## **The Highwayman Visions In Poetry:**

The Highwayman Alfred Noyes, 2009-03-01 The Highwayman is the second book in a unique series Visions in Poetry featuring classic poems illustrated by outstanding contemporary artists Originally published in 1907 The Highwayman is a haunting ballad of doomed love Seldom have mood and character been so memorably evoked The pounding rhythm of the rhyme the dramatic pacing and the power of the imagery have made it one of the most popular read alouds of all time Murray Kimber's stunning noir interpretation is a darkly brilliant achievement that stays true to the poem's tragic spirit **Good**

**Books Matter** Larry Swartz, Debbie Nyman, 2008 Based on extensive research on the features that make children's books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level *Learning*

*to Perform* Carol Simpson Stern, Bruce Henderson, 2010-06-30 In Learning to Perform Carol Simpson Stern and Bruce Henderson introduce the art and craft of performing literary texts including poetry prose fiction and drama as well as personal narratives and ethnographic materials They present a performance methodology that offers instruction in close reading and analysis the development and refinement of performance skills and the ability to think critically about and discuss a performance As students become reacquainted with the world of the imagination and its possibilities the insights they gain in the classroom can become the basis for achievement not only on the stage or in front of the camera but in many facets of public life By addressing an expanded sense of text that includes cultural as well as literary artifacts Stern and Henderson bridge the gap between oral interpretation and the more inclusive field of performance studies A substantial appendix provides a dozen texts for performance in the classroom including works by Jane Hamilton Willa Cather Henry James E M Forster Henrik Ibsen Jane Austen and Michael S Bowman Book Jacket **A Catalogue of a Unique ...**
