*Encyclopedia of Cold War Politics* Brandon Toropov, 2000 There are many reference works on the cold war including *The Cold War Encyclopedia* 1996 and the recent *Historical Dictionary of the Cold War* 2000 These works put a crucial period of the twentieth century into perspective They share an international focus driven in part by the global nature of the cold war the events that defined it and the people who fought it This new encyclopedia takes a different tack focusing almost exclusively on American domestic events and issues and touching on international themes only when they are relevant to the U S scene More than 700 entries are arranged alphabetically beginning with Acheson Dean secretary of state from 1949 to 1953 and ending with Yippies an anti establishment DEGREESB radical element of the hippie movement In between are entries on presidents and their opponents civil rights groups and leaders phrases and definitions The length of each entry ranging from 100 2 500 words reflects the importance of the subject or the depth of coverage needed Acheson s boss Harry Truman earns just over four columns while Truman s opponent in the infamous 1948 general election Thomas Dewey barely rates one column Each entry is factual and concise The entry on Martin Luther King Jr mentions his early life and education his adherence to Gandhi s policy of nonviolence the March on Washington and his assassination in Tennessee avoiding the various controversies surrounding both King s life and death Sometimes the generally objective tone of the work is missing as when for example it defines communism as paradoxical and self defeating Black and white photographs enhance the text and the index is detailed This volume is a worthy addition to the cold war reference shelf Its coverage of people places and events that might be ignored in works with a more international perspective makes it a good starting point for anyone interested in an American focus Recommended for high school public and academic libraries RBB Copyright r American Library Association
