ and the Holy Spirit in relation to others beliefs **Romans** Jack Cottrell, 2005 *The Messianic Matrix* Loren W Caudill, 2006-10 The Messianic Matrix is a thrilling journey of theological concepts that define the Pentecostal experience It is a ground breaking and sweeping endeavor that utilizes the best of modern scholarship Finally in this exciting redefinition of baptism in the Spirit Loren Caudill has produced a fascinating theology of Pentecost that is at once complex and compelling Reaching into modern scholarship and his Pentecostal experience the author lifts the veil on ultimate reality and its relationship to Spirit Baptism and to the heavenly places in Christ For the first time in modern history definitions of New Testament terms like born again new creation and yes even the term Christian are defined from within their original Pentecostal settings The reader will sense a fresh wind of excitement as the traditional concepts of eternal life the kingdom of God water baptism the mystery of Christ the church and of believers inheritance are scrutinized Just as believers in mass have become fatigued of church as usual The Messianic Matrix offers Pentecostals and Fundamentalists alike a new and biblical paradigm for life together in Christ Evangelical Magazine and Missionary Chronicle, 1875

The Church of Christ Everett Ferguson, 1996 By systematically examining the New Testament's teaching Ferguson unveils a comprehensive model of the church that is both biblically centered and relevant to a world on the verge of the twenty first century
