**The Ceramics of South-East Asia** Roxanna M. Brown,1977

**Southeast Asian Ceramics** John N. Miksic,2009

Southeast Asia is known to many as a region teeming with tourist destinations economic opportunities and ex colonies but a lesser known facet is its colourful and myriad cultures in which ceramics form an integral part of the social fabric Focusing primarily on the Classical Period 800 1500 CE this book views ancient Southeast Asian culture through the lens of ceramic production and trade influenced but not completely overshadowed by its powerful neighbour China In this landmark publication noted archaeologist and scholar John N Miksic constructs a vivid picture of the development of Southeast Asia s unique ceramics Along with three contributing authors Pamela M Watkins Dawn F Rooney and Michael Flecker he summarizes the fruits of their research over the last forty years beginning in Singapore with the founding of the Southeast Asian Ceramic Society in 1969 The result is a comprehensive and insightful overview of the technology aesthetics and organization both economic and political of seemingly diverse territories in pre colonial Southeast Asia It is essential reading for all those with an interest in the economic history of the region and also for anyone who seeks a better understanding of the brilliant but too often underestimated material culture of Southeast Asia

**The Routledge Handbook of Archaeology and Globalization** Tamar Hodos,2016-11-18 This unique collection applies globalization concepts to the discipline of archaeology using a wide range of global case studies from a group of international specialists The volume spans from as early as 10 000 cal BP to the modern era analysing the relationship between material culture complex connectivities between communities and groups and cultural change Each contributor considers globalization ideas explicitly to explore the socio cultural connectivities of the past In considering social practices shared between different historic groups and also the expression of their respective identities the papers in this volume illustrate the potential of globalization thinking to bridge the local and global in material culture analysis The Routledge Handbook of Archaeology and Globalization is the first such volume to take a world archaeology approach on a multi period basis in order to bring together the scope of evidence for the significance of material culture in the processes of globalization This work thus also provides a means to understand how material culture can be used to assess the impact of global engagement in our contemporary world As such it will appeal to archaeologists and historians as well as social science researchers interested in the origins of globalization

*Teaching South and Southeast Asian Art* Bokyoung Kim,Kyunghee Pyun,2023-04-10 This volume challenges existing notions of what is Indian Southeast Asian and or South Asian art to help educators present a more contextualized understanding of art in a globalized world In doing so it re examines how South or Southeast Asian art is being made exhibited circulated and experienced in new ways in the United States or in regions under its cultural hegemony The essays presented in this book examine both historical and contemporary transformations or lived experiences of monuments and regional styles sites from South or Southeast Asian art in art making subsequent usage and exhibition making under the rubric of Indian South Asian
