Tucker, 2020-03-26 This work covers major weapons throughout human history beginning with clubs and maces through crossbows swords and gunpowder up to the hypersonic railgun lasers and robotic weapons under development today Weapons and Warfare is designed to provide students with a comprehensive and highly informative overview of weapons and their impact on the course of human history In addition to providing basic factual information this encyclopedia will delve into the greater historical context and significance of each weapon The chronological organization by time period will enable readers to fully understand the evolution of weapons throughout history The work begins with a foreword by a top scholar and a detailed introductory essay by the editor that provides an illuminating historical overview of weapons It then offers entries on more than 650 individual weapons systems Each entry has sources for further reading The weapons are presented alphabetically within six time periods ranging from the prehistoric and ancient periods to the contemporary period Each period has its own introduction that treats the major trends occurring in that era In addition 50 sidebars offer fascinating facts on various weapons Numerous illustrations throughout the text are also included

Jacob My Friend: His 17Th Century Account of the Susquehannock Indians Barry C. Kent, 2004-11-24 Jacob My Friend is an unusual name but this very real person was a most unusual character Arriving in the New World from Holland before 1650 he became a fur trader with the Susquehannock Indians He married one of them and had several children Soon he was a trusted interpreter for the Susquehannocks in their difficult dealings with the Dutch and English Many of Jacobs exciting and often dangerous activities involving the Indians are recorded in contemporary accounts Clearly he experienced the ordinary but often strange events of their daily lives He was also witness to the disastrous clash between the Indians and Europeans Through his unique journal Jacob helps us to see the forgotten history and very different culture of the Susquehannocks

Loyal Service Bernd Horn, Roch Legault, 2007-02-28 Loyal Service examines the service of a number of French Canadian leaders and their contributions to the nation during times of peace crisis and conflict from New France to the end of the twentieth century

A Global Chronology of Conflict Spencer C. Tucker, 2009-12-23 This monumental six volume resource offers engaging entries of major diplomatic military and political events driving world conflicts from ancient times to the present Now from ABC CLIO long regarded as a premier publisher of military history comes a monumental resource that encapsulates the entire scope of conflict among human societies Spanning nearly five millennia from the earliest documented fighting to the present A Global Chronology of Conflict From the Ancient World to the Modern Middle East provides a comprehensive survey of major military events With coverage that reaches beyond the battles

this work examines the political and diplomatic forces driving world conflicts revolutions forced changes of governments international treaties and acts of aggression and terrorism Written by acclaimed military historian Spencer C Tucker these six chronologically organized volumes offer an accessible richly detailed timeline of military conflict across human history The concise entries cover all important events on the battlefield and in the corridors of power with special features highlighting hundreds of key leaders and weapon systems From specific data on casualties to coverage of evolving weapons technology to insightful analyses of the social impact of war A Global Chronology of Conflict is an essential resource for students researchers history buffs and general readers alike

Instruments of War Spencer C. Tucker, 2015-07-28 This highly detailed and well illustrated single volume work documents the evolution of warfare across history through weaponry and technological change In war the weapons and technologies employed have direct effects on how battles are waged When new weapons are introduced they can dramatically alter the outcomes of warfare and consequently change the course of history itself This reference work provides a fascinating overview of the major weapon systems and military technologies that have had a major impact on world history Addressing weapons as crude as the club used by primitive man to the high tech weapons of today such as unmanned drones Instruments of War Weapons and Technologies That Have Changed History offers nearly 270 profusely illustrated entries that examine the key roles played by specific weapons and identify their success and failures The book begins with an introductory essay that frames the subject matter of the work and discusses the history of weapons as a whole The text is concise and accessible to general readers without extensive backgrounds in military history yet provides the detailed information necessary to convey the complexity of the evolution of warfare through technological change

The Art of Chivalry Metropolitan Museum of Art (New York, N.Y.), Helmut Nickel, Stuart W. Pyhr, Leonid Tarassuk, 1982

American Revolution Spencer C. Tucker, 2021-05-17 Providing a kaleidoscope of resources and entries on the people places and events that coalesced into the American Revolution this guide offers a concise introduction to one of the most famous revolutions ever fought Though the American Revolution is often described within the thematic model of suppression versus freedom the true significance of the event can be found in its nuances Explicating complex issues from slavery and the role of women to matters of diplomacy and strategic warfare this guide offers comprehensive coverage of the American Revolution without oversimplifying its many facets Entries on key documents like the Articles of Confederation and the U S Constitution help readers grasp the full scope of the revolution s catalysts as well as its achievements Primary source documents also provide access to the revolution as experienced in real time Author Spencer C Tucker editor of ABC CLIO s award winning five volume set American Revolution The Definitive Encyclopedia and Document Collection draws on his expertise to prepare the most pertinent entries on the American Revolution that both address its core elements and spur further research
