Never Die Alone Lisa Jackson,2024-08-27 In this suspense filled thriller from 1 New York Times bestselling author Lisa Jackson New Orleans Detectives Rick Bentz and Reuben Montoya match wits against a ruthless serial killer who is targeting twins Never Drop Your Guard It should be the best day of their lives Too bad they never get to see it On the cusp of their twenty first birthday he strikes His victims are always twins their ritualistic murders planned in exquisite detail down to the moment when they breathe their last together Never Close Your Eyes A possibly innocent man is in prison and Brianna Hayward needs to convince the New Orleans police Not just to free her cousin but to save others who will suffer until the true culprit is found Reporter Jase Bridges is intrigued It s a story that could make his career as long as Brianna never guesses the secret in Jase s past Or You ll Never See Him Coming Detective Rick Bentz had doubts about the 21 conviction

when he worked the case in L A Now the real murderer may be loose in Bentz s backyard Twin sisters from All Saints College have vanished on the eve of their twenty first birthday And as Bentz and his partner Reuben Montoya desperately follow the trail a killer prepares to unite his next victims in death forever **Evil Never Dies** Robert Raimondo,2007-03 In 1986 detective Gail Jensen believed she destroyed the most notorious serial killer in New York City history the Black Dagger Killer It is now the year 1999 New York City is preparing for its greatest New Year s celebration ever The arrival of the new millennium Thought to be dead Francois Dubont the Black Dagger Killer has returned to New York City Dubont s purpose is to recover a diary from his ancestor that will grant him immortality Once again Gail Jensen is assigned to stop the Black Dagger Killer Only this time the clock is running out for Jensen and New York City The Case That Never Dies Lloyd Gardner,2012-06-12 Essential reading for anyone interested in the most famous American crime of the twentieth century Since its original publication in 2004 The Case That Never Dies has become the standard account of the Lindbergh Kidnapping Now in a new afterword historian Lloyd C Gardner presents a surprise conclusion based on recently uncovered pieces of evidence that were missing from the initial investigation as well as an evaluation of Charles Lindbergh s role in the search for the kidnappers Out of the controversies surrounding the actions of Colonel Lindbergh Norman Schwarzkopf commander of the New Jersey State Police and FBI director J Edgar Hoover Gardner presents a well reasoned argument for what happened on the night of March 1 1932 The Case That Never Dies places the Lindbergh kidnapping investigation and trial in the context of the Depression when many feared the country was on the edge of anarchy Gardner delves deeply into the aspects of the case that remain confusing to this day including Lindbergh s dealings with crime baron Owney Madden Al Capone s New York counterpart as well as the inexplicable exploits of John Condon a retired schoolteacher who became the prosecution s best witness The initial investigation was hampered by Colonel Lindbergh who insisted that the police not attempt to find the perpetrator because he feared the investigation would endanger his son s life He relented only when the child was found dead After two years of fruitless searching Bruno Richard Hauptmann a German immigrant was discovered to have some of the ransom money in his possession Hauptmann was arrested tried and sentenced to death Throughout the book Gardner pays special attention to the evidence of the case and how it was used and misused in the trial Whether Hauptmann was guilty or not Gardner concludes that there was insufficient evidence to convict him of first degree murder Set in historical context the book offers not only a compelling read but a powerful vantage point from which to observe the United States in the 1930s as well as contemporary arguments over capital punishment *Oracle* Michelle West,2015-05-05 In this epic fantasy series for fans of George R R Martin and Robin Hobb Jewel Markess must contend with deadly court politics and visions of looming magical threats Beneath the streets of Averalaan capital city of the Essalieyan Empire lie the three Princes of the firstborn doomed to sleep until the end of days When gods walked the world they feared the Sleepers and the Sleepers are waking House Terafin has already felt the consequences of their stirring To save the city and the House
