This second volume continues this non academic author s ground breaking word by word analysis of James Joyce s Finnegans Wake Joyce s last blessing on mankind In chapters 1 3 and 1 4 which are covered by this volume the Kabbalah based analysis peers into the darkness of the Egyptian Land of the Dead and corresponding Book of the Dead These chapters are joined at the hip by Egyptian death obsessed theosophy and increase the font on Joyce s principal subject matter the loss of human potential to fear and dependency Joyce finds Kabbalah cursed paralysis in ancient Egyptian religion as part of his effort to show the same paralysis in nearly all religions and to champion the independent individual In these chapters the search for meaning in the god mankind relationship serves up several father and son stories This selection is based on the fundamental importance in Egyptian religion of the story of father Osiris and son Horus and the corresponding importance in Christian religion of Jesus as the son of god and the second person in the Trinity These father and son stories include Attackler and Adversary a tale framed by a dependency demanding father god betraying the independent son god on the cross The story of Abelbody is based on the premise that the real son of the god of this world was the arbitrary and violent Cain Joyce s masterful synergism of style and content continues In these two chapters sentences are wrapped up like mummies in parenthesis and parenthesis within parenthesis and slowed down by flow interrupting dependent clauses By contrast the sentences at the end of chapter 1 4 display a new spirit The unification aspect of the female psyche shows in long and open compound sentences joining many independent elements much like Molly s soliloquy in Ulysses In addition the transition at the end of chapter 1 4 to the female in chapter 1 5 covered in volume 3 is made by poetry at first doggerel and then dignified poetry Like the aspect of female mentality that Joyce focuses on poetry is based on partial connection and unification of the sounds words and thoughts Joyce s closing words nurture each other The author s plan is to cover all of Finnegans Wake in subsequent volumes Moulding the Socialist Subject Xiaoning LU,2020-02-03 What role did cinema play in the Chinese Communist Party s political project of shaping ideal socialist citizens in the early People s Republic In Moulding the Socialist Subject Xiaoning Lu deploys case studies from popular film genres movie star culture and rural film exhibition practices to argue that Chinese cinema in 1949 1966 at once an important political instrument an enjoyable yet instructive form of entertainment and a specific manifestation of the socialist society of the spectacle was an everyday site where the moulding of the new socialist person unfolded While painting a broad picture of Chinese socialist cinema Lu credits the human agency
