

The Childrens God

Graham Adams

The Children's God:

The Children's God David Heller, 1988-12-15 How do children imagine God Surprisingly few researchers have asked this question In crayon drawings doll play letters and carefully designed interviews the forty children in David Heller's study reveal a rich array of spiritual imagery Though Heller does find some differing views attributable to age gender and religious background the children were Jewish Catholic Protestant and Hindu he discovers to a surprising degree a common vision of God that cuts across ethnic and religious differences He also considers related issues of school prayer and the psychology of religion

God the Child Graham Adams, 2024-04-30 We express the mystery of God with diverse metaphors but mostly in Adult terms In this experimental theological adventure Graham Adams imagines what might flow from a more thorough being of God Aware that the Child can be idealized he selects particular characteristics of childness in order to disrupt God's omnipresence omnipotence and omniscience The smallness of the Child re-envisages divine location in sites of smallness like an open palm receiving the experiences of the overlooked The weakness of the Child reimagines divine agency as chaos event subverting prevailing patterns of power and evoking relationships of mutuality And the curiosity of the Child reconceives divine encounter as horizon seeker imaginatively and empathetically pursuing the unknown These possibilities are brought into dialogue both with other theologies Black disabled and queer and with pastoral loss economic ecological injustice and theological education Through these conversations God the Child emerges not only as a new model for God but intrinsic to God's new social reality which is close at hand

Poems to the Child-God Kenneth E. Bryant, 2024-06-14 Poems to the Child God is the first full length study in English of the verse of Surdas or Sur traditionally ranked among the three greatest poets writing in Hindi Combining introduction critical study and annotated translation in a single volume this work introduces the general reader to a major sixteenth century mystic poet best known for his lyrics in praise of the child god Krsna Krishna and proposes to both specialists and general readers a way of reading Sur's verse significantly different from that found in traditional critical approaches A general introduction provides an overview of the poet's life and time the religious and literary milieu that informed his work and the mythology associated with his chosen deity Krsna Part 1 looks closely at individual verses from the Sursagar examining the ways in which the poet manipulates the structures of language poetic convention and mythology to develop a theme central to the literature of Krsna worship the irony of incarnation It is Bryant argues the irony of a child who never stops growing beyond manhood and into godhood seldom glimpsing the still more awesome truth that he is and has always been the source and substance of the universe Part 2 presents an anthology of Sur's verse in English translation The poems have been arranged to portray the Krsna tale as Sur understood it Sectional introductions provide the reader with the classical outlines of the tale and point out where the poet made alterations or embellishments of his own A set of notes on the translations and a glossary of potentially unfamiliar terms and characters further assist the Western reader in approaching the work of a major figure in the religious and literary history of India This

title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978 **When Children Suffer** Andrew D. Lester, 1987-04-15 When Children Suffer is a collection of essays designed to help pastors Christian educators and other care givers work effectively with children in crisis This illuminating book includes background in child development and psychology as well as specific guidance for helping children who are facing difficult situations such as their parent's divorce or their own illness **The Child in the Bible** Marcia J. Bunge, Terence E. Fretheim, Beverly Roberts Gaventa, 2008-09-15 In this volume nineteen biblical scholars collaborate to provide an informed and focused treatment of biblical perspectives on children and childhood Looking at the Bible through the lens of the child exposes new aspects of biblical texts and themes Some of the authors focus on selected biblical texts Genesis Proverbs Mark and more while others examine such biblical themes as training and disciplining children and the image of God the metaphor of Israel as a child and so on In discussing a vast array of themes and questions the chapters also invite readers to reconsider the roles that children can or should play in religious communities today Contributors Reidar Aasgaard David L Bartlett William P Brown Walter Brueggemann Marcia J Bunge John T Carroll Terence E Fretheim Beverly Roberts Gaventa Joel B Green Judith M Gundry Jacqueline E Lapsley Margaret Y MacDonald Claire R Mathews McGinnis Esther M Menn Patrick D Miller Brent A Strawn Marianne Meye Thompson W Sibley Towner Keith J White **As a Child: God's Call to Littleness** Phil Steer, 2012-04-22 Beautifully written and produced Packed full of thought provoking truths A good devotional read or for anyone with a busy schedule Part serialised in Quiet Spaces the prayer and spirituality journal from BRF Jesus said I tell you the truth unless you change and become like little children These are radical words potentially life changing words Yet how many of us truly believe that we need to become like little children What might be the implications for our life and faith As a Child is an exploration of this call to childlikeness this call to littleness a call made not to children but to adults not to those who are naturally childlike but to those who have grown out of their childlike nature It is a book for all who desire to grow in their faith to enter into all that God has for us to live the life God wants us to live and to be the people God wants us to be For all are willing to respond to Jesus call and become like a little child **The Child's Story Bible** Catherine F. Vos, 1983-08-29 Hundreds of thousands of children throughout the world have been introduced to the riches of the Bible through this classic Bible storybook First published seventy years ago the much loved Child's Story Bible continues to instruct and delight today's children and parents **The Gods of Egypt** Claude Traunecker, 2001 The Gods of Egypt first published in France in 1992 and now in its third French edition is a short elegant and highly accessible survey of ancient Egyptian religion The clarity and brevity of Claude Traunecker's book make it especially valuable to readers seeking an authoritative introduction to this complex topic The Cornell edition the first English translation is enhanced by 23

illustrations Traunecker begins with an overview of the source materials and a discussion of the historiography of Egyptian religion a subject relatively neglected by scholars He then describes the actual and metaphysical worlds inhabited by the Egyptian deities and the role that humans played in the Egyptian universe Focusing especially on the diversity and number of approaches used by Egyptians to explain their world *The Gods of Egypt* offers a succinct and highly readable presentation of recent interpretations of Egyptian religion **The Child** Flix Dupanloup, 2025-06-28 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Male and Female Made in God's Image* Frances O'Dair, 2019-04-04 In this era of distorted ideas about our inherent roles identities and purposes as men and women it has never been as important that we seek reconciliation in marriage and families so there can be a more rational approach to the real problems the whole world suffers We must disseminate God's truth and extinguish the lies and myths that Satan has embedded into the hearts and minds of many people Building on these ideas in *Male and Female Made in God's Image* author Frances O'Dair offers her perspective on dating marriage and family which she believes reflects the experiences of most married couples before the sexual revolution of the 1960s She encourages men and women to reflect on the wise or self-serving natures of their past dating and mating choices If we can stop the reckless self-gratifying use of human sexuality with our children our loving direction and understanding of God's truth can set them free from the temptations that have been passed down to recent generations We must be ready to admit that sexual freedom is a myth and isn't intended for the well-being of men women children and the unborn This faith-inspired treatise explores the true source of happiness meaning and fulfilment that God has planned for everyone within the sacrament of marriage and the family circle

The Childrens God Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Childrens God has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Childrens God has opened up a world of possibilities. Downloading The Childrens God provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Childrens God has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Childrens God. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Childrens God. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Childrens God, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Childrens God has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
