The Fence That Me And Shorty Built:

The Fence that Me and Shorty Built Red Steagall, 2001 Cowboy Ethics James P. Owen, 2015-03-03 A new approach to business ethics is quietly taking hold in executive suites and corporate boardrooms across America Frustrated by an epidemic of misbehavior at all employee levels management teams are getting back to basics back to the idea that personal character and individual responsibility are the ultimate keys to integrity just as they were back in the days of the Open Range A decade ago the book *Cowboy Ethics* first inspired businesspeople to look to the Code of the West Once they did they discovered that its simple common sense principles can be more effective guides to business leadership than a truckload of corporate mission statements rules and ethics manuals Cowboys are role models because they live by a code says author James P Owen They show us what it means to stand for something and to strive every day to make your actions line up with your beliefs And isn't that as good a definition of integrity as you can find In the years since the book's *Ten Principles to Live By* have been embraced by scores of companies universities and even a state government This updated Tenth Anniversary hardcover edition traces the evolution of this grassroots business movement in brand new chapters while preserving the inspirational lessons and stunning photography of the original It's ideal for corporate gifts the new graduate business students or any career person who cares about doing the right thing The Real Singing Cowboys Charlie

Notes From Texas W. C. Jameson, 2013-05-31 From the Guadalupe Mountains of the Chihuahuan Desert to the Hill Country to the Red River the vast geographic landscape of Texas has afforded the cultural depth and diversity to inspire its writers The richness of Texas folklore history and traditions has left an unmistakable mark on the art of the region Both native and transplant Texas writers alike have been keenly shaped by the distinctive aroma of fresh corn tortillas tales of Mescalero Apaches and Tejano and ranchera music Jameson has compiled an assorted collection of fourteen essays by some of the most prominent Texas writers through which he hopes to explore the following questions How did they accomplish their goals Why did they choose the writing life What influence did the history lore and culture of Texas play in their creative process While readily citing the decidedly Texas flavor in his own fiction Jameson seeks to uncover the inspirations in other writers from both the expansive and rugged Texas terrain as well as the varied people therein The fourteen writers who comprise *Notes from Texas* range from the captivating and often humorous

essayist Larry L King to the beloved historical novelist Elmer Kelton Other contributors include James Ward Lee known for his expertise in Texas cuisine and culture and poet and songwriter Red Steagall This collection bestows each with a chance to express what they wished to share about their art and their life as a Texas writer **Scattered, Lasting Remnants**

Ropin' the Dream Ruth Lance Wester,June Proctor,2007 The story of the Ken Lance Sports Arena **Me 'n' Shorty**

Richard A. Guiney, 2014-11-07 Me N Shorty Leave the present world behind as you step into an extraordinary tale of two seventeen year olds in this sweeping novel set against a United States that had been plunged into despair by the Great Depression The year was 1936 young Will Shaine s world had revolved around his beloved parents and the magnificent thoroughbred horses that they d raised and trained on the family s horse farm But now the death of his parents had left him alone in the world He sat in the now quiet solitude of his home the mantel clock seemed to be ticking away the seconds of his life when he came to a life changing decision He would sell the family property and go west to California Out of respect for the hard work his family had invested in their horse farm Will was determined not to squander what would be his only inheritance He placed the money in a money belt and would take it west James Lotus Duke II otherwise known as Shorty left his family s farm in Tennessee after a final physical confrontation with his alcoholic abusive father His father told him to get off the property and never come back Shorty hit the road with 17 years of emotional scars Would his intelligence and wild sense of humor be enough to overcome his father s voice that haunts his mind and tells him he ll never be any good and the ultimate dream crushing echo I wish you were never born Timely as if an unseen force recognizes their needs Will and Shorty are joined together for their passage across the continent As they walk hitch rides and hop trains reality dictates that they grow up fast They had no idea of what awaited them on the road They find themselves exposed to the extremes of enormous wealth and to hobo camps and Hoovervilles where people are struggling to get enough to eat They cross paths with many colorful characters some good some bad and some unhinged from reality The worst of the worst lead them into dark life threatening suspense where seventeen year olds should not have to go As they work their way across America they are also exposed to honest people with dreams of prosperity and goodness It doesn t take long before Will and Shorty meet and fall in love with two American girls Their relationships are so intense that they believe they will last forever But like so many in times past they feel a responsibility to establish a secure situation for their loved ones Soon they find themselves back on the road aching with sweet sorrow from being separated from their girls but with a renewed sense of purpose The love of a distressed and troubled racehorse will lead them in a direction they did not expect as pure adventure and life threatening situations continue to challenge them Is young love strong enough to pull them through Shorty's Story Ron

Herrett, 2012-03-06 This story takes place in south eastern Alberta about nineteen fifteen 1915 along the western edge of the Cypress hills Shorty Stout a drifting cowboy arrives at the A X ranch the AXE and is given a meal and a bunk The ranch belongs to Xavier Forrest and his wife Angela hence the name A X Shorty isnt the kind to lie around so the next morning he is out working and fixing The first thing he does is to fix the windmill which has been making a racket for weeks Because he is such a handy person with tools and can do almost any work he is given a job on the ranch When spring comes he attends a dance in town with the other hands and on the way back to the ranch he meets up with a widow and her son Dawn and Matt Ryan He stops to help them cut some firewood and soon he is working for them every weekend He fixes fences builds a log

bunkhouse puts running water in the house and many other jobs that have been neglected because there was no one to do them When the bunkhouse is completed a dance is held to show how much everyones help has been appreciated Meanwhile out on the range Shorty and his riding partner Gus find a hidden valley in the hills filled with Dawn Ryans cattle The valley is believed to be the floor of an ancient lake which drained out through the dry gully that is the only entrance The cattle are separated and some are sold bringing them some sorely needed cash to help keep the ranch going Shorty Dawn and Matt do some exploring and discover a small inner valley that is a small corner of paradise This small valley is so beautiful that anyone entering it find it hard to even speak until they are back in the main valley Matt discovers there is fish in the lake in the large valley and he uses some improvised gear to catch a trout and cook it in the fire after coating it with clay He and the school teacher Karen Carter take a group of students on a survival trip to teach them how to survive if they got lost and to live off the land Dawn and Shorty eventually realize they were meant for each other a fact known to Matt and Angela Dawns older sister for some time Dawn asks Shorty to marry her and he agrees but before getting married they ride north to Medicine Hat to file for a homestead taking in the Lost Valley The day of the wedding arrives and afterwards a huge reception and dance is held at the schoolhouse just outside town About midnight Matt and the school teacher help the newlyweds escape the party and go off by themselves The weekend after the wedding the three homesteaders head for Lost Valley to get an idea of the land surrounding the valley This valley has the richest soil and the best grass in Alberta and covers an estimated three hundred acres Normally a person is allowed to file on one hundred and sixty acres but this area being in the hills is described as waste land and they are allowed to file on a half section or three hundred and twenty acres each The government will pay to have the land surveyed so a surveyor is found to do the job for them When the land is surveyed and registered in their name they need to find a way to make a wagon road to the valley as the only way in is the dry watercourse that had drained the former lake in times long past Many friends arrive to help with this task which has to be done before building materials can be hauled into the valley With much work over a long weekend a road is made to the valley and the first wagon to ever enter the valley rolls over the newly constructed road They are now ready to find a site to build a home on the Lost Valley Ranch Shorty and Dawn spend a night in the Heavenly inner valley and in the morning she tells him he is to be a daddy and that nine months down the road a little girl named Allie will be born because of one night spent in this enchanted valley
