The House That Dripped Blood:

The House That Dripped Blood , *Amicus - The Studio That Made Us Scream and Scream Again* Thomas Baxter,2024-02-27 Amicus The Studio That Made Us Scream and Scream Again offers an entertaining and affectionate overview of the legacy of this beloved studio and the films they produced In the concluding chapter we shall also look at the work Milton Subotsky and Max Rosenberg did after Amicus folded So open that decanter of brandy make sure there aren't any voodoo dolls or disembodied hands lying around stay out of those catacombs lock the doors lest an escaped maniac dressed as Father Christmas be lurking watch out for the Werewolf Break and prepare to enter the spooky mysterious eclectic and wonderful world of Amicus Productions The House that Dripped Blood Robert Bloch,1970 An anthology of four horror stories revolving around a mysterious rental house in the U K IMDb **Wax Museum Movies** George Higham,2020-10-16 Spanning over a century of cinema and comprised of 127 films this book analyzes the cinematic incarnations of the uncanniest place on earth wax museums Nothing is as it seems at a wax museum It is a place of wonder horror and mystery Will the figures come to life at night or are they very much dead with corpses hidden beneath their waxen shells Is the genius hand that molded them secretly scarred by a terrible tragedy longing for revenge Or is it a sinner's sanctum harboring criminals with countless places to hide in plain sight This chronological analysis includes essential behind the scenes information in addition to authoritative research comparing the creation of real wax figures to the reel ones seen onscreen Publicly accessible or hidden away in a maniac's lair wax museums have provided the perfect settings for films of all genres to thrillingly play out on the big screen since the dawn of cinema Xerox Ferox John Szpunar,2013-10-08 A scene that influenced generations of writers filmmakers and fans XEROX FEROX is the first book to cover the horror film fanzine and the culture it spawned From Famous Monsters of Filmland to Fangoria and everything in between XEROX FEROX is much more than a book about monster magazines It examines the home grown DIY fanzines that dared to dig deeper than the slick and shiny newsstand mags ever would or indeed even could The titles are as lurid as the films that they covered Gore Gazette Deep Red Sleazoid Express Before message boards before blogs before the Internet itself the fanzine reigned as the chief source of news and information for horror fans worldwide Often printed on the cheap and sold for the price of postage madcap and irreverent mags like Slimetime Subhuman and Shock Xpress travelled the globe creating a thriving network of fans and professionals alike XEROX FEROX traces the rise of the horror film fanzine from the Famous Monster starved kids of the 1960s to the splatter crazed gorehounds that followed Featuring in depth interviews with fifty writers editors and industry pros XEROX FEROX is the final word on an era that changed the world of fandom forever Hosted Horror on Television Bruce Markusen,2021-07-30 In October 1957 Screen Gems made numerous horror movies available to local television stations around the country as part of a package of films called Shock Theater These movies became a huge sensation with TV viewers as did the horror hosts who introduced the films and offered insight often

humorous into the plots the actors and the directors This history of hosted horror walks readers through the best TV horror films beginning with the 1930s black and white classics from Universal Studios and ending with the grislier color films of the early 1970s It also covers and explores the horror hosts who presented them some of whom faded into obscurity while others became iconic within the genre

The Trunk Dripped Blood Mark Grossman,2018-01-12 A trunk dripping blood discovered at a railway station in Stockton in 1906 launched one of the most famous murder investigations in California history still debated by crime historians In 1913 the dismembered body of a young pregnant woman found in the East River was traced back to her killer and husband who remains the only priest ever executed for homicide in the U S In 1916 a successful dentist recently married into a prestigious family poisoned his in laws first with deadly bacteria then with arsenic claiming the real murderer was an Egyptian incubus who took control of his body Drawing on court transcripts newspaper coverage and other contemporary sources this collection of historical American true crime stories chronicles five murder cases that became media sensations of their day making headlines across the country in the decades before radio or television

Miller,2016-05-01 The career of Christopher Lee has stretched over half a century in every sort of film from comedy to horror and in such diverse roles as the Man With the Golden Gun Frankenstein s monster Fu Manchu and Sherlock Holmes From Corridor of Mirrors in 1948 to Star Wars Episode II Attack of the Clones in 2002 this reference book covers 166 theatrical feature films all production information full cast and crew credits a synopsis and a critical analysis with a detailed account of its making and commentary drawn from some thirty hours of interviews with Lee himself Two appendices list Lee s television feature films and miniseries and his short films The work concludes with an afterword by Christopher Lee himself Photographs from the actor s private collection are included

American International Pictures Rob Craig,2019-03-05 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company

The Monstrous-Feminine Barbara Creed,2015-09-04 In almost all critical writings on the horror film woman is conceptualised only as victim In *The Monstrous Feminine* Barbara Creed challenges this patriarchal view by arguing that the prototype of all definitions of the monstrous is the female reproductive body With close reference to a number of classic horror films

including the Alien trilogy T *A Year of Fear* Bryan Senn,2015-03-26 This eclectic overview of horror cinema offers up a collection of horror films for practically any occasion and literally every day of the year For example the author recommends

commemorating United Nations Day October 24 with a screening of *The Colossus of New York* whose startling climax takes place at the U N Building Each day by day entry includes the movie title production year plot summary and critique along with a brief explanation of how the film fits into the history of that particular day and interesting anecdotes on the film s production

Body Genre David Scott Diffrient,2023-11-27 In this groundbreaking work author David Scott Diffrient explores largely understudied facets of cinematic horror from the various odors permeating classic and contemporary films to the wetness sliminess and stickiness of these productions which he argues practically scream out for a tactile mode of textural analysis as much as they call for more traditional forms of textual analysis Dating back to Carol Clover s and Linda Williams s pioneering work on horror cinema film scholars have long conceptualized this once disreputable category of cultural production as a body genre However despite the growing recognition that horror serves important biological and social functions in our lives scholars have only scratched the surface of this genre with regard to its affective corporeal and sensorial appeals Diffrient anatomizes horror films in much the same way that a mad scientist might handle the body separating and recombining constitutive parts into a new analytical whole Further he challenges the tendency of scholars to privilege human over nonhuman beings and calls into question ableist assumptions about the centrality to horror films of sight and sound to the

near exclusion of other forms of sense experience In addition to examining the role that animals living or dead real or fake play in human centered fictions this volume asks what it means for audiences to consume motion pictures in which actors stunt performers and other creative personnel have put their own bodies and lives at risk for our amusement Historically grounded and theoretically expansive *Body Genre Anatomy of the Horror Film* moves the study of cinematic horror into previously uncharted waters and breathes life into a subject that not coincidentally is intimately connected to breathing as our most cherished dividing line between life and death
