## **The Female Body In Control:**

**The Female Body in Control** Mary Jean Wallace Paxton,1981-01-01      **The Female Body in Medicine and Literature** Andrew Mangham,Greta Depledge,2013-08-15 Drawing on a range of texts from the seventeenth century to the present *The Female Body in Medicine and Literature* explores accounts of motherhood fertility and clinical procedures for what they have to tell us about the development of women s medicine The essays here offer nuanced historical analyses of subjects that have received little critical attention including the relationship between gynecology and psychology and the influence of popular art forms on so called women s science prior to the twenty first century Taken together these essays offer a wealth of insight into the medical treatment of women and will appeal to scholars in gender studies literature and the history of medicine      *The Psychology of the Female Body* Jane M. Ussher,2024-03-01 First published in 1989 *The Psychology of the Female Body* examines the role of the female body in women s identity and experience She discusses how key events such as menarche menstruation pregnancy and the menopause affect women s lives and looks at the ways in which the female body and reproduction have been used to confine and control women She puts forward psychological evidence to refute many of the myths surrounding women s bodies highlighting how empirical evidence shows that contrary to what stereotypes suggest women are not victims of their biology This book will be of interest to students of psychology sociology gender studies and women s studies      *The Female Body Bible* Emma Ross,Baz Moffat,Bella Smith,2023-05-11 UNDERSTAND YOUR BODY TO EMPOWER YOURSELF FOR LIFE This book will help you create healthy habits that consider all aspects of female health at every life stage including how to harness your hormones to improve your cycle symptoms work productivity and exercise habits fuel your body to have the energy you need to smash your goals exceed your personal best for fun fitness or competition exercise safely and build strength to benefit your long term health equip you with the knowledge to manage injuries that women are more prone to than men change the language used to talk to adolescent girls about their bodies and give them the confidence to advocate for themselves confidently communicate with your health and fitness practitioners friends partners or colleagues about health issues you may be facing Merging the latest science with the combined experience of its three expert authors NHS doctor Bella Smith sports research scientist Dr Emma Ross and athletic coach Baz Moffat *The Female Body Bible* busts the myths and taboos that persist around women s bodies This isn t just a book it s a movement a call to action Every woman deserves to know more about her body and everyone regardless of their sex needs to know more about women s bodies to remove the vestiges of secrecy and shame once and for all This is the playbook of all the elements that go into getting the most out of your body and a selection of strategies that you can try to find out what works for you and your incredible body Instead of prioritising how a body looks we need to focus on how it feels and functions When we listen to our body understand how it works and embrace and nurture it health fitness and happiness will follow      **The Female Body** Ingrid Moeslein-Teising,Frances Thomson-Salo,2018-04-19 This book gathers together a

number of cutting edge contributions about the female body inside and out from a large group of psychoanalysts who are at the forefront of new thinking about issues of femininity the female body sex and gender It explores the female body in art in pregnancy and motherhood in sexuality and in the lifecycle and finally the female body as scene of crime As a result this book covers aspects of female creativity in its many aspects both productive and generative and where there are difficulties or impediments The psychoanalysts writing for this book have made an enormous contribution in the past and this book therefore aims to stimulate challenge and provoke further discussion and new advances in this field     Governing the Female Body Lori Reed, Paula Saukko, 2012-02-01 Drawing on Foucault's notion of governmentality this collection explores relations between the intimate governance of bodies and political governance The contributors offer empirically grounded yet theoretically sophisticated case studies showing how gendered racialized and socioeconomic agendas structure medical and scientific practices Developing and utilizing a poststructuralist feminist framework the chapters investigate emerging gendered discourses and practices around health such as breast cancer charities lifestyle genetic testing new reproductive technologies and the development and marketing of various psychotropic and hormonal drugs This will be a key reader for anyone interested in the social implications of cutting edge medical technologies     **The Politics of the Female Body** Ketu Katrak, 2006-02-15 Is it possible to simultaneously belong to and be exiled from a community In *Politics of the Female Body* Ketu H Katrak argues that it is not only possible but common especially for women who have been subjects of colonial empires Through her careful analysis of postcolonial literary texts Katrak uncovers the ways that the female body becomes a site of both oppression and resistance She examines writers working in the English language including Anita Desai from India Ama Ata Aidoo from Ghana and Merle Hodge from Trinidad among others The writers share colonial histories a sense of solidarity and resistance strategies in the on going struggles of decolonization that center on the body Bringing together a rich selection of primary texts Katrak examines published novels poems stories and essays as well as activist materials oral histories and pamphlets forms that push against the boundaries of what is considered strictly literary In these varied materials she reveals common political and feminist alliances across geographic boundaries A unique comparative look at women's literary work and its relationship to the body in third world societies this text will be of interest to literary scholars and to those working in the fields of postcolonial studies and women's studies     *The Seduction of the Female Body* Eva De Clercq, 2013-02-18 Drawing on the ambiguous meaning of the notion of vulnerability the book offers an innovative approach to the topic of the female body in relation to women's rights going beyond the age old dichotomy of casting women as either passive victims or conscious agents     *Decapitation and Disgorgement. The Female Body's Text in Early Modern English Drama and Poetry* Melanie A Hanson, 2012-02-13 This book brings the ideas of French feminist Hélène Cixous to bear on a number of Early Modern English texts The female characters of Mariam from Elizabeth Cary's *The Tragedy of Mariam* Lavinia from William Shakespeare's *Titus Andronicus* as well as John Milton's Eve in *Paradise Lost* and the poetic voice of

Isabella Whitney are investigated through the application of Cixous's theories of figurative decapitation and disgorgement. The author examines the creation of a unique discourse through the blending of what is stereotypically referred to as female text with male discourse which results in what Cixous would call bisexual discourse. A Brief History of the Female Body Dr. Deena Emera, 2023-08-15 From breasts and orgasms to periods, pregnancies and menopause. A Brief History of the Female Body is a fascinating science book explaining the mysteries of the female body through an evolutionary lens. Let's face it: The female body is an enigma. For teenagers first experiencing their periods, the monthly arrival of mood swings and cramps can be agonizing and inconvenient. With pregnancy, perhaps the most miraculous of bodily events, comes countless potential complications including high blood pressure, diabetes, premature birth, and postpartum depression. And menopause is equally mystifying. Why do females lose their fertility over time and experience the notorious side effects like hot flashes, weight gain, and hair loss, while males maintain their fertility forever? Evolutionary geneticist and educator Dr. Deena Emera has spent much of her career studying the evolution of female reproduction. A Brief History of the Female Body draws on her vast expertise as a biologist, her experience as a mother of four children, and her love of teaching to look far into our evolutionary past, illuminating how and more importantly why the female form has transformed over millions of years and its effects on women's health. The Female Body Breakthrough Rachel Cosgrove, 2009-11-10 The ultimate guide to strength training for sustainable fat loss, increased energy, and healthy body image for women who want to be in great shape, look amazing, and feel sexy and empowered. The key to losing fat and getting a strong, sexy body can't be found in the pages of some fancy diet book. It can't be found in a magic pill. According to strength coach Rachel Cosgrove, the key to shedding fat and keeping it off can only be found on the strength training floor. After trying and failing diet after diet, hundreds of women have turned to Cosgrove and her revolutionary Fit Female strength training program to finally get the fit, strong, and healthy bodies they've always wanted. Her clients have lost up to 70 pounds, dropped up to six dress sizes, and drastically changed their body shapes and muscle-to-fat ratios. Now any woman can get the same results with The Female Body Breakthrough. A program for every female who is tired of starving herself, exercising for hours with no results, and feeling bad about it all, this revolutionary plan uses a combination of innovative strength training and sensible nutrition. The 16-week program includes a 2-week Bodyweight Only Jumpstart Phase that will help women adjust to strength training while seeing results in just days. Over 100 fully illustrated warm-up moves and innovative strength training exercises using everything from dumbbells and barbells to bands and straps. A comprehensive nutrition plan including nutrient timing strategies that work with workouts, satisfying foods that promote optimum health and energy, and even an indulgent snack every day. A Do It Yourself guide to program design so women can craft a program that works toward her personal goals and with her schedule. Written in an accessible, girlfriend-to-girlfriend tone, The Female Body Breakthrough delivers doses of motivational advice, testimonials from real Fit Females, and all the know-how any woman needs to get a strong, healthy body. Reshaping the Female Body Kathy

Davis,2013-10-15 Reshaping looks at women s involvement in cosmetic surgery and raises the question of why women put themselves under the knife for operations which are painful risky and expensive and often leave them in worse shape than before     *The Common Law Inside the Female Body* Anita Bernstein,2019 Explains why lawyers seeking gender progress from primary legal materials should start with the common law     **The Politics of the Female Body in Contemporary Turkey** Hilal Alkan,Ayşe Dayı,Sezin Topçu,Betül Yazar,2021-05-20 In Turkey the Justice and Development Party government has introduced new regulations about reproductive rights and shifted family and gender policies Women s central role in reproductive and domestic work was swiftly reaffirmed and abortion and IVF were newly debated Taking Turkey as the case study this is the first book to examine the various ways neoliberal modes of governing women s bodies interact with conservative and authoritarian measures The contributions focus on reproduction maternity and sexuality to explore the three main areas of governmental interventions into the female body Topics for discussion include the expansion of IVF and egg markets the privatization of gynaecological and obstetrical care differential treatment of poor and ethnic minority women s fertility sexuality and women s multiple responses to these shifts While focusing on Turkey the book presents analytical tools applicable under rising authoritarianisms and conservatism worldwide     *Textual Construction of the Female Body* L. Jeffries,2007-09-18 This volume takes a critical discourse approach to the ways women s magazines contribute to the social construction of particular kinds of female body as ideal beautiful ugly overweight or engineered Looking at the language used it provides an insight into the experience of the female reader and the likely impact upon her self image     The Female Body Laurence Goldstein,1991 Reflective essays on women s appearance by anthropologists poets psychologists artists and historians Back cover     *Woman's Body and the Social Body in Hosea 1-2* Alice A. Keefe,2001-01-01 Keefe s analysis dismantles the androcentric and theological assumptions which have determined the dominant reading of Hosea s metaphor of Israel as the adulterous wife of God It shows how the projection of symbolic associations of women with nature sexual temptation and sin have anachronistically determined this metaphor as referring to Israel s apostasy in a lurid fertility cult Against this reading Keefe s study considers Hosea 1 2 in the context of the association of sexual transgression and social violence in biblical literature in this light Hosea s symbol of Israel as an adulterous woman is read as a commentary upon the structural violence in Israelite society which accompanied the eighth century boom in agribusiness and attendant processes of land consolidation     **Freeing the Female Body** Fan Hong,2013-01-11 This collection records the bravery of these forgotten inspirational figures whose determination challenged and overcame convention custom and prejudice to free women from the ranks of the sexualized controlled and oppressed     Technologies of the Gendered Body Anne Marie Balsamo,1996 This book looks at the representation of the body in culture from a feminist perspective Subjects covered include bodybuilding cosmetic surgery and cyberculture     **Hermaphrodites in Renaissance Europe** Kathleen P. Long,2016-12-05 Kathleen Long explores the use of the hermaphrodite in early modern culture wars both to question

traditional theorizations of gender roles and to reaffirm those views These cultural conflicts were fueled by the discovery of a new world by the Reformation and the backlash against it by nascent republicanism directed against dissolute kings and by the rise of empirical science and its subsequent confrontation with the traditional university system For the Renaissance imagination the hermaphrodite came to symbolize these profound and intense changes that swept across Europe literally embodying these conflicts Focusing on early modern France with references to Switzerland and Germany this work traces the symbolic use of the hermaphrodite across a range of disciplines and domains medical alchemical philosophical poetic fictional and political and demonstrates how these seemingly disparate realms interacted extensively with each other in this period also across national boundaries This widespread use and representation of the hermaphrodite established a ground on which new ideas concerning sex and gender could be elaborated by subsequent generations and on which a wide range of thought concerning identity racial religious and national as well as gender could be deployed
