from living in the streets to become a successful entrepreneur The book is in the classic Coming of Age tradition and proves that though life can be ugly and brutal even the most disadvantaged can overcome the odds and find happiness their own Hope Street The narrative steps along and rings with authenticity it s often sad shocking but ultimately uplifting and motivational Scroll up and grab a copy today **527 Hope Street** Victoria Best,2012-04-18 This story is about several peoples journey of faith It was in a time where the whole country was being tested The division between the haves and have not was wide The country was wedged between economic crisis and war Even the atmosphere seemed to be against the country causing the mighty dust bowl due to lack of rain and drought The people in this story had different paths to take to gain faith but somehow an invisible force bought them together in a town The town was like nothing any of them had experienced almost too good to be true In one woman a seed was planted and through her it grew and wove toward the various new folks in town Together they built a church A few of them couldnt believe what they were a part of but there it was the church Someone was sent you might say to watch over the progress At the opening service they were dumbstruck when this person made an appearance They had indeed found faith and ironically the very address was a clue **The**
