The Challenge Of Islam Encounters In Interfaith Dialogue:

The Challenge of Islam Douglas Pratt, 2005 Addressing challenges arising from Christian Muslim encounter this book engages with the primary challenge enabling outsiders to understand the religion of Islam Douglas Pratt offers distinctive perspectives that complement much other literature in the study of Islam and in particular of Christian Muslim relations and the relation of Islam and the West Whilst in recent years there have been many introductions to Islam a book that combines introductory material with issues of the relationship of Islam to Christianity and Judaism and issues of dialogical engagement is rare and offers an important complementary perspective to other texts Jacket **The Challenge of Islam** Professor

Religious Studies Adjunct Professor Theology and Interreligious Studies Douglas Pratt, Taylor & Francis Group, 2018-03-31 Addressing challenges arising from Christian Muslim encounter this book engages with the primary challenge enabling outsiders to understand the religion of Islam Douglas Pratt offers distinctive perspectives that complement much other literature in the study of Islam and in particular of Christian Muslim relations and the relation of Islam and the West Whilst in recent years there have been many introductions to Islam a book that combines introductory material with issues of the relationship of Islam to Christianity and Judaism and issues of dialogical engagement is rare and offers an important complementary perspective to other texts **Routledge Revivals: The Challenge of Islam (2005)** Douglas

Pratt, 2016-10-04 First published in 2005 this book addresses the challenges arising from Christian Muslim encounter and attempts to enable outsiders to understand the religion of Islam The author offers distinctive perspectives that compliment much other literature in the study of Islam and in particular Christian Muslim relations and the relation of Islam and the west The book is divided into three parts Part I constitutes an introduction to Islam Part II delves into aspects of the wider encounter with Islam and Part III explores issues in regard to the prospect of engaging in dialogue with Islam The author argues that in the post 9 11 world the imperative to understand and engage with Islam is urgent and intends this work to assist the reader in doing so **Muslims, Christians, and the Challenge of Interfaith Dialogue** Jane I.

Smith, 2007-10-11 Christian Muslim dialogue going on in America for many decades has become more intentional and serious since the events of September 11 2001 This volume looks at the history of encounter between the two religions the types of dialogue that are taking place both locally and nationally and the hope that conversation brings for better interfaith understanding No book has been written on this topic before The book combines the history of Christian Muslim relations the rise of Islam in America with an emphasis on groups and individuals who have participated in dialogue and different kinds of dialogue Contemporary Muslim-Christian Encounters Paul Hedges, 2015-07-30 Contemporary Muslim Christian Encounters Developments Diversity and Dialogues addresses the key issues in the present day global encounter between Christians and Muslims Divided into two parts the first examines theoretical issues and concerns which affect dialogue between the two traditions The second part highlights case studies from around the world Chapters come from established

scholars including Reuven Firestone Douglas Pratt and Clinton Bennett emerging scholars as well as practitioner perspectives Highlighting the diversity within the field of Christian Muslim encounter case studies cover examples from the US and globally and include dialogue in the US post 9 11 Nigerian Muslims and Christians and Christian responses to Islamophobia in the UK Covering unique areas and those not explored in detail elsewhere Contemporary Muslim Christian Encounters Developments Diversity and Dialogues will be of interest to advanced students researchers and interfaith professionals

Contemporary Christian-Muslim Dialogue Douglas Pratt, 2021-02-28 This book introduces and examines the work of two significant 21st century Christian Muslim dialogue initiatives Building Bridges and the Christian Muslim Theological Forum and gives close attention to five theological themes that have been addressed in common by them An overview and analysis including inception development outputs and significance together with discussion of the select themes community scripture prophecy prayer and ethics allows for an in depth examination of significant contemporary Muslim and Christian scholarship on issues important to both faith communities The result is a challenging encounter to arguably a widespread default presumption of irredeemable mutual hostility and inevitable mutual rejection with instances of violent extremism as a consequence Demonstrating the reality that deep interreligious engagement is possible between the two faiths today this book should appeal to a wide readership including upper undergraduate and graduate teaching as well as professionals and practitioners in the field of Christian Muslim relations

Pathways for Inter-Religious Dialogue in the Twenty-First Century Vladimir Latinovic, Gerard Mannion, Peter C. Phan, 2016-01-26 Without question inter religious relations are crucial in the contemporary age While most dialogue works on past and contemporary matters this volume takes on the relations among the Abrahamic religions and looks forward toward the possibility of real and lasting dialogue The book centers upon inter faith issues It identifies problems that stand in the way of fostering healthy dialogues both within particular religious traditions and between faiths The volume s contributors strive for a realization of already existing common ground between religions They engagingly explore how inter religious dialogue can be re energized for a new century
