Effective Schooling for Pupils with Emotional and Behavioural Difficulties John Visser, 2013-10-23 First Published in 1998 Increasing pressure and new demands on LEAs schools and their staff have led to an overall reduction in the number of special schools for children with EBD and a questioning of their place within the range of provision for these pupils Recent attention has also been drawn by HMCI to the number of these schools which have failed to pass the OFSTED inspection process This book is based on a national examination of special schools providing for pupils with EBD The authors identify factors associated with good practice and offer advice on how schools can become more effective in providing for the country's most troubled and challenging pupils They also highlight aspects of successful provision which can be applied in mainstream schools and pupil referral units

Management for Child Health Services Norman T. Begg, Michael Rigby, Euan M. Ross, 2013-12-20 The provision of health care services for children is central to improving the nation's health and remains a key feature of every government's policy This concept has been recognised in the United Kingdom since nineteenth century visionaries prompted increasing interest in the welfare of the country's school children Successive generations have built upon these foundations and have been diligent in promoting effective service development It is right that we follow their example for the young have only one chance of a healthy upbringing They are totally dependent on others to provide the right services which are sensitive enough to address individual needs yet sufficiently comprehensive to enable as many children as possible to reach adulthood with their potential unimpeded by illness Our objective must be to enable today's children to enjoy a healthy childhood and to equip them to maximise the benefits of a healthy lifestyle in the years to come We are making an essential investment in the future and must appreciate the challenges which come with that commitment We need a multi-professional approach positive management skills and the adoption of good management practice I therefore welcome this book on managing child health services and commend the initiative of its editors in bringing together such an impressive team of contributors from different disciplines

Governing Independent Schools John Partington, Barrie Stacey, Alan Turland, 2018-02-06 Governors are a valuable but under-used asset to independent schools Under the day-to-day pressures of running schools they are too often sidelined yet are frequently called to account by parents and the media when things go wrong Both new and experienced governors of independent schools will welcome this lively and informative handbook originally published in 1998 which describes the positive and constructive role which governing bodies can play in the life of their schools It provides up-to-date management techniques which can be effectively applied to enhance the quality of education and thereby the attractiveness of schools to parents and students

The Criminalisation and Exploitation of Children in Care Julie Shaw, Sarah Greenhow, 2020-12-27 The Criminalisation and Exploitation of Children in Care explores the results of a recent qualitative study which focused on multi-agency responses to children and young people in residential and foster care who were at risk of criminalisation and/or exploitation and abuse Recent high-profile

reports have highlighted an urgent need for effective multi agency work to tackle the issues of criminalisation and exploitation of children and young people in care However progress to date has been slow and it is clear that there is still some way to go before effective multi agency working becomes widespread In response this book draws upon the experiences and perspectives of practitioners from a sample of co located Multi Agency Safeguarding Hubs as well as the latest research theory and policy developments in the field In doing so it explores both the benefits and challenges of multi agency working and concludes with recommendations for future policy and practice This timely study will be of great interest to students and scholars of criminology criminal justice policing studies social work health and childhood studies It will also be a valuable tool for practitioners and policymakers in the criminal youth justice and social service arenas **Active Social**

eligible for assessments of need under the NHS and Community Care Act 1990 has drawn renewed attention to the plight of these children and their families This book presents the findings from a study of parents whose child has cerebral palsy The research undertaken at the cost of social policy change focuses on the apparent gap between the well argued proposals for community care and the experiences of carers A bewildering picture emerges of inadequate services and treatments from the health education and social services in the public voluntary and private sectors Parents experience isolation and stress as they explore ways to improve the quality of their children s lives by experimenting with unregulated and under researched treatments for an incurable physical condition The conclusion that there has been deterioration in provision for these families is a serious indictment on current social policy direction Social Work with Children and Families Ian Butler,Caroline Hickman,2011 This book presents the knowledge and skills required for effective practice with children and families Updated to cover recent developments in professional practice and child protection *Fortin's Children's Rights and the Developing Law* Rachel E. Taylor,2024-02-29 The notion that children constitute an important group of rights holders has gained increasing acceptance both domestically and internationally Nevertheless this rhetorical commitment to children s rights is not necessarily realised in practice Now in its fourth edition Fortin s Children s Rights and the Developing Law explores the extent to which law and policy in England promotes or undermines the rights of children Fully revised and updated this textbook uses current research on child development and welfare to reflect on the extent to which the law fulfils children s rights in a wide range of areas including medical law education and child poverty These developments are measured against the domestic law and the UK s international obligations under for example the United Nations Convention on the Rights of the Child Changing Social Work and Welfare Pam Carter,Tony Jeffs,Mark Smith,1992
