## **The Fenian Movement:**

*The Fenian Movement* Theodore William Moody, 1978      **The Fenians** Patrick Steward, Bryan P. McGovern, 2013-07-17

Aspirations of social mobility and anti Catholic discrimination were the lifeblood of subversive opposition to British rule in Ireland during the mid nineteenth century Refugees of the Great Famine who congregated in ethnic enclaves in North America and the United Kingdom supported the militant Fenian Brotherhood and its Dublin based counterpart the Irish Republican Brotherhood IRB in hopes of one day returning to an independent homeland Despite lackluster leadership the movement was briefly a credible security threat which impacted the history of nations on both sides of the Atlantic Inspired by the failed Young Ireland insurrection of 1848 and other nationalist movements on the European continent the Fenian Brotherhood and the IRB collectively known as the Fenians surmised that insurrection was the only path to Irish freedom By 1865 the Fenians had filled their ranks with battle tested Irish expatriate veterans of the Union and Confederate armies who were anxious to liberate Ireland Lofty Fenian ambitions were ultimately compromised by several factors including United States government opposition and the resolution of volunteer Canadian militias who repelled multiple Fenian incursions into New Brunswick Quebec Ontario and Manitoba The Fenian legacy is thus multi faceted It was a mildly threatening source of nationalist pride for discouraged Irish expatriates until the organization fulfilled its pledge to violently attack British soldiers and subjects It also encouraged the confederation of Canadian provinces under the 1867 Dominion Act In this book Patrick Steward and Bryan McGovern present the first holistic multi national study of the Fenian movement While utilizing a vast array of previously untapped primary sources the authors uncover the socio economic roots of Irish nationalist behavior at the height of the Victorian Period Concurrently they trace the progression of Fenian ideals in the grassroots of Young Ireland to its de facto collapse in 1870s In doing so the authors change the perception of the Fenians from fanatics who aimlessly attempted to free their homeland to idealists who believed in their cause and fought with a physical and rhetorical force that was not nonsensical and hopeless as some previous accounts have suggested PATRICK STEWARD works in the Mayo Clinic Development Office in Rochester Minnesota He obtained a Ph D in Irish History at University of Missouri under the direction of Kerby Miller Patrick additionally holds two degrees from Tufts University and he was a strategic intelligence analyst at the Drug Enforcement Administration in Washington D C early in his professional career BRYAN MCGOVERN is an associate professor of history at Kennesaw State University in Kennesaw Georgia He is author of the widely praised 2009 book John Mitchel Irish Nationalist Southern Secessionist and has written various articles chapters and book reviews on Irish and Irish American nationalism      The Fenian Movement in the United States: 1858-1886 William D'Arcy, 1971      The Fenian Movement Mabel Gregory Walker, 1969      **The Fenianism in Mid-victorian Britain** John Newsinger, 1994 Charts the rise and fall of the Fenian movement in Ireland Britain and the USA and examines the key events developments and personalities

*Fenian Movement* Mabel G. Walker, 1969-01-01      Recollections of an Irish Rebel John Devoy, 1929      **The Birth of**

**the Fenian Movement** James Stephens, 2009 An important document of early Fenianism James Stephens American diary uncovers the difficulties facing the movement's founders and offers an insight into mid 19th century American life and the Irish American community The Fenian Movement F. L. Crilly, 1909 The Fenian Movement in the United States Catholic University of America, 1947 *The Fenian Brotherhood*, 1864 A Provisional Dictator Marta Ramón, 2007 A Provisional Dictator is a political biography of James Stephens the founder of the Irish Republican Brotherhood Marta Ramon traces Stephens political and revolutionary career from his involvement in Young Ireland's insurrection in 1848 until his death in Dublin on 29 March 1901 James Stephens was born in Kilkenny in obscure circumstances in 1825 In 1848 he joined William Smith O'Brien's revolutionary attempt and took part in the skirmish at the Widow McCormack's house near Ballingarry After the failure he escaped to France where he worked as a translator and tutor of English In 1856 he returned to Ireland and in 1858 he founded the Irish Republican Brotherhood the Irish branch of the Fenian movement However Stephens continued reluctance to order the long expected rising led to his overthrow in December 1866 After his deposition he exiled himself in France and until the early 1880s made several unsuccessful attempts to regain power In 1891 he was finally allowed to return to Dublin where he died on 29 March 1901 James Stephens is one of the most fascinating personalities in Irish nationalist history Arrogant dictatorial manipulative and unscrupulous about the means to attain his ends but intensely charismatic and mesmerisingly persuasive he lacked essential qualities as a revolutionary leader but can be ranked among the best political organisers of the nineteenth century A Provisional Dictator follows Stephens revolutionary career and the course of the IRB under his leadership explaining the tactical and political motives behind his most controversial decisions **The Fenian Movement** Clyde Lyndon King, *The Fenians* Michael Kenny, 1994 The origin of Fenianism may be traced to Wolfe Tone and the United Irishmen of the 1790s and to the Young Irelanders of the 1840s The official title of the organisation whose members became known as Fenians was the Irish Republican Brotherhood IRB founded in 1858 The term derived from the name of its twin organisation in America the Fenian Brotherhood The spread of the two organisations ushered in a new era in the growth of Irish politics and had a profound influence on subsequent political developments The Fenians did not confine their activities to Ireland From the United States they launched raids on Canada and formed an influential interest lobby in American politics In Britain they became involved in the emerging trade union movement and acted as a catalyst upon contemporary radicals and reformers At home they were simultaneously a revolutionary society a political movement and a militant socio cultural pressure group involved in land agitation sport and Gaelic language revival In *The Fenians* Michael Kenny gives us a glimpse of one of the most intriguing periods in Irish history His clear and concise text is complemented by artefacts and memorabilia from the The Church, the State and the Fenian Threat 1861-75 O. Rafferty, 1999-04-11 This book examines the mechanisms of the Irish revolutionary Fenian Brotherhood in the early years of its existence Drawing on a wide range of material from places as diverse as Rome and Toronto it seeks to

set the Fenian struggle within the context of competing church and state influence in mid nineteenth century Irish society It is particularly strong on the transatlantic comparative dimensions of church state and Fenian activity and demonstrates how the Fenians managed to change forever the terms of Irish political and social debate     *To the Fenian Brotherhood of America. Official Report of the Investigating Committee of the Department of Manhattan, Fenian Brotherhood, etc* Fenian Brotherhood of America (UNITED STATES OF AMERICA),1866     Narrative of the Fenian Invasion of Canada ... with a map of the field of combat at Limestone Ridge Alexander Somerville,1866     **The History of the Fenian Movement in the United States, 1848-1866, and Its Background in Ireland and America** Mary Agnes Cassidy,1941     *Narrative of the Fenian Invasion of Canada* Alexander Somerville,1866     *Official Report of Gen. John O'Neill, President of the Fenian Brotherhood* John O'Neill,1870
