Textbook of Clinical Management of Club Drugs and Novel Psychoactive Substances Dima Abdulrahim, Owen Bowden-Jones, 2022-10-13 The only book to present the international evidence on harms and clinical management of club drugs and novel psychoactive substances

Effective Interprofessional Education Hugh Barr, Ivan Koppel, Scott Reeves, Marilyn Hammick, Della S. Freeth, 2008-04-15 This volume presents a systematic review of interprofessional education in health and social care This is accompanied by a wider ranging critique of interprofessional education grounded by experience and informed by sources beyond the evaluations that qualified for inclusion in the review Synthesising the evidence base for interprofessional education nevertheless remains central with 353 studies surveyed in the first instance from which 107 studies form the basis for the final analysis The book does much more than amass evidence It

revisits conventional wisdom setting an agenda to help interested parties perform better by applying lessons learned remedying weaknesses and renewing efforts to address unanswered questions The first three chapters set the scene for the systematic review and its findings The middle section of the book articulates the findings of the review Finally the closing chapters consider values and attitudes theoretical perspectives and offer conclusions Arguments assumptions and evidence in this publication are presented to inform policy making programme planning teaching and research **Nurse as Educator: Principles of Teaching and Learning for Nursing Practice** Bastable, 2017-12-07 *nurse as Educator Principles of Teaching and Learning for Nursing Practice* Fifth Edition prepares nurse educators clinical nurse specialists and nurse practitioners for their ever increasing role in patient teaching health education health promotion and nursing education **Sexuality Education** Elizabeth Schroeder, Judy Kuriansky, 2009-04-30 An exemplary team of professionals provides a comprehensive look at sex education the heated debate over federal controls current research and practice programs politics legislation and cultural and religious issues related to sex and sexuality education In the groundbreaking *Sexuality Education Past Present and Future* the history practices and politics of sexuality education are explained Respected educators counselors and therapists marshal both research and educated opinion to offer insights into exactly what is meant by sex education what the various approaches are what age appropriate lessons are supported by most professionals and the impact of government policies Noting that the need for sexuality education has expanded to adults from new parents to senior citizens this unique work also takes readers into classrooms and makes them privy to conversations representing everyone from elementary school students to nursing home residents These comments reveal the range of unanswered questions about sex questions that are important for psychological as well as physical health In addition the contributors explore ongoing issues in sexuality education such as how to present culturally competent lessons that include consideration of race ethnicity gender religion and sexual orientation The experts also examine sexuality education in other countries the challenges those countries face and their victories over unplanned pregnancy and STDs in the global effort to preserve sexual health **Oxford Textbook of Palliative Social Work** Terry Altiglio, Shirley Otis-Green, 2011-03-28 This text is the definitive resource for practicing palliative social work clinicians It is designed to meet the needs of professionals who seek to provide culturally sensitive biopsychosocial spiritual care for patients and families living with life threatening illness **Lipidology, An Issue of Endocrinology and Metabolism Clinics of North America** Edward A. Gill, Christie M. Ballantyne, Kathleen L. Wyne, 2016-02-27 This issue of *Endocrinology and Metabolism Clinics* examines the timely topic of Lipidology In addition to the New Recommendations ACC AHA Lipid Guidelines the issue also includes Familial Hypercholesterolemia LDL Apheresis Lipids in Pregnancy and Women Diabetes and Lipidology Diabetic Dyslipidemia Fatty Liver Disease Lipids and HIV Disease Residual Risk and Statins effects on diabetes cognition and liver safety **Religion and Psychology Research Progress** Joan C. Upton, 2008 Addresses the interrelationship of psychology and religion This work examines the areas of health care longevity

and terrorism and their links to psychology and religiousness
