*The Films of Robert Redford* James Spada, 1984      **The Films of Robert Redford** David Castell, 1978-09-01      **Films of Robert Redford** James Spada, 1990-10-01      *The Films of Robert Redford* David Castell, 1977      Robert Redford and American Cinema Michael Allen, 2021-03-25

Michael Allen's insightful study explores the long and diverse career of the actor and director Robert Redford from his early work in theatre and TV to his contemporary status as an iconic and enduring star. Allen assesses Redford's importance to the American film industry during a period of great transformation as an influential industry player, an award-winning director, and a committed political activist. Allen considers Redford's individual achievements in the context of shifts and changes in the industry as a whole, some of which benefited Redford's own progress and development, some which he engineered himself, as well as discussing Redford's star persona in relation to ageing and masculinity.

**Robert Redford** Michael Feeney Callan, 2011-06-09

A national symbol of romance since the 1970s, Redford's stardom has often eclipsed the life and trials of the man himself. In this biography, written with Redford's personal papers, journals, script notes, correspondence, and hundreds of hours of taped interviews, Michael Feeney Callan strips away the Hollywood facade, exposing the complicated, surprising man beneath. The life of Robert Redford is a series of contradictions: descended from impoverished East Coast barbers on his father's side and once wealthy Texans on his mother's side, the young Redford suffered from aimlessness and semi-poverty, dropping out of college and briefly spending time in jail before launching a career in theatre. Redford has contributed more and more widely to entertainment than most stars of his calibre. As an actor, he's appeared on Broadway and film with an Oscar-nominated performance in 1973's *The Sting*. As a director, he's earned Oscar nominations for Best Picture and Best Director and has received three Golden Globe nominations for Best Director. He won the Academy Award for Best Director in 1980 for *Ordinary People*. And as a producer of independent films, including the patronage of his Sundance Institute, he's worked on films including *All the President's Men* and 2004's *The Motorcycle Diaries*. This is a fascinating exploration of one of our most celebrated and least understood public figures and an essential read for anyone interested in the rocky road to Hollywood.

**The Sundance Kid** William Schoell, Lawrence J. Quirk, 2006-05-25

1969 was Robert Redford's breakout year when he starred with Paul Newman in *Butch Cassidy and the Sundance Kid*. Since that time, he was continuously successful either as an actor or director. His concern for the environment, particularly in the American West, has made him an important spokesman for conservation, often lending his name to causes and charities that help support preservation and endangered species. This comprehensive biography is based on extensive interviews with friends and colleagues, as well as assistance provided by Redford himself.

**Robert Redford and the American West** Elisa Leonelli, 2007-05-03

ROBERT REDFORD has played many Westerners on the big screen: a romantic outlaw in *Butch Cassidy and the Sundance Kid* (1969) with Paul Newman; a sheriff in *Tell Them Willie Boy is Here* (1968); a mountain man in *Jeremiah Johnson* (1972); a rodeo cowboy in *The Electric Horseman* (1979) with Jane Fonda; a Montana rancher

in *The Horse Whisperer* 1998 which he also directed He is the founder of Sundance an admirer of Native American art and culture and a committed environmentalist He embodies the best values of the American West *Robert Redford* Michael Feeney Callan, 2011-05-03 The long anticipated biography of Robert Redford Among the most widely admired Hollywood stars of his generation Redford has appeared onstage and on screen in front of and behind the camera earning Academy Golden Globe and a multitude of other awards and nominations for acting directing and producing and for his contributions to the arts His Sundance Film Festival transformed the world of filmmaking his films defined a generation America has come to know him as the Sundance Kid Bob Woodward Johnny Hooker Jay Gatsby and Roy Hobbs But only now with this revelatory biography do we see the surprising and complex man beneath the Hollywood facade From Redford's personal papers journals script notes correspondence and hundreds of hours of taped interviews Michael Feeney Callan brings the legendary star into focus Here is his scattered family background and restless childhood his rocky start in acting the death of his son his star making relationship with director Sydney Pollack the creation of Sundance his political activism his artistic successes and failures his friendships and romances This is a candid surprising portrait of a man whose iconic roles on screen Butch Cassidy and the Sundance Kid All the President's Men The Natural and directorial brilliance Ordinary People Quiz Show have both defined and obscured one of the most celebrated and until now least understood public figures of our time
