The Films Of Ronald Colman:

The Films of Ronald Colman Lawrence J. Quirk, 1977-11-01 Ronald Colman, Gentleman of the Cinema R. Dixon Smith, 1991 In an unprecedented career Ronald Colman starred in high adventure light comedy delicate romance and intense drama His acting was tempered by a lighthearted nature an introspective sadness of the eyes and the indefinable fragility of an exquisitely modulated voice This critical evaluation of Colman s life and career is accompanied by scores of never before published photos Complete cast and credits are given **Ronald Colman** Sam Frank, 1997-04-16 One of the most enchanting figures of the silver screen Ronald Colman appeared in such classic films as *Beau Geste* *The Prisoner of Zenda* *Lost Horizon* and *A Tale of Two Cities* He was nominated four times for the Academy Award which he won for a spectacular performance in *A Double Life* His voice was unrivaled and he had a brilliant career as a radio star A charismatically photogenic performer he was voted the handsomest actor in Hollywood on several occasions His superior skills his dashing visage and his resonant speech made him one of the most sought after and acclaimed stars of his day In spite of his enormous talent and supreme achievements Ronald Colman has strangely been overlooked This immensely detailed reference book brings Colman s life and career into sharp focus corrects misleading information about him and comments on the critical response to his work The heart of this expertly researched volume is a series of chapters with entries for Colman s many hundreds of performances in film radio and television Entries provide full production information plot synopses excerpts from reviews and valuable commentary An extensive annotated bibliography summarizes and assesses material written about Colman and the author scrupulously debunks the many myths that have been written about Colman in previous publications

The Woman's Film of the 1940s Alison L. McKee,2014-04-03 This book explores the relationship among gender desire and narrative in 1940s woman s films which negotiate the terrain between public history and private experience The woman s film and other form of cinematic melodrama have often been understood as positioning themselves outside history and this book challenges and modifies that understanding contextualizing the films it considers against the backdrop of World War II In addition in paying tribute to and departing from earlier feminist formulations about gendered spectatorship in cinema McKee argues that such models emphasized a masculine centered gaze at the inadvertent expense of understanding other possible modes of identification and gender expression in classical narrative cinema She proposes ways of understanding gender and narrative based in part on literary narrative theory and ultimately works toward a notion of an androgynous spectatorship and mode of interpretation in the 1940s woman s film
