Christian Preaching Michael Pasquarello III, 2011-06-28 Michael Pasquarello has written a must read book articulating a Trinitarian vision for preaching His compelling argument is richly informed by traditional biblical hermeneutics creedal history understood as storied attestation of the witness of Scripture and liturgical theology and practice considered as embodied performance of the Bible's divine narrative Here is a clear summons to the church to abandon all lesser homiletic aims and to prayerfully and faithfully proclaim the holy gospel to the glory of God Charles L Bartow Princeton Theological Seminary Like all of Michael Pasquarello's work his newest book not only upholds the classical Christian tradition but also breathes new

vitality into it In an era in which preaching is reduced to persuasive communication Pasquarello reminds us that the Christian message has a content that originates in and gives expression to the Father Son and Holy Spirit Richard Lischer Duke Divinity School One of the refreshing things about this fine book by Michael Pasquarello is that when he thinks about the ministry of preaching he is not afraid to measure the breadth historically or plumb the depths theologically Pasquarello has written this book like a good sermon faithfully thoughtfully prayerfully and with a profound word to speak We are in his debt Thomas G Long Candler School of Theology Boldly challenging homiletical accommodation to American culture Pasquarello seeks to change the subject of preaching from method and marketing to the Triune God who is the source and goal of our speech A welcome theological vision of preaching Charles L Campbell Columbia Theological Seminary Christian Preaching brings together two disciplines that have sadly grown apart such that they almost developed irreconcilable differences preaching and theology Pasquarello offers a brilliant critique of theology as technique and draws on the theology and sermons of Irenaeus Augustine Luther Wesley and others convincingly demonstrating that effective pragmatic preaching requires substantive theological engagement and vice versa This book accomplishes its purpose so well that it should be used not only in preaching courses but also in basic theology courses No preacher should be let loose on a congregation without passing through Pasquarello s Christian Preaching D Stephen Long Marquette University Mike Pasquarello III PhD University of North Carolina Chapel Hill is Granger E and Anna A Fisher Professor of Preaching at Asbury Theological Seminary He is the author of Sacred Rhetoric Preaching as a Theological and Pastoral Practice of the Church Your Memories and You Pasquale De Marco,2025-07-25 Your Memories and You A Journey into the Heart of Memory is a comprehensive guide to the fascinating world of memory In this book you will learn everything you need to know about how memory works from the science of how memories are formed to the role that memory plays in our physical and mental health Your Memories and You is packed with practical tips and advice on how to improve your memory remember more information and use your memories to live a fuller more meaningful life You will also learn about the latest research on memory and the future of memory technology Whether you are a student a professional or simply someone who wants to learn more about memory Your Memories and You is the perfect book for you This book will change the way you think about yourself your past and your future In Your Memories and You you will discover The science of how memories are formed stored and retrieved The role that memory plays in our physical and mental health The creative power of memory How to use your memories to heal to grow and to create The future of memory Your Memories and You is a journey into the heart of one of the most complex and fascinating aspects of human experience It is a journey that will change the way you think about yourself your past and your future Order your copy of Your Memories and You today and start your journey into the world of memory If you like this book write a review *Memory Verses of the Bible from A-Z* Tracy R.
