The Maze at Windermere Gregory Blake Smith,2019-01-22 Named one of the best books of 2018 by The Washington Post The Seattle Times and The Advocate Staggeringly brilliant You ll start The Maze of Windermere with bewilderment but you ll close it in awe The Washington Post Pitch perfect New York Times Book Review When a drunken party guest challenges him to a late night tennis match Sandy Allison finds himself unexpectedly entangled in the monied world of Newport Rhode Island A former touring pro a little down on his luck Sandy has nothing to stake against the vintage motorcycle his opponent wagers But then Alice DuPont the young heiress to a Newport mansion called Windermere offers up her diamond necklace With this reckless wager begins a dazzling narrative odyssey that braids together four centuries of aspiration and adversity in this

Letters from Windermere, 1912-1914 R. Cole Harris, Elizabeth Phillips, 2011-11-01 Written primarily by Daisy Phillips with a few by her husband Jack to her family in England these letters describe the creation of a shortlived English home in the Windermere Valley of southwestern British Columbia Not given to introspection Daisy registers her immediate and frank reactions to her new environment and startling new way of life From her letters we learn of the experiences of the Phillips and their neighbours in settling the newly opened land and of their attempts to grow fruit in an area with limited agricultural potential The contrast between middle class British mores and those of Canadian pioneer society largely classless and multi ethnic in character was to Daisy a challenge to be overcome Requests to England brought in return a flood of British consumer goods which helped her to duplicate in her dress and household furnishings the more cultivated surroundings and manners of home While such affectations seemed incongruous in a frontier setting Daisy learned to work to maintain them and mastered tasks unknown in England to one of her station Between her first request for a pamphlet on laundering handkerchiefs and her departure less than three years later she learned to cook on a wood stove sew clean house and wash clothes without running water or servants There is also evidence that prior to their abrupt return to England at the outbreak of war the cultural barriers were breaking down as the Phillips became more involved in sharing the experience of being pioneer Canadians Jack s early death on the battlefield gives Daisy s letters an added poignancy Not only do they constitute a valuable historical document but they also convey with simple directness the story of a happy marriage of the intersection of an English dream with the Windermere Valley and something of the story of all immigrants to any new settlement in Western Canada

The Lords of Windermere A. C. Quinn, 2006-11 What s the matter afraid he can t handle it Fabian glanced at him He wasn t as restless as his friend Leaning against the trunk of the tree he folded his arms in front of him Demetrius shook his head It isn t that he said pulling his sword out of the dirt He s headstrong Not to mention overconfident He swung the blade a few more times It s an unfavorable combination he added Does that remind you of anyone Fabian teased I ll admit I was arrogant at times but I could always smell defeat I was never quite as impulsive Demetrius smiled sheepishly He hadn t forgotten the times Fabian had rescued him before he met his demise Nicholas well he thinks he s invincible He grew serious And Ayden s too trusting He isn t perceptive of debauchery as his brothers Then there s Lucian He paused and laughed with subservient pride How righteous he is But at times he s impetuous yet blameless Especially when he believes it s unjust He

surprises you They've matured since I last saw them Fabian said with an affable chuckle They'll be all right Demetrius The duke gave a feeble smile as he returned his steel to the scabbard It was exhausting being a sentry at his age but he had to continue for the sake of his sons
