assuming the responsibilities Lily Bart beautiful witty and sophisticated is accepted by old money and courted by the growing tribe of nouveaux riches But as she nears thirty her foothold becomes precarious a poor girl with expensive tastes she needs a husband to preserve her social standing and to maintain her in the luxury she has come to expect Whilst many have sought her something fastidiousness or integrity prevents her from making a suitable match *The House of Mirth Illustrated* Edith Wharton, 2020-11-20 Lily Bart a beautiful but impoverished socialite is on her way to a house party at Bellomont the country home of her best friend Judy Trenor Her pressing task is to find a husband with the requisite wealth and status to maintain her place in New York society Additional challenges to her success are her advancing age at twenty nine she has been on the marriage market for more than ten years her penchant for gambling at bridge that has left her with debts beyond her means to pay and her efforts as part of upper crust society to keep up appearances with her wealthy friends Lily's choices are further complicated by her innermost desire to marry for love as well as money and status and her longing to be free of the claustrophobic constrictions and routines of upper crust society Judy has arranged for her to spend more time in the company of Percy Gryce a potential suitor who is wealthy but whom Lily finds boring Lily grew up surrounded by elegance and luxury an atmosphere she believes she cannot live without as she has learned to abhor dinginess The loss of her father's wealth and the death of her parents left her an orphan at twenty Lacking an inheritance or a caring protector she adapts to life as a ward of her strait laced aunt Julia Peniston from whom she receives an erratic allowance a fashionable address and good food but little direction or parenting Lily despises her aunt Julia and avoids her whenever possible while simultaneously relying on her for both necessities and luxuries In the opening sentence of the House of Mirth Edith Wharton places Lily in Grand Central Station i where Selden a friend and possible love interest is taken by surprise to see her 1 Threats to Lily's reputation exist because of her tendency to push the limits of polite and acceptable behavior On the way to visit Bellomont she impulsively accompanies Selden during her two hour wait for the change of trains to his Manhattan flat in the Benedick Building On leaving the building she encounters Mr Rosedale a Jewish businessman known to her set and the owner of the building Attempting to cover the appearance of an indiscretion she worsens the situation by telling Rosedale she had been consulting her dress maker j This obvious lie is the first of a series of faux pas Lily gets caught up in As she makes an effort to explain away the social chances she takes she becomes easy prey for her enemies to misrepresent her intention and behavior Near the week's end the tall handsome and engaging Lawrence Selden unexpectedly shows up at Bellomont Having already failed to meet Percy for morning church services and fully aware that Lawrence has just ended an illicit relationship with the married but vindictive Bertha Dorset Lily chooses to go for a long walk with Lawrence and to spend the afternoon with him instead of with Percy or the rest of the party Even though Lily has already made it clear to Selden during their t t t e in his flat that she looked at him as that friend who won't be afraid to say disagreeable things to her k she becomes drawn to him romantically Succumbing to her agreeable femininity Selden begins to fall in love with Lily He feels safe in nurturing

an emotional attachment to her because she clearly states that she cannot and will not marry a man of his modest means Fresh out of his four year affair with Bertha Dorset Lawrence begins to slide into another emotional attachment with the equally unavailable Lily The House of Mirth Edith Wharton,2013-02-17 Book Jacket Status Jacketed Introduction by Pamela Knights In The House of Mirth Edith Wharton depicts the glittering salons of Gilded Age New York with precision and wit even as she movingly portrays the obstacles that impeded women s choices at the turn of the century The beautiful much desired Lily Bart has been raised to be one of the perfect wives of the wealthy upper class but her spark of character and independent drive prevents her from becoming one of the many women who will succeed in those circles Though her desire for a comfortable life means that she cannot marry for love without money her resistance to the rules of the social elite endangers her many marriage proposals As Lily spirals down into debt and dishonor her story takes on the resonance of classic tragedy One of Wharton s most bracing and nuanced portraits of the life of women in a hostile highly ordered world The House of Mirth exposes the truths about American high society that its denizens most wished to deny *The House of Mirth* Edith Wharton,2021-03-24 The House of Mirth is a 1905 novel by American author Edith Wharton It tells the story of Lily Bart a well born but impoverished woman belonging to New York City s high society around the end of the 19th century
