The Hospice Alternative Living With Dying:

The Hospice Alternative Margaret Manning, 1984

Hospice Care and Culture Teresa Chikako Maruyama, 2018-12-21

First published in 1999 Maruyama explores some significant difficulties and differences in bringing the western hospice philosophy to the Japanese medical culture Whilst not giving any definite answers this study determines what some of the critical questions that need to be considered into Japanese medicine as Mayuyama argues without defining these questions to begin with we cannot find appropriate solutions

Hospitality as Holiness Luke Bretherton, 2017-03-02 We live amid increasing ethical plurality and fragmentation while at the same time more and more questions of moral gravity confront us Some of these questions are new such as those around human cloning and genetics Other questions that were previously settled have re emerged such as those around the place of religion in politics Responses to such questions are diverse numerous and often vehemently contested Hospitality as Holiness seeks to address the underlying question facing the church within contemporary moral debates how should Christians relate to their neighbours when ethical disputes arise The problems the book examines centre on what the nature and basis of Christian moral thought and action is and in the contemporary context whether moral disputes may be resolved with those who do not share the same framework as Christians Bretherton establishes a model that of hospitality for how Christians and non Christians can relate to each other amid moral diversity This book will appeal to those interested in the broad question of the relationship between reason tradition natural law and revelation in theology and more specifically to those engaged with questions about plurality tolerance and ethical conflict in Christian ethics and medical ethics

Social Work Approaches in Health and Mental Health from Around the Globe Anna Metteri, Teppo Kroger, Anneli Pohjola, Pirkko-Liisa Rauhala, 2013-02-01 Overcome the challenges facing social workers today with international guidance Social Work Approaches in Health and Mental Health from Around the Globe is a valuable stepping stone toward an understanding of the diversity of methods utilized in social work for community health services This work stems from material gathered at the Third International Conference on Social Work in Health and Mental Health held in Tampere Finland In this book you will find new creative theoretical and practical orientations for designing developing and analyzing social work to help you produce policies and services in which clients can positively and productively invest Social Work Approaches in Health and Mental Health from Around the Globe covers a long period in the history of social work in health issues from theoretical treatises to empirical research and analyses of practices The book provides you with research case studies and existing international and national literature from India Botswana Taiwan Lithuania the United Kingdom Australia and the United States This resource explores the shared qualities of social work in health services throughout the world despite differences between countries in terms of culture social system and history Although these experts come from different parts of the world the book displays an emergence of similar issues and themes including the development of expertise for social workers in the health and mental health fields social work as an

agent of change that crosses borders operates on many levels and across many dimensions of society community based care principles perspectives marginalized groups and the role of the social worker dual divisions becoming aware of and choosing a position in work practice

A Question of Choice Pamela McGrath, 2018-10-26 First published in 1997 this book contributes to our understanding of the way our society responds to issues of death and dying The trans disciplinary research which informs this discussion is situated in the disciplines of bioethics and palliative care Postmodern notions of discourse and power are used to explore the organizational approach of one hospice Karuna Hospice Service to working with the dying In modern Western technological societies biomedicine is the dominant discourse which underpins our care of the terminally ill Bioethics has recently emerged as a discipline concerned with resolving the many ethical dilemmas arising from such a physiological technologized approach to death Rather than add to such studies this research looks into the direction of alternative ways of responding to the dying in our community KHS was chosen for this research as it presented the possibility of a holistic and spiritual alternative to the positivist reductionist hegemony of scientific medicine The research focus is on establishing and describing this difference and exploring how such an organization could maintain resistance to mainstream medicine The research findings are shared with the intent of using the material and insights gained to explore important issues presently arising in bioethics and palliative care for example the recent critique of Principlism in bioethics and the methodological difficulties restricting research into spirituality for palliative care

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1985 *Current Catalog* National Library of Medicine (U.S.), 1985 First multi year cumulation covers six years 1965 70

Acquainted With The Night Allegra Taylor, 2012-06-30 Death is the most predictable thing that will happen to any of us and one of the few experiences we share with every other human being yet we hardly give it a thought Most of us behave as if pretending it didn't exist gives us a measure of control over it The traditional supports that used to cradle us in times of need are no longer there Acquainted with the Night is the story of Allegra Taylor's year spent working in a hospice and training to become part of London Lighthouse the support network for people with AIDS Accessible anecdotal and warmly personal this is an important book For it shows us that death is not the enemy that it is possible to be there for someone who is dying or bereaved to grieve well in the face of death and when the time comes to die well ourselves **Managing Death**

James M. Hoefler, 2019-08-15 Many Americans before they die will go through a stage where they are unable to make competent decisions about their own life sustaining medical treatment More and more family members and care givers are facing these difficult decisions in their stead becoming engulfed in questions about personal wishes medical ethics state and federal law and quality of life Drawing on provocative case studies personal interviews and detailed research James Hoefler examines the medical legal ethical and clinical aspects of such right to die issues Beginning with the legal struggle of a woman whose son existed in a persistent vegetative state PVS for seventeen years the author moves into a broader look at consensus among professional organizations from the AMA to the President's Commission to the National Center for State Courts beliefs of mainstream religious groups public opinion issues surrounding end stage Alzheimer's and other organic brain disorders that can slowly lead to PVS and the role of artificial nutrition and hydration in these cases Hoefler concludes with recommendations on how to improve the quality of right to die decision making An absorbing read with a minimum of technical jargon this book is a valuable guide to care givers public policy students medical ethicists family members and anyone facing questions about an individual's right to die Family Rights and Religion John Eekelaar, 2020-09-10 The

interaction between individual rights which are often seen in secular terms and religion is becoming an important and complex topic not only for academic study but for practical policy This volume collects a range of writings from journals edited collections and individual books which deal with different aspects of the interaction within the context of family life and which appear with their original pagination These studies have been selected because they throw a sharp light on central

elements of the role of religion in determining the structure of the rights of family members in relation to one another both from an historical and contemporary perspective While many of the writings are focused on US and European systems selected writings covering other systems illustrate the universal nature of the topic The studies are accompanied by a reflective commentary from the editor which sets the writings in a broad context of social constitutional and philosophical thought with the aim of stimulating critical thought and discussion

Reichel's Care of the Elderly Christine Arenson, William Reichel, 2009-02-09 Reichel's formative text is designed as a practical guide for health specialists confronted with the unique problems of geriatric patients

The Art of Dying Patricia Weenolsen, 2016-02-02 The Art of Dying speaks to modern readers with refreshing frankness and wit It covers the subject thoroughly from how to inform relatives of impending death to coping with pain and fear to death rituals to preparing for a possible afterlife or depending on one's viewpoint the end of it all Publishers Weekly Along with our caring presence this book may be the finest gift we can give someone facing the last stage of life Rabbi Harold Kushner author of When Bad Things Happen to Good People Dr Weenolsen doesn't duck the tough questions M Brewster Smith PhD former president American Psychological Association This book gives the same things a good support group does compassionate sympathy and practical advice for people sharing pain It will be a godsend Rebecca Brown author of Gifts of the Body Begins with the day you receive the diagnosis and the sudden realization that never again will you be as you were Even if by some miracle you heal it will be only temporary Weenolsen takes the panic and paralysis out of such news through wise aggressive no holds barred approaches Patricia Holt San Francisco Chronicle A book everyone can benefit from reading Nancy Pearl author of More Book Lust Also for family and friends of dying persons for professionals in the health care fields and for those who train them Hannelore Wass PhD founding editor Death Studies
