P. Blavatsky,2022-10-13 There is perhaps no greater enigma in modern Western literature than The Secret Doctrine The controversial Russian noblewoman Madame Helena Petrovna Blavatsky told the world that the book restored humanity s lost history and destiny Its insights she said had been gleaned from long secret books of wisdom and her tutelage under mahatmas or great souls adepts from the East who exposed the seeker to their esoteric teaching To read The Secret Doctrine is to enter a mysterious world of ancient cosmology and spiritual scientific insights which tell of humanity s unthinkably ancient past and its burgeoning evolution into a new more refined existence For

Classic Collection. The Complete Works of H. P. Blavatsky. Works of Henry S. Olcott. Illustrated H. P. Blavatsky, Henry S. Olcott, Fyodor Dostoyevsky, 2025-02-26* Theosophy is a religion established in the United States during the late 19th century It was founded primarily by the Russian Helena Blavatsky and draws its teachings predominantly from Blavatsky's writings Categorized by scholars of religion as both a new religious movement and as part of the occultist stream of Western esotericism it draws upon both older European philosophies such as Neoplatonism and Asian religions such as Hinduism and Buddhism At a meeting of the Miracle Club in New York City on 7 September 1875 Blavatsky Olcott and Judge agreed to establish an organisation with Charles Sothoran suggesting that they call it the Theosophical Society Prior to adopting the name Theosophical they had debated various potential names among them the Egyptological Society the Hermetic Society and the Rosicrucian Society The term was not new but had been previously used in various contexts by the Philaletheians and the Christian mystic Jakob Böhme Etymologically the term came from the Greek *theos* god's and *sophia* wisdom thus meaning god wisdom divine wisdom or wisdom of God The term *theosophia* appeared in both Greek and Latin in the works of early church fathers as a synonym for theology In her book *The Key to Theosophy* Blavatsky said that the term Theosophy had been coined by the Alexandrian philosophers especially Ammonius Saccas Contents H P Blavatsky *ISIS UNVEILED FROM*

Petrovna Blavatsky,2020-09-28 Since the appearance of Theosophical literature in England it has become customary to call  
its teachings Esoteric Buddhism And having become a habit as an old proverb based on daily experience has it Error runs  
down an inclined plane while Truth has to laboriously climb its way up hill Old truisms are often the wisest The human mind  
can hardly remain entirely free from bias and decisive opinions are often formed before a thorough examination of a subject  
from all its aspects has been made This is said with reference to the prevailing double mistake a of limiting Theosophy to  
Buddhism and b of confounding the tenets of the religious philosophy preached by Gautama the Buddha with the doctrines  
broadly outlined in Esoteric Buddhism Any thing more erroneous than this could hardly be imagined It has enabled our  
enemies to find an effective weapon against Theosophy because as an eminent P li scholar very pointedly expressed it there  
was in the volume named neither Esotericism nor Buddhism The esoteric truths presented in Mr Sinnett s work ceased to be  
esoteric from the moment they were made public nor did the book contain the religion of Buddha but simply a few tenets  
from a hitherto hidden teaching which are now explained and supplemented by many more in the present volumes And even  
the latter though giving out many fundamental tenets from the Secret Doctrine of the East raise but a small corner of the  
dark veil For no one not even the greatest living Adept would be permitted to or could even if he would give out  
promiscuously to a mocking unbelieving world that which has been so effectually concealed from it for long ons and ages  
Esoteric Buddhism was an excellent work with a very unfortunate title though it meant no more than does the title of this  
work The Secret Doctrine It proved unfortunate because people are always in the habit of judging things by their appearance  
rather than by their meaning and because the error has now become so universal that even most of the Fellows of the  
Theosophical Society have fallen victims to the same misconception From the first however protests were raised by  
Brahmans and others against the title and in justice to myself I must add that Esoteric Buddhism was presented to me as a  
completed volume and that I was entirely unaware of the manner in which the author intended to spell the word Budh ism
