## **The First Breath Of Freedom:**

*The First Breath of Freedom*, 1988      **America-The Last Best Hope Volumes I and II** William J. Bennett, 2007-10-14

William J Bennett acquaints America with its heritage in two volumes of *America The Last Best Hope* While national test scores reveal that American students know startlingly little about their history former U S Education Secretary William J Bennett offers one of the most gripping and memorable versions of the American story in print The two volumes of Bennett s New York Times bestselling epic *America The Last Best Hope* cover Columbus s discovery of the New World in the fifteenth century to the fall of world communism in the twentieth Now both volumes are available in a convenient and attractive slip case complete with a bonus audio CD Remembering Ronald Reagan featuring recollections and commentary by Jeane Kirkpatrick Edwin Meese and others Bill Bennett brings American history to life with stories such as the coup d etat quelled by a pair of reading glasses the U S senator nearly caned to death on the Senate floor the presidential pardon for hundreds of Sioux warriors one ex president s race to finish his memoirs and the famous humorist who helped him when Time magazine named Hitler man of the year Eisenhower s bold actions documenting the horrors of the Holocaust Nixon s comic opera uniforms for White House guards Reagan s most famous example of just saying No From heroism of the Revolution to the dire hours of the Civil War from the progressive reforms of the early 1900s to the civil rights reforms of the 1960s from the high drama of the Space Race to the gut wrenching tension of the Cold War Bennett slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism Praise for *America The Last Best Hope* This is the American history that Abraham Lincoln has long awaited Harry V Jaffa *Crisis of the House Divided* Bennett has a gift for choosing the pithy revealing anecdote and for providing fresh character sketches and critical analyses of the leading figures This is an American history that adults will find refreshing and enlightening and that younger readers will find a darn good read Michael Barone *US News World Report* A worthy and necessary book for our time Michael J Lewis *Commentary* Bennett has a strong sense of narrative a flair for anecdote and a lively style And the American story really is a remarkable one filled with its share of brilliant leaders and tragic mistakes Bennett brings that story to life Alan Wolfe *The Washington Post* The role of history is to inform inspire and sometimes provoke us which is why Bill Bennett s wonderfully readable book is so important He puts our nation s triumphs along with its lapses into the context of a narrative about the progress of freedom Every now and then it s useful to be reminded that we are a fortunate people blessed with generations of leaders who repeatedly renewed the meaning of America Walter Isaacson *Benjamin Franklin An American Life* The importance of *America The Last Best Hope* probably exceeds anything Dr Bennett has ever written and it is more elegantly crafted and eminently readable than any comprehensive work of history I ve read in a very long time It s silly to compare great works of history to great novels but this book truly is a page turner Brad Miner *American Compass* This lively book acknowledges mistakes and shortcomings yet patriotically asserts that the American experiment in democracy is still a success story School

Library Journal      *Battle of Colors* Sofia Faddeeva, 2023-11-24 ANNOTATION Soviet upbringing meets capitalist reality in this poignant and explicit woman experience tale that pits mystery vs madness patriarchy vs love and Russian Far North vs Latin American South TRANSLATOR S FOREWORD Literary aficionados may delight in finding among this novel's themes certain parallels to a great diversity of other novels and stories from *The Joy Luck Club* to *I'm Your Horse in the Night* and yet *Battle of Colors* is as authentic as can be The author's manner may seem somewhat more overwrought than today's English and especially North American reader is used to but that is part of the game It is definitely a woman's story It is a jarring account of the white privilege both real and perceived however unsettling the last notion may sound It is a passing snapshot of the disappearing Soviet mindset presented in this book free of ideological tenets as well as of life and politics in a Latin American country as seen by a quickly learning immigrant It is a tale spanning across cultures and continents a tale of portraits and musings violence and horror sex and mysticism although as a F Garcia Lorca's line in the beginning warns the reader it is first and foremost about Love and Death PROMO QUOTES WOMAN'S EXPERIENCE No he did not rape me I raped myself forcing myself to put up with it Why Because I didn't want to lose him to another woman Rubbish A person can put up with something only out of love Not out of vanity material benefits the desire to be loved the most pride or ambition I am the one guilty of violence As for him it wasn't about sex WOMAN'S EXPERIENCE But I remember as in slow motion The frying pan with potatoes flipping over and the oil stain spreading over the wooden floor wider and wider the milk that I just put on the stove to warm pouring down on my head and flowing from my hair onto the clothes myself being dragged from the kitchen where I was trying to hide into the hall I push back I don't want to go there there are people outside the windows the phone receiver raised high this man is so tall why is everything happening like in a slow motion picture the receiver comes down on my head I feel dull pain and hear humming in my temples I am lying on the floor Enough We've seen everything voices outside say WOMAN'S EXPERIENCE And the truth is that the children do need a father they do need housing and money the woman needs the man toward whom she can feel pity and love so that she can cry after quarrels and then listen to confessions of love and pleas for forgiveness The woman needs the man to sleep with at night to know pleasure And the truth is that there can be no pity or love for the man who beats and humiliates you that you don't need any housing and money from such a person and children don't need such a father Everything that this woman will tell you will be true and nothing will be true WOMAN'S EXPERIENCE Does he need a tragedy or is it enough for him to see me this way powerless weak willed dependent on the smallest movement of his finger at his disposal at his mercy having my eyes glued to his maddening eyes Does he need bruises and burns on my body Does he need my pain No he doesn't feel it He needs my fear This he can see He holds a cigarette to my breast and sees the fear in my eyes he jams my hand in the door and enjoys the horror in my eyes he threatens to hit me and enjoys the shiver of my soul He doesn't beat me He wants to hurt my soul LOVE Looking back I am convinced that lovers should be together and if they happen to part for a time they must be ready to forgive each

other many things As for the real vs false love rhetoric it is meaningless and contrived Everything is real and everything is fake because every feeling is unique There is no standard there is nothing to compare it with Our conscious struggles with the subconscious and our morals interfere with that struggle but as a participant not a judge And we are confused being the first and the second and the third simultaneously Nothing is a mistake and guilt is nothing There are only contradictions within and without LOVE What have you done my sweet one Why have you made me go through so much abuse Why couldn't you forgive me then and there Now I really can't His tears come in streams Just like that other time when my mother tried to persuade him to leave me if he wished me well I'll never find a woman like you So what have you been thinking before It's too late I am not yours anymore And this is your fault You've made me love another man You've squeezed my love dry like juice from a lemon LOVE Love is an illusion a deception it comes for a while and always goes away Love is joy and pain Do I believe in love Yes I believe in love I believe in the most beautiful of illusions I believe in the most beautiful of deceptions I believe in joy and pain I believe in love Yes it exists yes it gives strength it's the meaning of our life But I avoid love

MYSTICISM I have no idea how I am so sure that I've never lived in the ancient Rome Greece or Judea that I've never been to Byzantium I've lived before that and after that and I've been a barbarian a plebeian a slave a robber a pirate male and female and only once I've been a most sophisticated aristocrat and I've always been cruel beautiful and strong MYSTICISM men wearing strange clothes armed with spears fire shouts and my laughter when flames broke out wild at my feet I wasn't screaming in pain I was laughing at those who were burning me I despised and hated them My own pain and the pain of others seemed trifling to me and my life and the lives of others worthless I was cursed MYSTICISM I am ashamed of my fears I just got scared by my own feet But then I almost physically saw that presence take the shape of a man and walked to the door retreating from the sun And now I am left with horror and bitterness but most of all with bewilderment and curiosity What time to go back to the cemetery Can't stand the sun I whisper Guess you haven't kicked the habit of leaving through the door yet eh

RACES Are you crazy to marry an ndio the young man jumps from the polite you to the informal one He is not an ndio he's an engineer Does your husband beat you Indios love beating At my hacienda I penalize ndios when they beat their wives but then the women come and cuss at me for penalizing their husbands Weren't he so straightforward I would have thought that he'd heard about us from some friends and now is just playing me But obviously that is not the case RACES An ndio is a creature of the mountains dirty unkempt uneducated basically a draft animal that we non ndios use to get bags and baskets carried from the market to our houses We hire this animal to do hard work Indio women come and wash our clothes cook dinner and clean our houses for meager pay Of course we teach them some vestiges of culture and hygiene Indios are those we should care about as good merciful Christians Indios are a terrible power that unleashes when they get intoxicated with reed vodka and start cutting the air with their machetes shouting carajo they descend from the mountains and try to rush our battle tanks surrounding them An ndio is a lesser human being even if he succeeds among white people

MUSINGS We humans are all turncoats Sooner or later on purpose or not consciously or unconsciously we turn our backs on our loved ones our friends partners children parents we turn on our neighbors next door and on our neighbors next country and we turn ourselves We can't help it life is full of turns and turnabouts we turn this way and that and so do our loved ones and our circumstances and our feelings This is the way the world turns We are human we turn Life is impossible without turning MUSINGS The depths of human nature are home to turmoil and chaos When they say pure of character what they usually mean is the upper layers of the soul exposed to public view The chaos and the turmoil are something everyone is supposed to hide people have agreed among themselves that this way it feels nicer to be around one another But what if the purity and the chaos are combined grown into each other soaked through with each other so that isolating them again is impossible USSR Oh don't you know what people back there think about our marriages she went after a pretty life And if you come back Aha got your pretty life they will say Drank from the bitter cup And now going back under mother's wing you slut They'll be angry and envious alright They know full well they'll never be able to get out and see the world And what about your kids especially the ones a bit darker than the locals Will you be able to stay in the lines for some drab clothes to dress yourself and your kids Will you be able to find a decent job with your ruined personal record SEX His infinity burst and strung on a chain of fireworks flowed out like liquid fire and fell into the cold but I knew no fulfillment With great patience and countless tricks he would lead me to my final point which turned into weak suspension points and from there it quickly turned into a comma waiting for a continuation I couldn't do anything with that damned comma I told him all I knew and thought about myself and the story began from my birth He listened and tried to conquer the comma again he couldn't put up with it he wanted to change me although he said that he accepted me the way I was but he wanted more And again the cursed comma stood between us ABUSE A mad drunk hand pushes him still lower into the tank holding by the hair He is out of breath The delicate unrecoverable connections in his brain are broken His father's hand feels no resistance anymore His mother rushes screaming from the house and throws herself at the father As his father switches his violent attention to the woman the boy crawls out and hides behind the stacks of boards He is cold His teeth are clattering He has nothing to cover his body with for warmth But gradually it gets warmer anyway He falls asleep He doesn't hear the screams and wails coming from the house In his dream he is dead He sees his own burial The parents are crying so bitterly The grief brought them together They are crying for their son

Of Faith and Freedom Joseph Gilbert, 2022-11-03 It isn't very politically correct to say America is a Christian nation However the Founding Fathers were Christians and their core convictions were the bedrock upon which this country was built These principles include the belief that as divine creations of God we are all equal before the law each citizen has intrinsic worth and value above any government and our rights are endowed onto us by our Creator These beliefs are not politically correct Political correctness is an extension of cultural Marxism that seeks to remove every aspect of God and religion from American public life including how we are governed If they are successful and they have been very successful so far we lose what made America great in the first place Our concept of the rule of law disappears and the elite play by different rules than the rest of us The belief that our rights come from God is removed Our rights then can be twisted manipulated or stripped from us for political expediency Worst of all the divine nature of the creation of mankind with an immortal soul is gone They can then do whatever they want With no God there is no objective right wrong good or evil The ends justify the means and the perpetrators can execute their evils with a clean conscience because there is no sin Cultural Marxism has been a powerful force in American culture for almost a century shaping institutions such as school family and government In the 1920s and during World War II socialist ideas that originated at the Frankfurt School also known as the Institute for Social Research began to seep into the social fabric of the US As the cultural Marxist movement gained power the reach of the federal government expanded and the basic value of each individual citizen was diminished The role of the Judeo Christian belief system which emphasizes absolute truth and the dignity of the individual has been ignored with disastrous consequences Using the Ten Commandments and the Bill of Rights author Joe Gilbert lays out the relationship God intended family government and individuals to have with each other and guides readers to a renewed hope and vision of

American ideals shaped by objective biblical truth Fans of Glenn Beck and Mark Levin will find *Of Faith and Freedom* a useful companion in the fight against the malevolent social forces that have so negatively influenced America *Fenrir — The Spirit of Freedom* Igor Gorelyshev, 2025-09-13 A modern take on the legend of Fenrir the wolf destined to bring down Odin

**Freedom's Coming** Paul Harvey, 2012-09-01 In a sweeping analysis of religion in the post Civil War and twentieth century South *Freedom's Coming* puts race and culture at the center describing southern Protestant cultures as both priestly and prophetic as southern formal theology sanctified dominant political and social hierarchies evangelical belief and practice subtly undermined them The seeds of subversion Paul Harvey argues were embedded in the passionate individualism exuberant expressive forms and profound faith of believers in the region Harvey explains how black and white religious folk within and outside of mainstream religious groups formed a southern evangelical counterculture of Christian interracialism that challenged the theologically grounded racism pervasive among white southerners and ultimately helped to end Jim Crow in the South Moving from the folk theology of segregation to the women who organized the Montgomery bus boycott from the hymn inspired freedom songs of the 1960s to the influence of black Pentecostal preachers on Elvis Presley Harvey deploys cultural history in fresh and innovative ways and fills a decades old need for a comprehensive history of Protestant religion and its relationship to the central question of race in the South for the postbellum and twentieth century period
