HOLLYWOOD EXILES

The Hollywood Exiles

John Baxter

The Hollywood Exiles:

The Hollywood Exiles John Baxter, 1976 Baxter describes the interaction between the American film industry and international actors and directors

The Hollywood Exiles John Baxter, 1976 Hollywood Exiles in Europe Rebecca Prime, 2014-01-14 Rebecca Prime documents the untold story of the American directors screenwriters and actors who exiled themselves to Europe as a result of the Hollywood blacklist During the 1950s and 1960s these Hollywood migrants directed wrote or starred in almost one hundred European productions their contributions ranging from crime film masterpieces like *Du rififi chez les hommes* 1955 Jules Dassin director to international blockbusters like *The Bridge on the River Kwai* 1957 Carl Foreman and Michael Wilson screenwriters and acclaimed art films like *The Servant* 1963 Joseph Losey director At once a lively portrait of a lesser known American lost generation and an examination of an important transitional moment in European cinema the book offers a compelling argument for the significance of the blacklisted migrants to our understanding of postwar American and European cinema and Cold War relations Prime provides detailed accounts of the production and reception of their European films that clarify the ambivalence with which Hollywood was regarded within postwar European culture Drawing upon extensive archival research including previously classified material *Hollywood Exiles in Europe* suggests the need to rethink our understanding of the Hollywood blacklist as a purely domestic phenomenon By shedding new light on European cinema's changing relationship with Hollywood the book illuminates the postwar shift from national to transnational cinema

Cold War Exiles in Mexico Rebecca Mina Schreiber, 2008 The onset of the Cold War in the 1940s and 1950s precipitated the exile of many U S writers artists and filmmakers to Mexico Rebecca M Schreiber illuminates the work of these cultural exiles in Mexico City and Cuernavaca and reveals how their artistic collaborations formed a vital and effective culture of resistance

Home, Exile, Homeland Hamid Naficy, 2013-08-21 Global changes in capital power technology and the media have caused massive shifts in how we define home and community leaving redrawn territories and globalized contexts This interdisciplinary study of the media brings together essays by accomplished critics to discuss the way film television music and computer and electronic media are shaping identities and cultures in an increasingly globalized world Ranging from intensely personal to highly theoretical the contributors explore our complex negotiation of home and homeland in a postmodern world Contributors Homi Bhabha Thomas Elsaesser Rosa Linda Fregoso Teshome H Gabriel George Lipsitz Margaret Morse David Morley John Peters Patricia Seed Ella Shohat and Vivian Sobchack

Weimar in Exile Jean-Michel Palmier, 2017-01-31 A magisterial history of the artists and writers who left Weimar when the Nazis came to power In 1933 thousands of intellectuals artists writers militants and other opponents of the Nazi regime fled Germany They were in the words of Heinrich Mann the best of Germany refusing to remain citizens in this new state that legalized terror and brutality Exiled across the world they continued the fight against Nazism in prose poetry painting architecture film and theater *Weimar in Exile* follows these lives from the rise of national socialism to their return to a ruined homeland retracing

their stories struggles setbacks and rare victories The dignity in exile of Walter Benjamin Ernst Bloch Bertolt Brecht Alfred D
 blin Hanns Eisler Heinrich Mann Thomas Mann Anna Seghers Ernst Toller Stefan Zweig and many others provides a
 counterpoint to the story of Germany under the Nazis **The ^ADream Endures** Kevin Starr,2002-11-28 What we now call
 the good life first appeared in California during the 1930s Motels home trailers drive ins barbecues beach life and surfing
 sports from polo and tennis and golf to mountain climbing and skiing sportswear a word coined at the time and sun suits
 were all a part of the good life perhaps California s most distinctive influence of the 1930s In The Dream Endures Kevin Starr
 shows how the good life prospered in California in pursuits such as film fiction leisure and architecture and helped to define
 American culture and society then and for years to come Starr previously chronicled how Californians absorbed the thousand
 natural shocks of the Great Depression unemployment strikes Communist agitation reactionary conspiracies in Endangered
 Dreams the fourth volume of his classic history of California In The Dream Endures Starr reveals the other side of the picture
 examining the newly important places where the good life flourished like Los Angeles where Hollywood lived Palm Springs
 where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where
 Einstein went and changed his view of the universe and college towns like Berkeley We read about the rich urban life of San
 Francisco and Los Angeles and in newly important communities like Carmel and San Simeon the home of William Randolph
 Hearst where each Thursday afternoon automobiles packed with Hollywood celebrities would arrive from Southern California
 for the long weekend at Hearst Castle The 1930s were the heyday of the Hollywood studios and Starr brilliantly captures
 Hollywood films and the society that surrounded the studios Starr offers an astute discussion of the European refugees who
 arrived in Hollywood during the period prominent European film actors and artists and the creative refugees who were
 drawn to Hollywood and Southern California in these years Igor Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht
 Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them
 attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams
 for their adopted nation Starr reserves his greatest attention and most memorable writing for San Francisco For Starr
 despite the city s beauty and commercial importance San Francisco s most important achievement was the sense of well
 being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like
 Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene Dietrich Jean Harlow
 Bette Davis Carole Lombard and the improbable Mae West The Dream Endures is a brilliant social and cultural history in
 many ways the most far reaching and important of Starr s California books **European and Latin American Social**
Scientists as Refugees, Émigrés and Return-Migrants Ludger Pries,Pablo Yankelevich,2018-10-28 During the 1930s
 thousands of social scientists fled the Nazi regime or other totalitarian European regimes mainly towards the Americas The
 New School for Social Research NSSR in New York City and El Colegio de M xico Colmex in Mexico City both were built

based on receiving exiled academics from Europe Comparing the first twenty years of these organizations this book offers a deeper understanding of the corresponding institutional contexts and impacts of emigrated exiled and refugee academics It analyses the ambiguities of scientists situations between emigration return migration and transnational life projects and examines the corresponding dynamics of application adaptation or amalgamation of travelling theories and methods these academics brought Despite its institutional focus it also deals with the broader context of forced migration of intellectuals and scientists in the second half of the last century in Europe and Latin America In so doing the book invites a deeper understanding of the challenges of forced migration for scholars in the 21st century **Michael Curtiz** Alan K.

Rode,2017-11-17 Academy Award winning director Michael Curtiz 1886 1962 whose best known films include Casablanca 1942 Yankee Doodle Dandy 1942 Mildred Pierce 1945 and White Christmas 1954 was in many ways the anti auteur During his unprecedented twenty seven year tenure at Warner Bros he directed swashbuckling adventures westerns musicals war epics romances historical dramas horror films tearjerkers melodramas comedies and film noir masterpieces The director s staggering output of 180 films surpasses that of the legendary John Ford and exceeds the combined total of films directed by George Cukor Victor Fleming and Howard Hawks In the first biography of this colorful instinctual artist Alan K Rode illuminates the life and work of one of the film industry s most complex figures He explores the director s little known early life and career in his native Hungary revealing how Curtiz shaped the earliest days of silent cinema in Europe before immigrating to the United States in 1926 In Hollywood Curtiz earned a reputation for explosive tantrums his difficulty with English and disregard for the well being of others However few directors elicited more memorable portrayals from their casts and ten different actors delivered Oscar nominated performances under his direction In addition to his study of the director s remarkable legacy Rode investigates Curtiz s dramatic personal life discussing his enduring creative partnership with his wife screenwriter Bess Meredyth as well as his numerous affairs and children born of his extramarital relationships This meticulously researched biography provides a nuanced understanding of one of the most talented filmmakers of Hollywood s golden age *The Cold War* Spencer C. Tucker,2020-10-27 This sweeping reference work covers every aspect

of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries

on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Emmet Dalton Sean Boyne,2014-11-01 This is the first ever biography of Emmet Dalton an American born Dubliner Home Ruler and later Republican whose extraordinary military career as a British officer IRA leader and General in the Free State army brought him from Flanders to Beal na Bl th A decorated hero of the Battle of the Somme he returned from the war with the rank of Captain and transferred his military expertise to the now rampant IRA serving as Director of Training and greatly impressing Michael Collins with his extraordinary daring and nerve Soon befriending Collins and becoming his close confidante he accompanied him to the Treaty talks in London in 1921 and in the Civil War that followed Dalton oversaw the bombardment of the Four Courts personally manning an 18 pounder artillery gun He then masterminded and led the audacious seaborne landings and successful recapture of Cork City and Munster Republic from Anti Treaty forces but was ultimately traumatised when Collins died in his arms at Beal na Bl ith In his expansive biography Sean Boyne vividly portrays Dalton s experiences and the vital role he played in the politics and wars that created the independent Irish state Dalton was the first Senate Clerk and he became a pioneer of the Irish film world founding Ardmore film studios and establishing the Irish Film industry An attractive and high achieving figure in Irish life in war and peace Dalton s heroism allowed him to live his many lives to the full and this compelling biography does justice to a figure who will captivate all those interested in modern Irish history and the birth of the state

Film Quarterly Spring 2014 B. Ruby Rich,2014-07-03 Film Quarterly has published substantial peer reviewed writing on cinema and media for nearly sixty years earning a reputation as the most authoritative academic film journal in the United States as well as an important English language voice of cinema studies abroad

Continental Strangers Gerd Gemünden,2014-01-21 Hundreds of German speaking film professionals took refuge in Hollywood during the 1930s and 1940s making a lasting contribution to American cinema Hailing from Austria Hungary Poland Russia and the Ukraine as well as Germany and including Ernst Lubitsch Fred Zinnemann Billy Wilder and Fritz Lang these multicultural multilingual writers and directors betrayed distinct cultural sensibilities in their art Gerd Gemünden focuses on Edgar G Ulmer s *The Black Cat* 1934 William Dieterle s *The Life of Emile Zola* 1937 Ernst Lubitsch s *To Be or Not to Be* 1942 Bertolt Brecht and Fritz Lang s *Hangmen* Also *Die* 1943 Fred Zinnemann s *Act of Violence* 1948 and Peter Lorre s *Der Verlorene* 1951 engaging with issues of realism auteurism and genre while tracing the relationship between film and history Hollywood politics and censorship and exile and re migration

An Evening's Entertainment Richard Koszarski,1994-05-04 On the age of silent movies

European Writers in Exile Robert C. Hauhart,Jeff Birkenstein,2018-10-26 *European Writers in Exile* collects a series of original essays that address the writers universal existential dilemma when viewed through the lens of exile who am I where am I from and what

do I write and to whom While we often understand the term exile to refer to writers who have either been forced to leave their home country or region or chosen self exile this term need not be defined so narrowly and the contributors to this volume explore a range of interesting and evolving definitions Various countries in Europe have long been both a refuge for people and writers from many countries and a strife torn region which has forced many to flee within the continent or beyond it The phrase in exile involves writers moving across borders in multiple directions and for multiple reasons including for reasons of duress or personal quest and these themes are addressed and critiqued in these essays This volume naturally examines the cataclysmic and near universal exilic experiences relating to the world wars including essays on Thomas Mann Vladimir Nabokov Hannah Arendt and Leo Strauss Additionally essays address the unique early twentieth century experiences of Emile Zola Franz Kafka Joseph Conrad and James Joyce More contemporary essay subjects include Milan Kundera Norman Manea Eva Hoffman Caryl Phillips and W G Sebald This collection of transnational globalized European literature studies envisions understanding the intersection of our contemporary world and various writers in exile in new cultural historical spatial and epistemological frameworks How does literary production in an increasingly globalized world when seen from exile affect a view back towards a country or region left behind Or conversely how does exile push a writer to look outward to new trans nationalized space s These and other questions are important to investigate Taken in sum European Writers in Exile offers an academically rigorous important and cohesive volume

Chaplin and American Culture Charles J. Maland, 2021-01-12 Charles Maland focuses on the cultural sources of the on and off love hate affair between Chaplin and the American public that was perhaps the stormiest in American stardom

Modernist America Richard Pells, 2011-03-29 America s global cultural impact is largely seen as one sided with critics claiming that it has undermined other countries languages and traditions But contrary to popular belief the cultural relationship between the United States and the world has been reciprocal says Richard Pells The United States not only plays a large role in shaping international entertainment and tastes it is also a consumer of foreign intellectual and artistic influences Pells reveals how the American artists novelists composers jazz musicians and filmmakers who were part of the Modernist movement were greatly influenced by outside ideas and techniques People across the globe found familiarities in American entertainment resulting in a universal culture that has dominated the twentieth and twenty first centuries and fulfilled the aim of the Modernist movement to make the modern world seem more intelligible Modernist America brilliantly explains why George Gershwin s music Cole Porter s lyrics Jackson Pollock s paintings Bob Fosse s choreography Marlon Brando s acting and Orson Welles s storytelling were so influential and why these and other artists and entertainers simultaneously represent both an American and a modern global culture

The Mexican Revolution on the World Stage Adela Pineda Franco, 2019-07-23 The first major social revolution of the twentieth century the Mexican Revolution was visually documented in technologically novel ways and to an unprecedented degree during its initial armed phase 1910 21 and the

subsequent years of reconstruction 1921 40 Offering a sweeping and compelling new account of this iconic revolution The Mexican Revolution on the World Stage reveals its profound impact on both global cinema and intellectual thought in and beyond Mexico Focusing on the period from 1940 to 1970 Adela Pineda Franco examines a group of North American European and Latin American filmmakers and intellectuals who mined this extensive visual archive to produce politically engaged cinematic works that also reflect and respond to their own sociohistorical contexts The author weaves together multilayered analysis of individual films the history of their production and reception and broader intellectual developments to illuminate the complex relationship between culture and revolution at the onset of World War II during the Cold War and amid the anti systemic movements agitating Latin America in the 1960s Ambitious in scope this book charts an innovative transnational history of not only the visual representation but also the very idea of revolution The Many Lives of Cy Endfield Brian Neve, 2015-07-21 Cy Endfield 1914 1995 was a filmmaker Try and Get Me Hell Drivers Zulu with interests in close up magic science and invention The director of several distinctive Hollywood movies he was blacklisted and refused to name names before the House Un American Activities Committee Cultural Translation and Knowledge Transfer on Alternative Routes of Escape from Nazi Terror Susanne Korbel, Philipp Strobl, 2021-08-05 The book investigates and compares the role of artistic and academic refugees from National Socialism acting as cultural mediators or agents of knowledge between their origin and host societies By doing so it locates itself at the intersection of the recently emerging field of the history of knowledge transnational history migration exile as well as cultural transfer studies The case studies provided in this volume are of global scope focusing on routes of escape and migration to Iceland Italy the Near East Portugal and Shanghai and South Central and North America The chapters examine the hybrid ways refugees envisaged managed organized and subsequently mediated their migrations It focuses on how they dealt with their escape in their art and science The chapters ask how the emigrants located themselves did they associate with ethnic religious and or cultural affiliations specific social classes or specific parts of society and how such identifications were portrayed in their knowledge transfer and cultural translations Building on such possible avenues for research this volume aims to offer a global analysis of the multifarious processes not only of cultural translation and knowledge transfer affecting culture sciences networks but also everyday life in different areas of the world

Eventually, you will very discover a additional experience and attainment by spending more cash. still when? pull off you take that you require to acquire those every needs past having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to understand even more something like the globe, experience, some places, behind history, amusement, and a lot more?

It is your no question own period to be in reviewing habit. in the middle of guides you could enjoy now is **The Hollywood Exiles** below.
