Harris-Woods, 2016-05-31 Are you a college student or soon to become one How substantial is your faith in Christ What does your faith look like right now and will it be intact damaged or nonexistent when you graduate How do you apply what the Bible says to your college experience while submerged in a godless culture Gods Word the Bible provides insight for mental emotional intellectual physical and spiritual survival Cheryl J Harris Woods presents exciting and comprehensive answers from Gods Word in the pages of *The Christians College Survival Guide* *Animal Theology* Andrew Linzey, 1995 Animal rights is animal theology The author argues that historical theology creatively defined must reject humanocentricity He questions the assumption that if theology is to speak on this issue it must only do so on the side of the oppressors His theological query investigates not only the abstractions of theory but also the realities of hunting animal experimentation and genetic engineering He is an important pioneering Christian voice speaking for those who cannot speak for themselves *Developing Animal Theology* Clair Linzey, 2021-10-27 This book offers an up to date examination of the nature and development of animal theology It considers what animal theology is and how it challenges and is challenged by liberation and ecological theology At the heart of the work is a critical engagement with the Brazilian ecotheologian Leonardo Boff Clair Linzey addresses ideas that originate from the papal encyclical *Laudato Si* and considers how Pope Francis is developing an animal friendly tradition within Catholicism Exploring new vistas in animal theology this volume makes a valuable contribution to debates on how religion

should be concerned with animals and the environment This book is essential reading for anyone who wants to know the current state of debate with animal theology and its effects on the wider Christian community **The Prophecy**

Ancestral Truths Sara Maitland,2014-09-23 There were three possible reasons given for the disappearance of the two hikers on Mount Nyangani the treacherous terrain and climate the banditos armados the unforgiving spirit called Chirikuzi In David case there was a fourth that Clare might have killed him Unable to remember exactly what happened on the mountain in Zimbabwe and trying to come to terms with the loss of her hand in the accident Clare is taken home to Scotland where her large loving questioning and uncomfortably acute family become almost unbearable She had wanted David dead but did that mean she had killed him Her mother s High Church concern Anni s sharp tongued radicalism santly Felicity s internal fury and her deaf niece Alice s fascination with the prosthetic hand seem at first to distract from Clare s problems until the aristocratic family s pieties pierce her cocoon of post traumatic amnesia Family resentments flare and fade divisions fester and heal and as clare uncovers buried fears she comes to understand that the real question about the accident on Mount Nyangani is less what she has forgotten than why Intricate in design disturbing in its explorations of mind and spirit and with a surprising twist at the end Ancestral Truths employs a striking narrative voice to explore the shifting relations between belief and truth love and desire to reveal that beauty and danger walk hand in hand Sara Maitland summons her knowledge of theology mysticism mathematics and human nature to give this deeply perceptive novel its wit and cohesive richness As Ms Maitland s characters gradually recognize the inseparability of their strengths and weaknesses the authof of Three Times Table raises her art to a new pitch of excitement and originality
