Literacy Activities for Classic and Contemporary Texts 7-14 Gill Robins, Laura-Jane Evans-Jones, 2016-09-17

English teachers are always keen to explore new ways of motivating their pupils to engage with reading both for learning and for pleasure. *Literacy Activities for Classic and Contemporary Texts 7-14* is a practical, friendly book which uses the 'whoosh' to cover some of our best-known classic and contemporary texts and offers a thoroughly enjoyable way for pupils to become part of the story rather than just passive recipients of it. As an innovative and active learning strategy, the 'whoosh' technique allows all students, regardless of gender, age, ability, learning need, or command of language, to partake on an equal footing. For younger pupils, the activities in this book provide an ideal way to internalise structure and key elements in story-telling through physical response. For older students, they provide an enjoyable way to engage with challenging texts as well as facilitating the analysis of themes, issues, characterisation, and setting. Students themselves become the story as its characters, sounds, and even objects once they are
