drowning with musical thunders the hum of conversation and the clatter of plates Yet neither his apish demeanor nor the deafening noises that responded to every movement of his agile body detracted attention from the figure of Reginald Clarke and the young man at his side as they smilingly wound their way to the exit The boy s expression was pleasant with an inkling of wistfulness while the soft glimmer of his lucid eyes betrayed the poet and the dreamer The smile of Reginald Clarke was the smile of a conqueror A suspicion of silver in his crown of dark hair only added dignity to his bearing while the infinitely ramified lines above the heavy set mouth spoke at once of subtlety and of strength Without stretch of the imagination one might have likened him to a Roman cardinal of the days of the Borgias who had miraculously stepped forth from the time stained canvas and slipped into twentieth century evening clothes With the affability of complete self possession he nodded in response to greetings from all sides inclining his head with special politeness to a young woman whose sea blue eyes were riveted upon his features with a look of mingled hate and admiration Source Wikipedia
