Rafael Sabatini,2020-10-21 He was little more than a boy although four years were sped already since as a mere lad of fourteen he had kept vigil throughout the night over his arms in the Cathedral of Zamora preparatory to receiving the honour of knighthood at the hands of his cousin Alfonso VII of Castile Yet already he was looked upon as the very pattern of what a Christian knight should be worthy son of the father who had devoted his life to doing battle against the Infidel wheresoever he might be found He was well grown and tall and of a bodily strength that is almost a byword to this day in that Portugal of which he was the real founder and first king *The Historical Nights' Entertainment* Rafael Sabatini,1950 **The**

The Historical Nights Entertainment (Classic Reprint)
 Rafael Sabatini, 2015-07-02 Excerpt from The Historical Nights Entertainment The kindly reception accorded to the first volume of The Historical Nights Entertainment issued in December of 1917 has encouraged me to prepare the second series here assembled As in the case of the narratives that made up the first volume I set out again with the same ambitious aim of adhering scrupulously in every instance to actual recorded facts and once again I find it desirable at the outset to reveal how far the achievement may have fallen short of the admitted aim On the whole I have to confess to having allowed myself perhaps a wider latitude and to having taken greater liberties than was the case with the essays constituting the previous collection This however applies where applicable to the parts rather than to the whole The only entirely apocryphal narrative here included is the first The Absolution This is one of those stories which if resting upon no sufficient authority to compel its acceptance will nevertheless resist all attempts at final refutation having its roots at least in the soil of fact It is given in the rather discredited Portuguese chronicles of Acenheiro and finds place more or less as related here in Duarte Galvao's Chronicle of Affonso Henriques whence it was taken by the Portuguese historical writer Alexandre Herculano to be included in his Lendas e Narrativas About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Historical Nights' Entertainment First Series Rafael Sabatini, 2018-08-14

The Historical Nights Entertainment First Series by Rafael Sabatini In approaching The Historical Nights Entertainment I set myself the task of reconstructing in the fullest possible detail and with all the colour available from surviving records a group of more or less famous events I would select for my purpose those which were in themselves bizarre and resulting from the interplay of human passions and whilst relating each of these events in the form of a story I would compel that story scrupulously to follow the actual recorded facts without owing anything to fiction and I would draw upon my imagination if at all merely as one might employ colour to fill in the outlines which history leaves grey taking care that my colour should be as true to nature as possible For dialogue I would depend upon such scraps of actual speech as were chronicled in each case amplifying it by translating into terms of speech the paraphrases of contemporary chroniclers Such was the task I set myself I am aware that it has been attempted once or twice already beginning perhaps with the Crimes Celebres of Alexandre Dumas I am not aware that the attempt has ever succeeded This is not to say that I claim success in the essays that follow How nearly I may have approached success judged by the standard I had set myself how far I may have fallen short my readers will discern I am conscious however of having in the main dutifully resisted the temptation to take the easier road to break away from restricting fact for the sake of achieving a more intriguing narrative In one instance however I have quite deliberately failed and in some others I have permitted myself certain speculations to resolve mysteries of which no explanation has been discovered Of these it is necessary that I should make a full confession My deliberate failure is The Night of Nuptials I discovered an allusion to the case of Charles the Bold and Sapphira Danvelt in Macaulay's History of England quoted from an old number of the Spectator whilst I was working upon the case of Lady Alice Lisle There a similar episode is mentioned as being related of Colonel Kirke but discredited because known for a story that has a trick of springing up to attach itself to unscrupulous captains I set out to

track it to its source and having found its first appearance to be in connection with Charles the Bold's German captain Rhynsault I attempted to reconstruct the event as it might have happened setting it at least in surroundings of solid fact We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
