The House Of Mirth:

The House of Mirth Edith Wharton, 2002 First published in 1905 the House of Mirth portrays the moral social and economic constraints on a woman who dared to claim the privileges of marriage without assuming the responsibilities

The House of Mirth Edith Wharton, 2007-12-26 In The House of Mirth Edith Wharton depicts the glittering salons of Gilded Age New York with precision and wit even as she movingly portrays the obstacles that impeded women's choices at the turn of the century The beautiful much desired Lily Bart has been raised to be one of the perfect wives of the wealthy upper class but her spark of character and independent drive prevents her from becoming one of the many women who will succeed in those circles Though her desire for a comfortable life means that she cannot marry for love without money her resistance to the rules of the social elite endangers her many marriage proposals As Lily spirals down into debt and dishonor her story takes on the resonance of classic tragedy One of Wharton's most bracing and nuanced portraits of the life of women in a hostile highly ordered world The House of Mirth exposes the truths about American high society that its denizens most wished to deny With an introduction by Pamela Knights [The House of Mirth](#) Edith Wharton, 1997-07 Social and romantic misfortunes of a socially prominent woman in New York [The House of Mirth](#) Edith Wharton, 1993-05-01 A black comedy of manners about vast wealth and a woman who can define herself only through the perceptions of others The beautiful Lily Bart lives among the nouveaux riches of New York City people whose millions were made in railroads shipping land speculation and banking In this morally and aesthetically bankrupt world Lily age twenty nine seeks a husband who can satisfy her cravings for endless admiration and all the trappings of wealth But her quest comes to a scandalous end when she is accused of being the mistress of a wealthy man Exiled from her familiar world of artificial conventions Lily finds life impossible For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators [The House of Mirth \(Annotated\)](#) Edith Wharton, 2021-01-27 The House of Mirth 1905 Edith Wharton is a novel about New York socialite Lily Bart attempting to secure a husband and a place in rich society It is one of the first novels of manners in American literature **The House of Mirth by Edith Wharton** Edith Wharton, 2020-10-19 The House of Mirth 1905 a novel by Edith Wharton 1862 1937 tells the story of Lily Bart a well born but impoverished woman belonging to New York City's high society around the turn of the last century Wharton creates a portrait of a stunning beauty who though raised and educated to marry well both socially and economically is reaching her 29th year an age when her youthful blush is drawing to a close and her marital prospects are becoming ever more limited The House of Mirth traces Lily's slow two year social descent from privilege to a tragically lonely existence on the margins of society In the words of one scholar Wharton uses Lily

Wharton,2022-09-20 An impoverished member of the privileged Old New York society Lily Bart is beautiful and socially agreeable yet she has almost reached the age of thirty a dangerous threshold for a young woman and is still unmarried Now she is desperate to secure a wealthy husband to confirm her status in society but her penchant for gambling at cards her reduced circumstances her determination to marry for love and the constant gossip she attracts from malevolent tongues through her heedless behaviour and her constant social faux pas make her prospects look bleak As suitor after suitor appears and fades away and she is drawn further and further down into a spiral of debt and unhappiness she realizes that she is just one step away from losing everything she has Published in 1905 to immediate critical and commercial success The House of Mirth is perhaps Edith Wharton's most popular work a brilliant evocation of the economic and social changes wrought by the Gilded Age which transcends the novel of manners as well as a universal satire on the constraints and follies of upper crust conventions *The House of Mirth* Diamond Classics,Edith Wharton,2020-10-19 The House of Mirth 1905 a novel by Edith Wharton 1862 1937 tells the story of Lily Bart a well born but impoverished woman belonging to New York City's high society around the turn of the last century Wharton creates a portrait of a stunning beauty who though raised and educated
