The Hope And The Promise:

A Discourse on the Hope of the Promise ... Discourse,1865 Complete Works Thomas Brookes (Preacher at Margaret's, New Fish Street.),1866 *Hope and Trust in Times of Global Despair and Mistrust* Robert Petkovšek,Bojan Žalec,2023 Hope and trust are key problems of the present world and should therefore be at the centre of interest of science and society Climate change pandemics dangerous global and social polarization people s distrust of politics and institutions social isolation and the rise of mental problems in developed countries of material prosperity are problems that we will only be able to cope with if we know how to cultivate hope and trust The authors deal with them from various aspects of the humanities philosophy theology religious studies intellectual history cognitive science psychology and psychotherapy This gives the book an interdisciplinary character , **The Hope of Life After Death** M. Jeff Brannon,2022-11-15 In a world full of suffering and death humans long for abundant life In this ESBT volume Jeff Brannon explores how the hope of life after death is woven throughout Scripture As we follow the biblical themes of creation fall and redemption we begin to understand the doctrine of resurrection and what it means for Christian faith and discipleship The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 5 Hughes Oliphant Old,2004 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen The Mode of Man's Immortality: Or, the When, where and how of the Future Life Thomas A. Goodwin,1874 The Christian in complete armour; or a treatise on the Saints' war with the devil, etc William GURNALL,1845 **Barrenness and Blessing** Hemchand Gossai,2010-06-24 The stories of this book are about the permanent interaction between God and humankind These narratives invite us to witness the manner in which God enters human community in all of its complexities struggles challenges fears and ultimately hope Hemchand Gossai not just discussed the large variety of themes within this texts but also kept an eye on the implications for the Church and contemporary readers Some experiences like the barrenness wilderness and the wrestling with God are described as metaphors The richness and texture of these metaphors allow the reader to embrace these stories in a way that makes them our stories Our Only Hope Margaret B. Adam,2013-08-08 The most popular source of theological hope for American Christians is that of Jurgen Moltmann Preachers teachers and lay people reflect Moltmann s influence with their hope in a this worldly eschatology and a suffering God However an exclusive reliance on that hope deprives the church of crucial resources in the face of global economic environmental and military crises This book explores Moltmannian hope and considers its costs before looking elsewhere for additional contributions from Thomas Aquinas s theological virtue of hope to

nihilism and beyond in order to encourage the church to sustain and practice hope in Jesus Christ our only hope **Hope: Promise, Possibility, and Fulfillment** Edited by Richard Lennan and Nancy Pineda-Madrid, 2013 Crafting a theology of hope this book addresses both the possibility that hope offers and the capacity of hope to respond to the challenges that life presents to us all **An Exposition of All the Books of the Old and New Testaments** Matthew Henry, 1806 The Spiritual Warfare; Or, the Christian in Compleat Armour. ... Abridged [by J. W. Morris]. William GURNALL, 1828 **Bible Proofs of Universal Salvation** John Wesley Hanson, 1888 **The Holy Bible ... With a Commentary and Critical Notes ... by Adam Clarke. A New Edition, with the Author's Final Corrections**, 1836 Dante and Derrida Francis J. Ambrosio, 2012-02-01 Reading Dante's *Commedia* alongside Jacques Derrida's later religious writings Francis J. Ambrosio explores what these works reveal about religion as a fundamental dynamic of human existence about freedom and responsibility and about the significance of writing itself Ambrosio argues that both the many telling differences between them and the powerful bonds that unite them across centuries show that Dante and Derrida share an identity as religious writers that arises from the human experiences of faith hope and love in response to the divine mystery of being human For both Dante and Derrida Ambrosio contends scriptural religion reveals that the paradoxical tension of freedom and absolute responsibility must lead to the mystery of forgiveness a secret that these two share and faithfully keep by surrendering to its necessity to die so as always to begin again anew **Jürgen Moltmann's Ethics of Hope** Timothy Harvie, 2016-05-06 This book develops a thorough account of the sphere of human moral action in sustained dialogue with Jürgen Moltmann By examining God's role as promise giver particularly in the Christian understanding of resurrection this work describes the occupancy of both history and space in moral terms This leads to an understanding of Jesus' description of the kingdom of God to feature prominently in describing both the possibility and content of human moral action By offering an account of each of the main doctrines found in Moltmann's corpus the role of the future the Trinity the Holy Spirit and anthropology this book locates how each contributes to the understanding of ethics from a Christian perspective and subsequently applies these findings to the contemporary issue of poverty and global economics **Ephesians MacArthur New Testament Commentary** John MacArthur, 1986-04-08 Ephesians has rightly been titled the believer's bank and the treasure house of the Bible This beautiful letter tells Christians of their great riches inheritance and fullness in Jesus Christ and in His church It unfolds for them the infinite blessings they possess in Christ and how they can claim and enjoy those possessions Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical **The golden alphabet of the praises of holy Scripture, a comm. upon the 119th Psalm. Mainly extr. from 'The treasury of David'.** Charles Haddon Spurgeon, 1887 **The Holy Bible Containing the Old and New Testaments: the Text Printed from the Most Correct Copies of the Present Authorized Translation, Including the Marginal Readings and Parallel Texts: Matthew to Acts** Adam Clarke, 1851
