The House by the Brook Renée Newman, 1995 **The House in the Woods** Zoe Miller, 2021-10-14 Shimmers with suspense and intrigue from the very first page If you enjoy novels by Adele Parks Clare Mackintosh and Lisa Jewell this book is for you Sunday Independent Packed with memorable and superbly drawn characters this engaging mystery copperfastens Zoe Miller's mastery of the art of sinuous plotting Irish Independent When actress Evie Lawrence is injured in a shocking hit and run accident she wants nothing more than to retreat to her woodland home in Wicklow to recover But when she's forced to admit that she needs help she reluctantly opens up her solitary life to allow her grand niece Amber practically a stranger to move into Heronbrook to take care of her Evie who has been estranged from her sister's family for many years vows to keep Amber at a distance so her secrets and the truth of what happened at Heronbrook years ago stay buried Amber is initially preoccupied with the recent implosion of both her career and her love life the details of which she's keeping to herself but soon becomes very curious about the rift in her family And when unsettling incidents begin to make Evie's secluded home feel less peaceful and more dangerously isolated Amber starts to suspect that what happened to Evie wasn't an accident at all and the person responsible still has Evie in their sights But can Amber persuade Evie to confront the past and get to the truth before it's too late

The House Where the Hardest Things Happened Kate Young Caley, 2002-07-23 Fusing an intimate memoir with an outspoken critique of organized religion's failure to welcome all into its community The House Where the Hardest Things Happened is the moving story of one woman's search for a sense of belonging Growing up in a small town in New Hampshire Kate Young Caley attends a strong community church where everyone is treated like family members selflessly help one another and all the kids are made to feel special Then suddenly everything changes Her father is hospitalized for many months and her mother is forced to take a job as a waitress to support the family But the job requires Kate's mother to serve alcohol which goes against the church's covenant and the family banned from attending services soon finds itself emotionally ostracized from the community In The House Where the Hardest Things Happened Caley recounts the hurt and confusion she felt as a young girl and her long search for a religious community that would comfort her spiritually support her emotionally and respect her intellectual

ideals As she chronicles her journey she candidly discusses her problems with the way the Christian faith is expressed and with the people who lay claim to it Her exploration of religious teachings on homosexuality is especially powerful as she explains why she is unwilling and unable to deny the love she has for her gay brother At once the story of a family profoundly transformed by tragedy and an incisive exploration of the meaning of spirituality *The House Where the Hardest Things Happened* will appeal to readers of Joyce Carol Oates's *We Were the Mulvaney's* and Anne Lamott's *Traveling Mercies* Beautifully written it brings to life Caley's inspiring determination to reclaim her right to practice her beliefs the most basic human right of all
