The Human Side of Birds Royal Dixon,1918 The Human Side of Birds Royal Dixon,1917 *The Human Side of Birds* Royal Dixon,2015-06-26 Excerpt from *The Human Side of Birds* In the examination of some aspects and forms of life it is often best to cast aside the complex machinery of cold and calculating analysis and to look only with the eye of love and sympathy In this work it is my purpose to reject the limitations of unsympathetic research and to endeavour to see beyond formal classifications and to understand the spirit emotions and impulses in the lives of our feathered friends of the air By this means many new discoveries have been made which include a universal truth where a too minute and laborious logic would have proved a hopeless labyrinth The syllogistic method signally fails to comprehend or appreciate the real spiritual beauty of the life of other species than our own It ascribes no intelligence or spirituality even to birds and brands their most efficient activities as instinctive About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Human Side of Birds and the Human Side of Animals Royal Dixon,2014-03-29 This Is A New Release Of The Original 1917 Edition HUMAN SIDE OF BIRDS Royal 1885- Dixon,2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Human Side of Birds ...
