Brazil Is the New America James Dale Davidson, 2012-07-31 Look to Brazil for safe stable investments As the future of the American economy seems to get bleaker by the day it is tempting to look abroad for business opportunities Europe and Asia don't provide much hope but what about somewhere that's both closer to home and sunny year round In Brazil is the New America How Brazil Offers Upward Mobility in a Collapsing World James D Davidson shows that the current financial situation in Brazil is a haven for those looking to make money in a world in turmoil With a population just 62 percent the size of that of the US Brazil has added 15 023 633 jobs over the past eight years while the US has lost millions In a world burdened by bankrupt governments and aging populations Brazil is solvent with two people of working age for every dependent In a world of Peak Oil Brazil is energy independent with 70 billion barrels of oil 60% of the world's unused arable land and 15% of its fresh water Comparatively non leveraged and with significant room for growth and expansion as well as vast natural resources Brazil is a haven of opportunity Written by James D Davidson the editor publisher of Strategic Investment and cofounder of Agora and the media outlet Newsmax Brazil is the New America details How the original America now embodies the brightest hope for realizing the American Dream while the Old America is headed for a dramatic decline in the standard of living Investment opportunities not only for those willing to relocate but anyone who can consider investing there The cost structure of employment in Brazil versus the United States Brazil has already learned its lesson about the dangers of inflation Cash has taken the place of credit and high interest rate returns are now the norm

The Disciples' Prayer Jeffrey B. Gibson, 2015-06-01 What are Christians praying when they pray the Lord's Prayer and what relationship does it have with Jesus' own context Jeffrey B Gibson disputes the view that Jesus' prayer was derived from Jewish synagogal prayers Understanding its intent requires understanding Jesus' purpose in calling disciples as witnesses against this generation In context the prayer was not eschatological and was not aimed at calling down into the present the realities of the age to come Rather it was meant to protect disciples from the temptations of their age
