Historical Record of the Felton Bequests Alfred Felton,1922 *Old Masters Worldwide* Susanna Avery-Quash,Barbara Pezzini,2020-10-15 As a result of the Napoleonic wars vast numbers of Old Master paintings were released on to the market from public and private collections across continental Europe The knock on effect was the growth of the market for Old Masters from the 1790s up to the early 1930s when the Great Depression put an end to its expansion This book explores the global movement of Old Master paintings and investigates some of the changes in the art market that took place as a result

of this new interest Arguably the most important phenomenon was the diminishing of the traditional figure of the art agent and the rise of more visible increasingly professional dealerships firms such as Colnaghi and Agnew s in Britain Goupil in France and Knoedler in the USA came into existence Old Masters Worldwide explores the ways in which the pioneering practices of such businesses contributed to shape a changing market **Felton bequest 1968** ,1968 The International Studio Charles Holme,Guy Eglington,Peyton Boswell,William Bernard McCormick,Henry James Whigham,1916 **The Felton Bequest. Foreign Currency Volatility and the Market for French Modernist Art David Challis,2021-08-04 Foreign Currency Volatility and the Market for French Modernist Art examines how the collapse of the French franc in the decades following the First World War activated powerful push and pull economic forces that compelled French art collectors to monetise their collections while simultaneously elevating the purchasing power of international art collectors These factors are shown to have played a significant and previously under recognised role in the large scale translocation of French modernist art that radically accelerated its commercial and critical reception across the globe and positioned it at the apex of the newly established hierarchy of modern art
