

History of Sierra Leone

- 1808: Sierra Leone became a British crown colony
- 1839: Slaves aboard the *Amistad* revolt to secure their freedom. Their leader is Sengbe Pieh (Joseph Cinque), a young Mende from Sierra Leone.
- 1951: A constitution is enacted by the British to begin the process of decolonization (or when a colony becomes self-governing)
- April 27, 1961: Sierra Leone becomes independent with Sir Milton Margai as its first prime minister.

Sengbe Pieh
(Joseph
Cinque)

Sir Milton Margai

The History Of Sierra Leone

The History Of Sierra Leone:

A History of Sierra Leone Christopher Fyfe, 1962 This monumental history of Sierra Leone the first to be published on such a scale is written with particular emphasis on liberated Africans and their descendants the Sierra Leone Creoles and their contribution to the history of West Africa Jacket **Back to Africa** Richard West, 1970 *A Short History of Sierra Leone* Christopher Fyfe, 1967 **The History of Sierra Leone** A. B. C. Sibthorpe, 1970 First Published in 1970 Routledge is an imprint of Taylor Francis an informa company *A History of Sierra Leone* Christopher Fyfe, 1968 **Sierra Leone** David Harris, 2014-06-01 A new political history of the former British colony in West Africa best known for its diamonds and recent violent civil war this covers 225 years of history and fills a gap in African studies *Sierra Leone* David John Harris, 2014 A new political history of the former British colony in West Africa best known for its diamonds and recent violent civil war this covers 225 years of history and fills a gap in African studies **A History of Sierra Leone** Christopher H. Fyfe, 1962 *A History of the Colony of Sierra Leone, Western Africa* John Joseph Crooks, 1903 **The History of Sierra Leone** C. Magbaily Fyle, 1988 *The Paradoxes of History and Memory in Post-Colonial Sierra Leone* Sylvia Ojukutu-Macauley, Ismail Rashid, 2013-10-10 This anthology reflects the complex processes in the production of historical knowledge and memory about Sierra Leone and its diaspora since the 1960s The processes while emblematic of experiences in other parts of Africa contain their own distinctive features The fragments of these memories are etched in the psyche bodies and practices of Africans in Africa and other global landscapes and on the other hand are embedded in the various discourses and historical narratives about the continent and its peoples Even though Africans have reframed these discourses and narratives to reclaim and re center their own worldviews agency and experiences since independence they remained until recently heavily sedimented with Western colonialist and racist ideas and frameworks This anthology engages and interrogates the differing frameworks that have informed the different practices professional as well as popular of retelling the Sierra Leonean past In a sense therefore it is concerned with the familiar outline of the story of the making and unmaking of an African nation and its constituent race ethnic class and cultural fragments from colonialism to the present Yet Sierra Leone the oldest and quintessential British colony and most Pan African country in the continent provides interesting twists to this familiar outline The contributors to this volume who consist of different generations of very accomplished and prominent scholars of Sierra Leone in Africa the United States and Europe provide their own distinctive reflections on these twists based on their research interests which cover ethnicity class gender identity formation nation building resistance and social conflict Their contributions engage various paradoxes and transformative moments in Sierra Leone and West African history They also reflect the changing modes of historical practice and perspectives over the last fifty years of independence *Sierra Leone* Bankole Kamara Taylor, 2014-02 This work looks at Sierra Leone its people and history Other subjects are also covered to provide a general introduction to the country It is not intended for academic specialists and it is not an in

depth study of the country It is written from the perspective of a layman or general reader who simply wants to know some important things about this West African country Sierra Leone is one of the oldest countries in Africa And before it won independence in 1961 it was also one of the oldest colonies on the continent Only two African countries won independence in 1961 both from the same colonial power Great Britain They were Sierra Leone on 27 April and Tanganyika on 9 December The history of Sierra Leone is also one of the most tragic But Sierra Leone still is one of the most fascinating countries on the continent in spite of the horrendous tragedy it went through during the civil war in the 1990s The fact that it emerged intact from that brutal conflict is strong testimony to the resilience of the Sierra Leonean people against overwhelming odds which could have broken weaker souls

A New History of Sierra Leone Joe A. D. Alie,1990 During the colonial era very little thought was given to the promotion of African history and culture in African educational institutions Most colonial educationalists stubbornly refused to appreciate that Africa had a history worth talking about

A History of Sierra Leone 1400 A. P. Kup,2003-01-01 *Abolition and Empire in Sierra Leone and Liberia* B. Everill,2012-12-15 Bronwen Everill offers a new perspective on African global history applying a comparative approach to freed slave settlers in Sierra Leone and Liberia to understand their role in the anti slavery colonization movements of Britain and America

Sierra Leone James Knight,Katrina Mason,Sean Connolly,2017-11-27 This new thoroughly updated third edition of Bradt s Sierra Leone remains the only English language guide dedicated to this unique West African destination one of only three countries where the ber elusive pygmy hippo can be found and where coastal mountains and sheltered beaches are the stuff of daydreams and postcards With Bradt s Sierra Leone you can explore the infamous diamond mines and rainforest covered mountains go in search of pygmy hippos or relax on the country s beaches and islands Offering significantly more coverage than any other guide it is an ideal companion for tourists volunteers and international workers alike and also covers newly declared eco tourist sites as well as the trans boundary peace park of Gola Forest National Park shared with neighbouring Liberia This new edition also covers Freetown s new beach music festival as well as details of everything from where to visit rescued chimpanzees to touring the traditional wooden board homes of the Krio people descendants of repatriated slaves from the Americas and Europe Sierra Leone continues to be one of the best beach destinations in West Africa and also one of the region s best trekking destinations given the varied topography and the presence of Mount Bintumani West Africa s highest peak The country has seen a heartening recovery since emerging from civil war a decade ago and the Bradt guide is the first to take stock of the country s post Ebola travel situation Sierra Leone is proudly back on the tourism map for the adventurous beach loving jungle exploring mountain scaling and curious of heart traveller

Sierra Leone's Settler Women Traders E. Frances White,2025-10-01 The early part of the nineteenth century saw the establishment of West Africa s Sierra Leone settlement as an important center for the expanding trade economy A surprising number of Sierra Leonean traders were Krio women whose crosscultural background helped them to mediate the contact between European and

African markets In Sierra Leone's Settler Women Traders E Frances White has unearthed the fascinating social and economic history of these women traders from the late eighteenth to the mid twentieth century Using a lively mixture of newspaper accounts contemporary observations colonial documents and oral histories this book tells the story of former slaves and captives from Jamaica North America and other areas of West Africa who became successful traders linking their regional trade networks with the international economy The study traces the eventual decline of the Sierra Leone traders influence under the extension of colonial rule and documents the gradual shift of Krio women into professional and semiprofessional occupations Sierra Leone's Settler Women Traders rescues these women from the invisibility that often befalls colonial subcultures and sheds new light on the role of women as cultural brokers across ethnic boundaries resulting in a study that makes a significant contribution to the ongoing debate over the impact of colonial rule on women in Africa

Muslim Fula Business Elites and Politics in Sierra Leone Alusine Jalloh, 2018 The first comprehensive book on the participation of Muslim Fula business elites in the post independence politics of Sierra Leone *The Cambridge History of Africa* J. D. Fage, Roland Anthony Oliver, 1975 The period covered in this volume begins with the emergence of anti slave trade attitudes in Europe and ends on the eve of European colonial conquest *New Perspectives on the Sierra Leone Krio* Mac Dixon-Fyle, Gibril Raschid Cole, 2006 The ex slave Krio population of Freetown Sierra Leone an amalgam of ethnicities drawn from several parts of the African continent is a fascinating study in hybridity creolization European cultural penetration the retention of African cultural values and the interface between New World returnees and autochthonous populations of West Africa Although its Nigerian connections are often acknowledged insufficient attention has been paid to the indigenous Sierra Leonean roots of this community This anthology addresses this problem while celebrating the complexities of Krio identity and Krio interaction with other ethnic groups and nationalities in the British colonial experience

Adopting the Tune of Phrase: An Psychological Symphony within **The History Of Sierra Leone**

In a global taken by displays and the ceaseless chatter of quick transmission, the melodic beauty and mental symphony developed by the published term usually fade into the back ground, eclipsed by the relentless sound and distractions that permeate our lives. But, nestled within the pages of **The History Of Sierra Leone** a stunning literary prize filled with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, that interesting masterpiece conducts readers on an emotional journey, skillfully unraveling the concealed tunes and profound influence resonating within each carefully constructed phrase. Within the depths with this touching assessment, we shall explore the book is central harmonies, analyze its enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
