

The Christ Consciousness

Karin Nielsen-Saines

The Christ Consciousness:

Christ Consciousness You are Christ Penelope Stewart, 2018-03-06 Christ Consciousness is the consciousness or awareness of the self in and as the Christ the attainment of a level of consciousness commensurate with that which was realized by Jesus Christ consciousness is the highest state of intellectual development and emotional maturity Christ consciousness is the state of awareness of our true nature our higher self and our birthright as children of God Christ consciousness has been known by various names in history such as Jainism Buddhism Hinduism and most Eastern mystical religions This path is open to anyone regardless of their religious tradition if and when he or she is open to become a living vessel of love and truth on the planet and actively strives to attain it

The Awakening: A Guide to the Christ

Consciousness Lynn Garner, 2016-01-12 This book will take you step by step through the redemptive work of Christ and show you what that work has done to put EVERYONE in a place of perfect relationship with the father God the father of love This book will help change your idea of what really happened at the cross and show you how the power of the resurrection effected everyone

Finding Freedom Through Illumination Cardwell Nuckols, 2014-05-06 This deeply spiritual book will guide readers on a journey toward Realization of the Christ consciousness that exists within each of us In Finding Freedom Through Illumination Dr Nuckols divides the journey into three sections each defining a part of the process that leads to Realization the accumulation of more Light Dr Nuckols explains that as we gather more Light our worldview changes and we see the world differently and while our thoughts feelings and behaviors change we become more intuitive and begin to understand that all of life is an opportunity for spiritual growth Step by step Dr Nuckols illuminates the concept that Realization sometimes called enlightenment satori kensho samadi or moksha is about becoming one with our Creator Every spiritual tradition including Alcoholics Anonymous Hinduism and Buddhism gives direction for spiritual growth all change our worldview and all have been shown to enhance levels of spiritual consciousness Spending time in silence solitude prayer contemplation and meditation allows for intuitive change that alters our worldview causing the defects of character of the narcissistic ego to melt away Ultimately this is freedom this is illumination and this is spiritual growth

Christ Consciousness raymond wells, 2024-08-08 The Spirit of God which is Infinite Love will enter into you and Give you Christ Consciousness You are Baptized with The Holy Spirit The Divine Love is within you and You are forever ONE with God in Spirit and In Truth You become aware of your Oneness with God LOVE

The Formless Substance Michael A. Long, 2013-07 Mike brings us back to our inherited spiritual powers and helps us to ignite the miracle of the Holy Ghost and the Christ consciousness in our lives The book shows us how to recover from our alliance on the lack of spiritual comfort from the law of attraction or past mental sciences to discovering the healing power of God s water and our ability to achieve spiritual greatness I have read metaphysical literature for the past twenty five years but Mike Long s book quite literally breaks the mold and offers something totally unique for readers who are interested in using manifestation to change their

lives Long's cutting edge blend of metaphysics and Christianity produces an eye opening explanation of why so many people are frustrated with what has come to be known as the Law of Attraction In a world filled with both dark forces and spiritual opportunity The Formless Substance demonstrates how Mike Long's life coaching cuts through worn out New Age rhetoric to bring the explosive life changing power of God into a person's life Mike's spiritual workouts will begin to change your outlook in a matter of weeks and enable you to achieve true spiritual growth and a more rewarding life in general This book has my highest recommendation William Hammett novelist poet and critic

Christ Consciousness Danielle Van Dijk, 2010-04 We live in a world characterized by intolerance war environmental degradation and economic collapse By contrast is it possible to build a society in which tolerance love and peace are the abiding principles In this positive and inspiring book van Dijk shows how beginning with our personal development we can contribute to such a new and transformed world She describes how we can develop a universal spiritual consciousness what she calls Christ Consciousness The author emphasizes that the Christian mysteries took place on the physical plane distinguishing with great clarity between Jesus as a human being the incarnation of Christ on Earth and the Cosmic Christ She builds bridges between the spiritual research of Rudolf Steiner the Nag Hammadi writings and the gospels of Mary Magdalene and Judas culminating in a comprehensive and wide ranging picture of the Christ By gaining insight into the nature of Christ's being and undertaking practical exercises described here each of us can achieve the new Christ Consciousness In ancient times selected individuals underwent rites of initiation in secret mystery schools Any student who made public the knowledge obtained there was put to death In our time however the spiritual mysteries have become open and available to all Initiation van Dijk tells us involves walking the inner path to all embracing love which is known in Gnostic and esoteric lore as Christ the highest divine Being leading to sublime cosmic orientated consciousness that comes into existence when the higher self exists wholly within the individual human being

LIVING FROM THE SOUL Marcella R. Womack, 2009-12-15 This book is a guidebook for the readers who wish to deepen their spiritual connection to God by taking seriously the admonition given by Jesus the Christ to Go inward and Seek the Kingdom of God It is a third in a series based on the Spiritual Teachings of the Ageless Wisdom brought forth in recent times by The Teachers From the Realms of Light The first two books from this Source contained Discourses by two sets of Teachers and their messages concentrated on Spiritual Growth through going inward to align and anchor in the Soul The Teachers affirmed that the Soul is that part of us that is in fact the Divine Spark of God within each one of us It is also a guidebook for those who feel compelled at this time on the Earth to make a difference to join with others to add their will power creativity resources and their actions to make the whole world a better place for all humanity The book is divided into four sections The first section is entitled The Essentials to Understand and contains five essays on the basic Spiritual Truths that under gird most of the world's religious teachings The second section is entitled Tasks to Accomplish which stresses the reader's intent and self directed actions to help them move away from ego and embrace the reality of their own Soul's

mission in the world The third section is entitled Environments to Create that gives practical help in creating environments that are conducive to creating higher vibrations of holiness wholeness As this is done the seeker is assisted in practicing the disciplines of going inward and raising spiritual Consciousness through meditation seeking the Silence and releasing the learned habits of the lesser self Section four contains four Discourses brought forth by The Aquarius Teachers speaking from the Realms of Light and a lengthy final chapter that provides additional spiritual resources from both ancient and modern writers and spiritual Teachers These excerpts are taken from eastern and western spiritual traditions and contain such well known teachers as Alice A Bailey Paramahansa Yogananda Eckert Tolle Joan Borysenko and Gordon Dveirin and Eileen Caddy The Aquarius Materials A Trilogy Living from the Soul Awakening to Christ Consciousness The Resurrection Fire Universal Teachers from the Realms of Light The Brotherhood Discourses Children of Light Awaken *Krishna* Sri G. Ananda,2014-08-12 What is the Gospel Knowing the answer to this question is vital if one is to receive salvation for belief in the wrong gospel will not save but condemn Gal 1 6 9 In the Gospel of Matthew Jesus himself explains the Gospel in his very own way for it is written Jesus said to them The Son of Man will be crucified On the third day he will be raised to life Whoever wants to become great among you must be your servant just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many Matthew 20 17 19 26 28 To save you from eternal damnation God sent His Son Jesus Christ into the world to become its savior Because God so loved the world John 3 16 He gave his own son to pay the penalty for our sins on the cross This is the good news of the Gospel By his blood you can pray to invite Jesus into your heart If you do this he will become your personal Lord and Savior The promise given to all true believers is as follows Whoever is thirsty let him come and whoever wishes let him take the free gift of the water of life the tree of life and the holy city Revelation 22 17 19 Instead of hunger and thirst you are given the promise of the water and of the tree of life Through the blood of Christ you will return to paradise for from paradise man was taken and to paradise man must return In the restoration of all things the end is like the beginning Acts 3 21 For this reason the Apostle Paul in his letter to the Romans clarified the forgiveness that is found in Jesus saying All have sinned and fall short of the glory of God but God demonstrates his own love for us in this While we were still sinners Christ died for us for the wages of sin is death but the gift of God is eternal life in Christ Jesus our Lord If you confess with your mouth Jesus is Lord and believe in your heart that God raised him from the dead you will be saved Romans 3 23 5 8 6 23 10 10 The gospel is the good news of the death burial and resurrection of Jesus Christ of whom the Bible declares Salvation is found in no one else for there is no other name under heaven given to men by which we must be saved Acts 4 12 And Jesus said of himself I am the way and the truth and the life No one comes to the Father except through me John 14 6 Why is this such wonderful news It provides full and free deliverance from the power and penalty of sin This is according to the grace of God alone through faith in Jesus Christ alone for it is by grace you have been saved through faith Eph 2 8 10 However in the Gospel of Luke Jesus warns I tell you Nay but

except ye repent ye shall all likewise perish Lk13 3 If you simply turn from your sins by turning to the cross you will experience the renewal that the Holy Spirit brings Believe in your heart that Christ died and rose again That is faith in God The only way you can be saved is by accepting His free gift of eternal life When this happens the evidence of true belief is the presence of the Holy Spirit for he convicts you of sin causes spiritual birth indwells seals sanctifies guides equips teaches

The Christ Consciousness R. C. Douglas, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

The Christ Is Not a Person J.C. Tefft, 2009-02-11 Why are we born For what purpose are we here The longer we remain unaware of what is taking place within us of what drives us and what can liberate us from the bonds of egocentric behavior the longer we allow what the Buddha called the sorrow of life to hold sway The sorrow of life is the sum and consequence of our total identification with the world that is created by self The word Consciousness means something more than what the mind of self thinks imagines or conceives Awareness in Pure Consciousness is an awareness that is other than self and beyond thought Contrary to traditional thinking the so called unseen unknown world is nothing more than Consciousness of which we are unaware Unawareness in Consciousness has been evolving into Awareness in Consciousness since before time began The author of this work comprehensively sets forth a meaning of ancient scripture that likely has not been advanced to you before He demystifies ancient legends and myths so the essential truth of ancient teachings shines through Using ancient scripture as a guide he insightfully explores a growing conscious awareness that has been emerging within mankind over the last few thousand years A must read for anyone looking to discover the deeper meaning of ancient scripture beyond a literal interpretation of the words
