The Christ Within Lillian Dewaters, 2007-03-01 Christian Science axiom dictates that it is faith in God that will heal all physical and mental ills In *The Christ Within* first published in 1925 Lillian De Waters provides a poetic and persuasive argument for the thesis that the power to heal oneself lies within the individual and is a matter sometimes of mental effort and sometimes of spiritual effort And while health generally connotes physical soundness De Waters addresses a more holistic view arguing that the way to peace of mind body and soul lies through the glorious embrace of Christ American spiritual thinker LILLIAN DE WATERS b 1883 was one of the first students of Christian Science eventually breaking off on her own to stress the inseparability of Jesus Christ and the primary divine force thereby falling between Christian Science and Orthodox Christianity She is also the author of *The Hidden Truth* and *The Great Answer the Message of Ontology*

HESSON,2025-04-22 Every soul is on a journey and that journey leads ultimately to the realization that Christ is not just some distant separate figure but a living guiding presence within each of us The Christ Consciousness is not bound by one time one place or one person It is the pattern for what we are meant to awaken to the full realization of our divine potential as children of the One Living God The fullest expression of this Christ power the creative spirit of love and oneness came through Jesus of Nazareth the man who completely surrendered his will to the will of the Divine He became the living embodiment of the Christ Spirit not for his own glory but to show us the way He did not come to be worshipped he came to awaken us to the fact that what he was we are also called to become The journey of Jesus is our journey His birth life death and resurrection symbolize the inner transformation of every soul The Christ within is born in the heart of each person who seeks truth and walks in love The life of Jesus represents the challenges and triumphs we each must face to overcome ego fear and separation His death symbolizes the surrender of the self and his resurrection is the awakening of the soul to eternal life and unity with God But this transformation doesn't happen automatically We must live it Not just believe in it but embody it day by day thought by thought The law is love and Christ is the fulfillment of that law not through external obedience but through inward transformation We cannot merely declare ourselves saved we must become the light We must live the fruits of the Spirit patience kindness humility faith forgiveness and love This is the New Covenant not of dogma but of direct experience Christ is not limited to any one church creed or religion Christ is the spark of the Divine in every soul waiting to be recognized and lived Every person of every faith and background who seeks truth and love with sincerity walks the path of the Christ whether they know it by that name or not We are all called to the same destiny to awaken the Christ within and to help awaken it in others not by preaching but by being a living example of love in action Jesus said You will do the works that I do and greater things He meant it That power lives in you not to inflate your ego but to remind you of your true nature This is the true message of the New Age that we are divine expressions of the One Source learning to walk as Christ walked to love as Christ loved and to become one with the Father as He did The time of blind faith is over The age of direct experience is here You do not need a mediator you need a mirror Christ is the pattern and you are the vessel Let the Christ within rise Let love be your guide Let your life become the testimony This is the gospel of the Christ within It is not new It is eternal But we are remembering it again This is the message for our time That the Kingdom of God is within you That the Christ lives in you That the Light is you when you choose to live in love This is not a retelling of the gospel This is the message Jesus intended all along the Christ within you awakened This is the living message of Christ not merely words on a page but a path to walk a truth to embody a light to carry It is not meant to stand apart from sacred scripture but to stand beside it offering renewed insight fresh perspective

and practical guidance for the modern soul seeking union with the Divine This is not just something to read it s something to live
