The Chase Of The Golden Meteor Bison

Jules Verne

The Chase Of The Golden Meteor Bison:

The Chase of the Golden Meteor Jules Verne,1998 The announcement that a solid gold asteroid has fallen to earth creates a worldwide sensation The discovery of this falling golden meteor and the race to find it form the core of this exciting tale from the grandfather of science fiction Jules Verne 23 illustrations *The Meteor Hunt* Jules Verne,2006-01-01 When a meteor of pure gold heads toward Earth it generates competitive greed among amateur astronomers and havoc among nations fixated on the golden object's path *The Journey of Niels Klim to the World Underground* Ludvig Holberg,1960-01-01 Fantastic adventures at the center of the earth await a penniless Norwegian student after he plunges into a bottomless hole in a cave Niels Klim discovers worlds within our own exotic civilizations and fabulous creatures scattered across the underside of the earth's crust and at the earth's center a small inhabited planet orbiting around a miniature sun In an epic journey Klim visits countries led by sentient and contemplative trees a kingdom of intelligent apes preoccupied with fashion and change a land whose inhabitants don't speak out of their mouths neighboring countries of birds locked in an eternal war and a land where string basses talk musically to one another Brave inquisitive and greedy Klim faces many challenges the greatest of which are his own temptations *The Journey of Niels Klim to the World Underground* is a classic in speculative fiction and was the first fully realized novel set underground in a hollow earth First published in 1741 it has earned comparisons to Jonathan Swift's contemporaneous fantasy *Gulliver's Travels* **Lighthouse at the End of the World** Jules Verne,2007-12-01 In 1859 three sailors arrive on an isolated island to man a new lighthouse at the wreck prone tip of South America They soon discover a band of egregious criminals led by dangerous evildoer Kongre who have been tricking ships into running aground killing the survivors and taking the loot When two lighthouse men go to assist a ship and are killed serious trouble ensues *Mizora* Mary E. Bradley Lane,1999-01-01 *Bison Frontiers of Imagination* What would happen to our culture if men ceased to exist Mary E Bradley Lane explores this question in *Mizora* the first known feminist utopian novel written by a woman Vera Zarovitch is a Russian noblewoman heroic outspoken and determined A political exile in Siberia she escapes and flees north eventually finding herself adrift and exhausted on a strange sea at the North Pole Crossing a barrier of mist and brilliant light Zarovitch is swept into the enchanted inner world of *Mizora* A haven of music peace universal education and beneficial advanced technology *Mizora* is a world of women *Mizora* appeared anonymously in the *Cincinnati Commercial* in 1880 and 1881 Mary E Bradley Lane concealed from her husband her role in writing the controversial story Introducing this *Bison Frontiers of Imagination* edition is Joan Saberhagen coeditor of *Pawn to Infinity* and a member of the Very Small Array workshop a group of science fiction writers in New Mexico *Lost Worlds* Clark Ashton Smith,2006-01-01 Collection of classic macabre and fantastic tales from a master of pulp fiction **The Wonder** John Davys Beresford,1999-01-01 Long recognized as a classic of speculative fiction but never before widely available *The Wonder* is one of the first novels about a superman BOOK JACKET *The Great Romance*

Inhabitant,2008-01-01 The Great Romance a two volume novella published under the pseudonym The Inhabitant was one of the outstanding late nineteenth century works of utopian science fiction Volume 1 was a possible model for Edward Bellamy's phenomenally successful Looking Backward while volume 2 was assumed lost for over a century until uncovered in the Hocken Library in Dunedin New Zealand Together these volumes represent a remarkable piece of science fiction writing as they proffer one of the first serious considerations of the colonization of other planets and the impact of human beings on an alien culture Here for the first time readers encounter descriptions of spacesuits and airlocks space shuttles and planetary rovers interplanetary colonization and cross species miscegenation Behind these genre defining elements is the story of John Hope who by means of a sleeping elixir awakes to a utopian community in a distant future a kingdom of thought where the struggle for existence has been eliminated and humanity operates under an unwritten law of civility and harmony aided by telekinesis that inerrantly reveals all wrong doers Since only two of the probably three volumes are extant the tale ends with a chilling cliffhanger In his introduction Dominic Alessio discusses the cutting edge aspects of this work and its significance in both the realm of science fiction and the history and culture of its day **The Disappearance** Philip Wylie,2004-01-01

The female of the species vanished on the afternoon of the second Tuesday of February at four minutes and fifty two seconds past four o'clock Eastern Standard Time The event occurred universally at the same instant without regard to time belts and was followed by such phenomena as might be expected after happenings of that nature On a lazy quiet afternoon in the blink of an eye our world shatters into two parallel universes as men vanish from women and women from men After families and loved ones separate from one another life continues in very different ways for men and women boys and girls An explosion of violence sweeps one world that still operates technologically social stability and peace in the other are offset by famine and a widespread breakdown in machinery and science And as we learn from the fascinating parallel stories of a brilliant couple Bill and Paula Gaunt the foundations of relationships love and sex are scrutinized tested and sometimes redefined in both worlds The radically divergent trajectories of the gendered histories reveal stark truths about the rigidly defined expectations placed on men and women and their sexual relationships and make clear how much society depends on interconnection between the sexes Written over a half century ago yet brimming with insight and unsettling in its relevance today The Disappearance is a masterpiece of modern speculative fiction *Out of Space and Time* Clark Ashton Smith,2006-01-01 Collection of classic macabre and fantastic tales from a master of pulp fiction
