The Feminine Factor:

The Feminine Factor Eric Mount,1973 A male religion professor with a wife and four daughters explores some implications of women s liberation for the future of society **The Female Factor** Hazel Wallace,2022-07-07 The Number One Bestseller A DEEP DIVE INTO WOMEN S HEALTH Is heart disease a male disease Are certain vitamin and mineral requirements particularly important at certain points of women s lives Can I stay active during pregnancy Why are women more likely to experience stress related conditions How does sleep affect my overall health What can I eat to ease my menopausal transition The male body has always been the default body in clinical medicine making the assumption that women are just smaller versions of men This could not be more wrong This bold comprehensive guide to understanding women s health shakes up the narrative for women of all ages The Female Factor provides methods to protect and maximise your health in positive affirming steps Spanning nutrition movement mood sleep and 50 balanced and delicious recipes this is a blueprint to understanding and aligning your wellbeing your hormones and your body both in the short term and long term filled with practical and insightful information to harness throughout the course of your life The Feminine Factor.... Eric Mount (jr.),1973 **The Female Factor** Conrad Riker, Are you tired of being told that men are the problem and women are innocent victims Are you a man who is fed up with being labeled and judged based on your gender alone This book is your answer It s time to take a closer look at the underlying factors that shape our understanding of gender relationships and societal roles Did you know that women s emotional processing can actually hinder their ability to infer general rules from observations Are you aware that women s reality is often subjective and personalised due to solipsistic tendencies Do you know how the socialistic maternal drive can make women more socially driven potentially leading to the oppression of men Are you aware that women innately view men as objects for labor shaping their interactions and expectations of men If you want to understand the real dynamics at play in gender relations buy this book today It s time to debunk the misconceptions and face the facts head on The Female Factor Dissecting the Misconceptions of Gender provides a rational objective and balanced perspective on these issues It s not just about understanding women it s about understanding how society has been shaped by these dynamics and how we can move forward towards a more balanced and harmonious future **The Feminine Factor** Susan Van Auken,1985 **The Female Factor** Shari Steiner,1977 Comparison tracing the influence of cultural factors on the position and social status of Western European women examines the impact of traditional culture on family life homemaker tasks sexuality occupational status of the woman worker etc and discusses the role of historical heritage References and statistical tables **Women, Gender, and Social Psychology** Virginia E. O'Leary,Rhoda K. Unger,Barbara S. Wallston,2014-01-09 First published in 1985 This volume contains ten short pieces focusing on methodological issues definitional problems and new questions both empirical and theoretical that had been inspired by the social psychological study of women in the last decade The material submitted was rich and varied and offered an exciting

new look at the current and potential contribution of the study of sex and gender to social psychology **The Feminine Factor** [By] **Eric Mount, Jr** Eric Mount,1973 **Church Talk Makes Men Walk** Woody L. Davis,2017-07-13 The mystery of the missing men can be answered in one sentence The church has forgotten how to speak to men While the church s language has excluded women in its use of nouns and pronouns it has excluded men in everything else Its content character and construction say You don t belong here Church Talk Makes Men Walk Corrects the myth that men are innately non religious or non spiritual Demonstrates how the culture increasingly reflected in church talk has filtered action oriented people out of the church in favor of relationally orientated ones Demonstrates that the same factors that have driven most men from the church have also driven like minded women away Provides research based and theologically informed solutions to the problem of the missing action oriented men and women Chapters presenting well documented social science research alternate with chapters presenting practical steps that answer the question So what should the church do Written in a conversational humorous and sometimes confessional style Church Talk bridges the gap between the academy and the local church It shows how language that is inclusive of both women and men relational and action oriented can create a church that is once again gender balanced and missional **The Social Evil** Committee of Fifteen (New York, N.Y. : 1900),1902

McDermott,2016-07-01 What influences political behavior more one s gender or one s gendered personality traits Certain gendered traits have long been associated with particular political leanings in American politics For example the Democratic Party is thought to have a compassionate feminine nature while the Republican Party is deemed to have a tougher more masculine nature Masculinity Femininity and American Political Behavior a first of its kind analysis of the effects of individuals gendered personality traits masculinity and femininity on their political attitudes and behavior argues that gendered personalities and not biological sex are what drive the political behavior of individual citizens Drawing on a groundbreaking national survey measuring gendered personality traits and political preferences the book shows that individuals levels of masculine and feminine personality traits help to determine their party identification vote choice ideology and political engagement And in conjunction with biological sex these traits also influence attitudes about sex roles For example the more strongly an individual identifies with feminine characteristics the more strongly they identify with the Democratic Party Likewise the more masculine an individual the more they are drawn to the GOP The book also demonstrates that despite conventional wisdom biological sex does not dictate gendered personalities As such the personality trait approach of the book moves gender and politics research well

beyond the traditional male female dichotomy Moreover Masculinity Femininity and American Political Behavior points to new and as yet underexplored strategies for candidate campaigns get out the vote efforts and officeholders governing behavior
