The House on Henry Street Lillian D. Wald, 1924 *The House on Henry Street* Lillian D. Wald, 1927 House On Henry Street Wald Lillian D., 1901 The House on Henry Street Lillian D Wald, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1915 edition Excerpt cumulative knowledge is probably the more valuable because it is obtained incidentally and naturally and not as the result of a special investigation which however fair and impartial must be somewhat affected by the consciousness of its purpose In 1899 a law was passed in New York State licensing individual workers in the tenements for certain trades In 1904 this law was superseded primarily at the instigation of the settlement by one licensing the entire tenement house thus making the owner of the house responsible In 1913 a law recommended by the New York State Factory Investigating Commission was passed by the legislature this law brought under its jurisdiction all articles manufactured in the tenements prohibited entirely the home manufacture of food articles dolls or dolls clothing children s or infants wearing apparel and forbade the employment of children under fourteen on any articles made in tenements All our experience points to the conclusion that it is impossible to control manufacture in the tenements Restrictive legislation such as the law forbidding the employment of children under fourteen is practically impossible of enforcement for it is a delusion to suppose that any human agency can find out what manufactures are going on in tenement house homes The inspectors become known in the various neighborhoods and at their approach the word is passed along and garments on which women are working may be hidden or the work taken from children s hands The more painstaking and conscientious the attempts at enforcement the more secretive the workers become and one is forced to the conclusion that the only practical remedy is to prohibit this parasitic form of industry outright More of the men in these **The House on Henry Street** Lilian D. The House on Henry Street Ellen Snyder-Grenier,2020-06-16 Chronicles the sweeping history of the storied Henry Street Settlement and its enduring vision of a more just society On a cold March day in 1893 26 year old nurse Lillian Wald rushed through the poverty stricken streets of New York s Lower East Side to a squalid bedroom where a young mother lay dying abandoned by her doctor because she could not pay his fee The misery in the room and the walk to reach it inspired Wald to establish Henry Street Settlement which would become one of the most influential social welfare organizations in American history Through personal narratives vivid images and previously untold stories Ellen M Snyder Grenier chronicles Henry Street s sweeping history from 1893 to today From the fights for public health and immigrants rights that fueled its founding to advocating for relief during the Great Depression all the way to tackling homelessness and AIDS in the 1980s and into today Henry Street has been a champion for social justice Its powerful narrative illuminates larger stories about poverty and who is worthy of help immigration and migration and who is welcomed human rights and whose voice is heard For over 125 years Henry Street Settlement has survived in a changing city and nation because of its ability to change with the times because of the ingenuity of its guiding principle that by bridging divides of class culture and race we could create a more equitable world and because of the persistence of poverty racism and income disparity that it has pledged to confront This makes the story of Henry Street as relevant today as it was more than a century ago The House on Henry Street is not just about the challenges of overcoming hardship but about the best possibilities of urban life and the hope and ambition it takes to achieve them
