Excerpt from *The History of Georgia Containing Brief Sketches of the Most Remarkable Events Up to the Present Day 1784*  
This is a reprint not a revision The first volume of McCall s History was published in 1811 the second volume in 1816 Major  
McCall was nearly a man at the close of the Revolution later a gallant officer in the regular army He learned devotion to duty  
and from a sense of duty combined with love of country he wrote his History of Georgia while suffering constant and  
tormenting pain and confined to a roller chair by his physical disabilities Having served faithfully in the armies of his country  
he did not want the record of what was truly its heroic period to be lost and in so far as he could preserve that record in spite  
of age and feebleness and pain he did so There are many curious phrases in the book many familiar words the spelling of  
which does not look familiar There are a number of statements not altogether accurate in detail But I have made no changes  
I prefer to give to our readers the work exactly as it came from Major McCall s hand written at a time when a great many  
men who had been soldiers of the Revolution were yet in the prime of life Notwithstanding its defects of punctuation of  
grammar and of spelling it is a work of intense interest to Georgians and it is reproduced exactly as it was first printed ninety  
eight years ago except that the two volumes are included in one with the idea that it will be helpful to the Georgians of this  
day to read of what the Georgians of that day did and suffered About the Publisher Forgotten Books publishes hundreds of
