we have had Holy Spirit baptism experience yet we have not learned one very important thing how to make the Holy Spirit our friend We have known the Holy Spirit as mentioned in several preaching and sermons But it is however sad that our knowledge has not translated into concrete friendship with the third person of the Trinity the Holy Spirit He is everywhere around us and he longs for our friendship But the problem has always been with the believer who does not know how to make this third person of the Trinity the Holy Ghost a good friend Friends it doesn't matter how long you have been saved It only matters how much you have made the Holy Spirit your friend The Bible tells us that the Holy Spirit is forever going to be present with us from the day we submitted ourselves to the Lordship of Jesus Christ and even to eternity The Holy Spirit is going to be present from the day we were saved and he is also going to be present throughout our life in eternity It bothers me how we take our time to study in the college for four years or even five years depending on your chosen field However the third person of the Trinity the Holy Ghost who will forever abide with us we do not know how to make him a good friend It is with such a burden that I write this book to you and it will help you in developing a solid friendship with the Holy Spirit All through the Bible believers who have been able to develop a friendship with the Holy Spirit wielded enormous power of the spirit of God and their generation was never the same I urge you to read this book with an open mind and when the spirit of God prompts you to drop it for a short prayer please do as the occasion serves you I await your testimony after reading this book

On How the Holy Ghost Became Your Friend      A Quid without Any Quo Jason Micheli, 2023-07-31 Contemporary culture frequently defines freedom the way the Bible describes sin complete autonomy A Quid without Any Quo explores how the gospel sets us free for glad and joyful service Not only is Paul's Letter to the Galatians perhaps the most consequential book of the New Testament for the Protestant Reformation its radical and unyielding proclamation of grace apart from the law is once again timely in a culture that is often without mercy In these reflections on Paul's explosive epistle Jason Micheli shows how Protestants generally but preachers especially can recover a confident articulation of their original message In addition A Quid without Any Quo tackles challenging and relevant questions such as the nature of the Old Testament law the relationship between works and faith the meaning of justification by faith how the gospel relates to issues of race the character of Christian community and the reality of the hope found in Jesus Christ

**The Holy Spirit VS. Man's Animal Kingdom** Paul Cronin, 2022-03-31 In this book I attempt to reconcile events in the Bible to factual science discoveries such

as archaeological and DNA discoveries I explain what I believe was Moses's true motivation for marching the slaves into Canaan and his embedded messages in his writings Applying this theory I now believe and explain why creating a god and religion was man's early way of governing and controlling people placing priests as the gatekeepers to heaven and giving them power over the masses I explain how I believe that Moses's writings sowed the seeds of racism tribalism sexism and homophobia The ripple effects through time perpetuated by the priests and clerics have created a divided dysfunctional and unholy society in the USA and abroad Materialism and greed are the gods of today Our society is and has always been man's animal kingdom that has murdered Jesus disconnecting us with the Holy Spirit and derailing our spiritual evolution

**Practicing the Power** Sam Storms, 2017-02-07 How can Christians pursue and implement the miraculous gifts of the Spirit without falling into fanatical excess and splitting the church in the process The Bible teaches us that we are to be filled with God's Spirit and that God's presence and grace is manifested among his people as they serve love and minister to one another Yet some of the gifts that God offers to his people aren't commonly seen in many churches today Gifts of prophecy healing tongues and other supernatural gifts of God seem to be absent and many Christians are unsure how to cultivate an atmosphere where God's Spirit can work while remaining committed to the foundational truth of God's Word In Practicing the Power pastor and author Sam Storms offers practical steps to understanding and exercising spiritual gifts in a way that remains grounded in the word and centered in the gospel including Combining sound theology with inspiring personal examples Covering all kinds of practical and theological questions about using gifts Practical ways to express the compassion of Jesus to others by partnering with Him in spiritual gifts With examples drawn from his 40 years of ministry as a pastor and teacher Practicing the Power offers help to pastors elders and church members to understand what changes are needed to see God move in supernatural power and to guard against excess and abuse of the spiritual gifts If you long to see God's Spirit move in your church and life and aren't sure why that isn't happening or where to begin this book is for you **The**
