God as Love Johannes M. Oravec, 2014-04-19 Nineteenth and twentieth

century Russian religious intellectuals devoted a great deal of attention to the concept of agape or Divine Love arguing that the Christian church is a reflection of the triune self sacrificing God and his love for all of creation On account of their deliberations these intellectuals played a key role in mediating between the Orthodox Church and modern society Their quest for dialogue between the mystery of the sacred and the ordinary of everyday life remains relevant for Western societies today In God as Love Johannes Oravec presents a comprehensive summation of twenty five prominent Russian religious thinkers and their thought on the concept of agape showing in detail how they broke new ground in their various affirmations of the truth that God is love No other book in any language treats this topic with such breadth and depth **The Power of Love**

Bishop Michael Curry,2018-10-30 Love is the way Love is the only way Those who follow in my way follow in the way of unconditional unselfish sacrificial love And that kind of love can change the world Bishop Michael Curry Two billion people watched Bishop Michael Curry deliver his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle now the Duke and Duchess of Sussex at Windsor Castle Here he shares the full text of the sermon plus an introduction and four of his favorite sermons on the themes of love and social justice The world has met Bishop Curry and has been moved by his riveting hopeful and deceptively simple message love and acceptance are what we need in these strange times **Luminescence, Volume 3** C. K. Barrett,Fred Barrett,2018-05-04 What is found in this series unveils an entirely

different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley s sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one s tradition and theology The sermons in these volumes demonstrate what such preaching can look like This third volume presents sermons from both the Old Testament and the New Testament [A Brief History of Love](#) Liat Yakir,2024-02-13 Is love about chemistry or do

biology evolution and psychology all have a part to play Love is one of the most complex and confusing emotions in the human experience It consumes so much of our lives and yet we don t truly understand it what it is on a biological chemical and evolutionary level This book takes you on a fascinating journey to explore the science of love looking closely at the interplay between genes hormones emotions and relationships Discover everything you need to know about why you are attracted to certain people the brain s role in your emotions how to pick the one and how to preserve that love over time Learn how to have better healthier and more loving relationships by understanding the inner workings of love in your body

Works of Love Robert L. Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love

ourselves a far cry far instance from Diotoma's ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded

The Word of Love Stephen Elkins-Williams, 2015-08-07 Stephen Elkins Williams had the extraordinary good fortune to preach in the same pulpit for 30 years and it was equally fortuitous for generations of parishioners at the Chapel of the Cross in the vibrant university community of Chapel Hill North Carolina Guiding his listeners through a thorough grasp of scripture as well as personal insight and lively storytelling his preaching also reflects a keen understanding of his place in the leadership lineage of a 170 year old parish Stephen made the Chapel of the Cross a trusted leader among churches in a caring giving and activist community and a source of inspiration comfort and teaching to young minds and hearts on a college campus In the words of a long time associate When Steve preaches I always learn something that changes my understanding of God and or the practice of faith Stephen joined the Society of Jesus while completing his studies toward degrees in philosophy and divinity and was ordained a Catholic priest in 1975 He soon realized that God's purposes for his life were changing he left the Jesuits and was received as an Episcopal priest in 1982 He arrived in Chapel Hill that year as associate for parish ministry and was chosen rector three years later Here are more than 80 of his sermons that bring ancient liturgy thoroughly alive to a modern faith community

Anderson,2023-09-15 Leonard Cohen and the Apostle Paul might be imagined as brothers with wildly different characters but a strong family resemblance Paul the elder sibling was awkward abrasive and zealous Leonard the successful younger brother was a smooth talking romantic prone to addiction and depression Paul died a martyr not knowing his words would have any effect on the world Leonard could see his canonization within his lifetime Yet each became a prophet in his own time and a poet for the ages In *Prophets of Love* Matthew Anderson traces surprising connections between two Jewish thinkers separated by millennia He explores Leonard s and Paul s mysticism their Judaism their fascination with Jesus their countercultural perspectives on sex their ideas about love and how they each embodied being men Anderson considers their ambiguous relationships with women on whom they depended and from whom they often profited as well as how their legacies continue to evolve and be re interpreted This book emphasizes that Paul was first and foremost a Jew and never rejected his Judaism At the same time it sheds new light on the biblical worldviews and language underlying and inspiring every line of Cohen s poetry *Prophets of Love* alters our views of both Leonard Cohen and the Apostle Paul re introducing us to two poetic prophets of divine and human love *The Odyssey of Love* Paul Krause,2021-07-08 Tolle Lege take up and read These words from St Augustine perfectly describe the human condition Reading is the universal pilgrimage of the soul In reading we journey to find ourselves and to save ourselves The ultimate journey is reading the Great Books In the Great Books we find the struggle of the human soul its aspirations desires and failures Through reading we find faces and souls familiar to us even if they lived a thousand years ago The unread life is not worth living and in reading we may well discover what life is truly about and prepare ourselves for the pilgrimage of life **The Evolution of Love** Sheldon W. Liebman,2021-04-06 This book an examination of Judaism as it evolved over a period of approximately 1 500 years is an analysis of the Hebrew Bible and other ancient Jewish writings with special emphasis on theology and morality By the middle of the first millennium with the writing of Deuteronomy the Psalms and the works of the prophets Judaism had embraced the idea that God is a compassionate father that His relationship with His people is based on love rather than fear and that His response to their commission of sins is based on the assumption that they are capable of repentance and worthy of forgiveness In the final stage of its development culminating in the first and second centuries AD Judaism was understood to require its adherents to enact the will of God specifically to establish a community based on political economic and social laws that enforce the principles of justice and mercy And that process came to be seen as inevitably dependent on human agency the need for human beings to fulfill God s commandments In Judaism loving neighbors and strangers came to be understood as the principal and for many Jews the only way of loving God Heaven's Song: Sexual Love As It Was Meant to

Be Christopher West,2014-06-26 Heaven s Song is a journey through the hidden talks of St John Paul II s Theology of the Body These undelivered addresses recently discovered in the Vatican archives contain St John Paul II s unedited reflections on the love poetry of the Song of Songs and the Old Testament marriage of Tobias and Sarah This exciting new material allows men and women in every state of life to discover the great mystery of their sexuality as God created it to be as a revelation of his own life and love If you are already familiar with St John Paul II s Theology of the Body you will delight in this new material If not this book serves as a superb introduction to St John Paul II s revolutionary teaching and is certain to whet your appetite for more **Acts of Faith, Acts of Love** Dugan McGinley,2006-04-19 McGinley uses the autobiographies of Gay men to explore the overlap between their religious and sexual identities
