The Charismatic Christ:

Charismatic Christianity as a Global Culture Karla O. Poewe, 1994 In this important work leading scholars in the fields of religion and anthropology discuss the thought patterns and religious traditions of charismatics throughout the world By examining believers throughout the Americas Africa Asia and Europe the contributors provide a comprehensive overview of a charismatic tapestry that appears to transcend national ethnic racial and class boundaries Christianity and Socio-cultural Issues Rhodian G. Munyenembe, 2011 Chapter 1 A historical overview of the church in Malawi in relation to social cultural issues Chapter 2 The Charismatic Movement an exposition Chapter 3 The Charismatic Movement and contextualization in Malawi Chapter 4 The conclusion of the matter **Pentecost and Parousia** Peter D. Hocken, 2013-10-23 As the charismatic movement penetrated the Protestant churches and then impacted the Catholic Church great hopes for Christian unity were aroused among many These hopes peaked with the great Kansas City conference of 1977 and the Pentecost over Europe gathering in Strasbourg France in 1982 After these high points the Renewal s unity dynamic weakened at the same time as the ecumenical movement was losing momentum Dr Hocken argues that the charismatic movement was always a grace for unity and that this can be seen from how it began and spread Its deep orientation to unity finds its foundation in the end times significance of baptism in the Spirit poured out on Christians from so many traditions that reinforces the one hope for the coming of the Lord Many developments of the last twenty years indicate that the time is now ripe for an ecumenism of the Spirit within which the charismatic impulses of the Holy Spirit can purify and deepen the wider movement for Christian unity Growing reconciliation between Evangelicals and Catholics suddenly seems less utopian as Pope Francis shows the servant face of a humbler Catholic Church **Charismatic Christianity** Helen Collins, 2023-09-26 What is the essence of charismatic Christianity a renewal movement that stresses the Holy Spirit s work the church s use of spiritual gifts and the significance of the supernatural Helen Collins gives a novel summary explanation drawn from the spiritual gifts Through Scripture and doctrinal reflection she shows that charismatic spirituality is a coherent reasonable and rich tradition with much to offer Collins demonstrates how practicing spiritual gifts embodies a distinctive theology making these practices carriers of doctrine Using the Acts 2 narrative she summarizes seven key emphases and associated practices expectancy prophecy enchantment miracles encounter healing expression testimony equality tongues empowerment evangelism and enjoyment worship The result is a fresh introduction that is biblical theologically robust and practical helping charismatic students to learn more about themselves and others to understand the movement and what it has to contribute to global theological discussions *The Charismatics and the Word of God* Victor Budgen, 1985 **In Defense of the Word of Faith** Timothy Sims, 2008-11 Katrina Beautiful bright and talented she grew from a beautiful child into a beautiful woman As the youngest in the family she grew up with two adoring protective brothers They as well as everyone else recognized that she was special perfect actually Nathan A handsome replica of his father he

grew up to be exactly what his father had hoped for the perfect son He was the source of his parents pride His brother was the opposite end of the spectrum Suffering from mental problems Steven s actions cast a shadow over the family for much of Nathan s childhood and adolescent years Katrina and Nathan A wicked twist of fate brought them together and they are perfect for each other Their life is beautiful perfect Another wicked twist of fate tears them apart Or does it

Charisms and Charismatic Renewal Francis A. Sullivan SJ,2004-10-13 The rapid growth of the charismatic renewal in the Catholic Church has brought with it both controversy and confusion and it has raised a number of important theological questions Is it an authentic renewal movement Exactly what is the baptism of the Holy Spirit How should we understand the gift of tongues What is prophecy Does God really heal by supernatural means One by one Francis Sullivan takes up these controversial points in one of the most thorough theological investigations yet undertaken into the Catholic charismatic renewal Charisms and Charismatic Renewal is a scholarly analysis of this dynamic renewal movement for those who want to know more about its history its theological and scriptural bases its present impact on the church and its probable future course
