all revolutions this one too has led to a regime more despotic than the one it replaced So observes an omniscient narrator in Ghazaleh Alizadeh's monumental novel The House of the Edrisis offering a darkly comedic glimpse at the aftermath of an unnamed twentieth century uprising In this concluding volume the revolutionary tumult that has consumed the aristocratic Edrisi family and their opulent mansion shows no signs of abating As a ragtag band of squatters turned rulers consolidates power through surveillance and intimidation the novel's eccentric cast of characters is forced to reckon with upended social orders Erstwhile revolutionaries become complicit enforcers of a new authoritarian regime their lofty slogans of liberation curdling into doublespeak At the center of this story stands the ancestral Edrisi manor a fading palace that seems to contain

multitudes Its once vibrant gardens and courtyards rendered in lush descriptive passages now serve as haunted stages for madness romance violence and philosophical reflection in turn Lauded as a crowning achievement of modern Persian literature this first ever English translation of The House of the Edrisis in two volumes offers an unforgettable immersion in one writer s vision of the perils and pathos of a world remade by revolution The House of Royals Saga Keary Taylor, For the first time enjoy the HOUSE OF ROYALS saga in one combined volume This edition includes all five novels House of Royals House of Pawns House of Kings House of Judges House of Ravens When the sun goes down proving loyalty means far more than blood Every town has its history and skeletons but Silent Bend Mississippi s are darker than most Ruled from the shadows by the House the immortal Born and their aging enslaved Bitten everyone knows not to go out after dark and that the police will never look into crimes involving blood Alivia Ryan didn t know the man who claims to be her father through a will even existed until she inherits the Conrath plantation Instead of the sleepy house she expects she finds a mansion and a staff who look at her with fear in their eyes Ian Ward tried to kill Alivia the first time they met and then insisted he train her to defend herself against the House who he claims will try to manipulate and take her in for their own political reasons And the growing attraction between them will threaten their lives Ian is a sworn enemy of the House In Silent Bend people disappear the threat of a demented King and the legend of his resurrecting Queen hang over everyone s heads and proving loyalty means far more than blood You d better watch who you trust in this town The House of Royals Saga is a totally new take on vampire paranormal romance with a brave and cunning heroine a smoldering brooding hero and a twist that will drop your jaw to the floor Perfect for fans of Bella Forrest I T Lucas Stephanie Meyer Eva Chase Jaymin Eve and K F Breene

The House of the Unbelieving Thomas Paul Heyse,2021-04-25 Paul Heyse s At the Ghost Hour The House of the Unbelieving Thomas is a masterful exploration of the mystical intersections between belief and doubt enveloped in a rich atmospheric prose style that reflects the symbolic complexities of the late 19th century European literary landscape The narrative weaves a tapestry of intricate character studies focusing on Thomas who grapples with his skepticism amidst eerie ghostly encounters that challenge his understanding of faith and reality Heyse s characteristic blend of realism and supernatural elements evokes a sense of existential introspection keeping readers enraptured within the nuanced dynamics of belief and the haunting shadows of the past Paul Heyse a Nobel laureate was deeply influenced by the cultural currents of his time including Romanticism and early modernism His profound interest in psychological depth and moral ambiguity found its expression in this work as he sought to examine the human condition against the backdrop of philosophical and theological introspection Heyse s command of language and ability to infuse his narratives with philosophical inquiry draw readers into the emotional turmoil and complexity of his characters lives At the Ghost Hour is a compelling read for those fascinated by the interplay of faith and doubt as well as the supernatural undertones that challenge our perceptions of reality This haunting tale invites readers to confront their own beliefs making it a noteworthy addition to the canon of literary explorations questioning the nature of belief in a world fraught with uncertainties **Journals of the House of Commons** Great Britain.
