The First Sacrifice:

The Story of Sacrifice Liane M. Feldman, 2020-09-21 The sacrificial instructions and purity laws in Leviticus have often been seen as later or secondary additions to an originally sparse Priestly narrative In this volume Liane M Feldman argues that the ritual and narrative elements of the Pentateuchal Priestly source are mutually dependent and that the internal logic and structure of the Priestly narrative makes sense only when they are read together Bringing together insights from the fields of ritual theory and narratology the author argues that the ritual materials in Leviticus should be understood and analyzed as literature At the core of her study is the assertion that these sacrificial instructions and purity laws form the backbone of the Priestly story world and that when these materials are read within their broader narrative context the Priestly narrative is first and foremost a story about the origins and purpose of sacrifice

What Happened on the Cross Nick Peros, 2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that

Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him

Ritual Sacrifice in Ancient Peru Elizabeth P. Benson, Anita G. Cook, 2013-06-20 Propitiating the supernatural forces that could grant bountiful crops or wipe out whole villages through natural disasters was a sacred duty in ancient Peruvian societies as in many premodern cultures
